**DOUG'S POWERSPORTS UNLIMITED  
ATVS, PERSONAL  
WATERCRAFT, SNOWMOBILES...  
AND THE EXCITING SIDE  
BY SIDE COMMANDER!**

WHAT BETTER WAY TO GET through the winter than to enjoy it?! Doug's Powersports Unlimited has all the toys to help get you through this coming winter. Their experienced staff and extensive line of Ski-Doo snowmobiles make for the perfect combination to set you up for a winter of motorized fun!

Located at 4019 Route 281 in Cortland, Doug's Powersports has been open at their current location for 10 years this month. The store has grown substantially since it first opened in 1980 as Doug's Speed and Automotive, on Route 11 in Cortland. The store originally carried parts, accessories and used units, and provided service and repairs. Since making the move, Doug's Powersports has been happy

to carry the best of the best: Can-Am ATVs and Spyders, Sea-Doo personal watercraft and Ski-Doo snowmobiles. And Doug isn't the only one happy with the brands, so are the customers. "Customer satisfaction is great with the Can-Am ATVs," states Doug Clark, owner of Doug's Powersports Unlimited. "We haven't had anyone yet who has purchased an ATV return to our store and want to switch brands. And people who purchase Sea-Doo personal watercraft like them so much that they simply upgrade to the latest Sea-Doos the following season."

To compliment the full line of powersport vehicles at Doug's Powersports is an extensive amount of trailers, parts and accessories. From aftermarket parts to accessories, Doug's Powersports has almost anything you could want for the Ski-Doo, Sea-Doo and Can-Am lines as well as other brands such as Suzuki, Yamaha, Polaris, etc. Todd Lyndaker is Doug's Powersports' Service Manager, capable of meeting all your service needs. "Todd was already a certified technician with ten to twelve years experience when he first started

working here," Doug explains. "Having fewer mechanics is sometimes better than having many," he continues. "This way, Todd knows exactly what work has been done to a particular unit. There are no guessing games as to what work has been done to a unit by other mechanics."

Besides the high-quality product offered at Doug's Powersports, one of the most appealing attributes is the competitive and affordable pricing. "We take advantage of rebates and discounts in order to try to stay competitive with pricing," Doug says. "But the bottom line is that we provide a good product. People may buy here, regardless of pricing, due to our good reputation, and customers know we will take good care of them."

So if you are feeling the need for the speed and fun of a snowmobile this winter, or are in the market for an ATV, Spyder, the new Side by Side Commander or personal watercraft next summer, or have one that needs to be serviced, stop in at Doug's Powersports Unlimited and see what Doug has to offer. The next time you are looking to upgrade or improve your ride, remember Doug's Powersports carries a full line of aftermarket parts and accessories for Ski-Doo and most makes and models of powersport vehicles. You can reach Doug's Powersports at (607) 753-1263. Or stop in the store for a glimpse of what you are missing out on, located at 4019 Route 281 in Cortland, open from 9-6 Monday, Wednesday and Friday, and from 9-7 Tuesdays and Thursdays. On the weekend, Doug's Powersports is open from 9-3 on Saturday. Come join the fun!

## THE SEVEN VALLEY SNOW GOERS

**T**HE SEVEN VALLEY SNOW GOERS, Inc. is a local snowmobile club numbering over 300 members. Our club started in early 2000's with about ten members and has grown to what we are today. We fill the center of Cortland County with trails that meet with our neighboring clubs in Truxton, Tully, Marathon, McGraw, Dryden and Moravia. We maintain, mark, and groom approximately 35 miles of corridor 5A and 5F trails from Pipeline Rd in Virgil to the south, Rt. 281 in Preble to the north with as many secondary trails as possible in between. As a club we attempt to preserve existing and develop new trails working in close conjunction with our generous landowners in Virgil, Cortlandville, Homer and Preble. In general, our club hopes to make a safer, more pleasant snowmobiling environment for our numerous riders and families to enjoy from the area, across the state as well as from neighboring states.

Our club meets once each month on the first Thursday of the month between August and April. Each meeting starts at 7:30 pm, and we hold each meeting at various locations located along our trail system. We announce our meetings and locations each month via our website message board, The Cortland Standard, through a monthly email message and our Facebook site.

You can join The Seven Valley Snow Goers online via our website, [www.svsginc.com](http://www.svsginc.com) at the New York State Snowmobiling (NYSSA) website [www.nysnowmobiler.com](http://www.nysnowmobiler.com) or by attending a monthly meeting. Cost to be a member is \$25/year for a single membership or \$30/year for a family membership. If you do not belong to a snowmobile club in New York State, it costs \$100/year to register your snowmobile. If you belong to a club, the cost is \$45/year to register your snowmobile.

We have held fundraisers for various non profit organizations through the years, as well as to raise money for the operation of our club. We have a landowner appreciation pancake breakfast once each year in late winter, which is free to all landowners who allow us to use their property for our trail system. This is our club's way of thanking all of our landowners that allow us to use their land for our snowmobile trails. We also hold a "Demo Day"

once each year. This coming year we will hold our annual Demo Day on Saturday, February 18, 2012 at Denny's Mountainview Restaurant. The event starts at 1:00 pm and runs until 5:00 pm. Our local snowmobile dealers, CNY Powersports, Doug's Powersports and K&H Motorsports bring out their sleds for those who attend to try out the new models so that they can "kick the tires" and see what new innovations have been made to the latest snowmobiles.

We have a Board of Directors and Officers that can be viewed on our website, and contacted via email or phone. Elections are held once each year in October. Our current Officers are:

- Doug Stafford President
- Dave Hoy Vice President
- Bill McLaughlin Treasurer
- Bridget Hoy Secretary

If you have any questions or concerns, you may reach me via email, 607-227-2754 cell or 607-749-2171 home.

## TRUXTON SNOWMOBILE CLUB

THE TRUXTON SNOWMOBILE CLUB, ONE of the original and oldest clubs in the county, was incorporated in 1972. Early records show 20 to 30 members, with many being families. Activities and interests included hot dog roasts and family rides from a member's camp on a Sunday afternoon with downhill sledding for the children. As more people began riding snowmobiles, the club saw a need for trail development to assure landowner permission for use of their property. Bridges needed to be built and trails needed to be marked. Because there was no New York State trail Fund at that time the club held pancake breakfasts and raffles to raise money for materials needed. Club dues throughout the 70's were \$1.00. Our trail system was merely farm fields, town roads of which many were posted as routes for snowmobile traffic, or where ever you wanted until someone complained. We had no grooming equipment and a smooth ride was only after a fresh snowfall or snow covered road.

Through out the 80's and 90's, with the inception of the New York State Snowmobile Association or NYSSA, fueling for trail improvement, grooming equipment and trail insurance became feasible. Our club now serves the areas of East Homer, Truxton and Cuyler with 70 miles of funded trails. We use 3 Groomer units to keep our trails smooth, have built over a dozen bridges, installed culverts, cleared brush and signed the our part of the trail system. All of this work is done by club members volunteering their time.

We now have an annual membership base of about 150 members. Most members are local riders, but some people join from surrounding areas because they like and enjoy riding our area which usually has good trail conditions. Our current membership dues are \$25.00 for individual and \$30.00 for a family.

The club has adopted the nickname of Truxton Trail Riders or TTR that we use for advertising and identity. We offer youth safety courses for young riders between ages of 10 and 16 years old. Our club has also helped sponsor a rescue snowmobile operated by the Truxton Fire department in case of emergencies.

There are two trail head parking areas, one is across from the John J. McGraw Field in Truxton, the second is on North Tower Road in Solon near the tower. There are maps available for the Southern Tier trail System and The Central New York Trail System.

We have a club website with currant club activities and trail information, our annual fund raiser is a poker run on the Saturday before Martin Luther King Day in January. Meetings are held on the first Thursday of the month alternating between the Hiawatha Inn and the Longbranch in Truxton at 7:00pm. For more information about our club memberships and activities visit our website at [truxtontr.com](http://truxtontr.com).

## SNOWMOBILE SAFETY TIPS DURING HARSH WINTER MONTHS

THANKS TO SNOWMOBILING, POWDERY WINTER storms and the deep chill are often something to look forward to. Snowmobile enthusiasts welcome the low temperatures and high snowfalls!

"Nothing beats cruising through fresh powder on your sled, until something unexpected happens," said Allstate spokeswoman for New York, Shirley Eizember. "Allstate offers affordable coverage that helps protect you, your passengers and your snowmobile, including: Liability Coverage, Medical Payments Coverage, and Physical Damage Coverage."

Here are some tips from Allstate's power sports insurance brochure to help you have a worry-free snowmobiling season.

### Plan for Success

Create a kit of essentials (driver's license, money, medications, insurance forms, cell phone, water, high-energy food) to carry with you.

Create a plan using detailed maps.

Before you head out, make sure someone knows your plans.

Chill out on Ice

You have far less traction for starting, turning, and stopping on ice than on snow, so always travels at low speeds.

Be absolutely certain that any ice you ride on is safely frozen.

Remember the Basics

Always wear a helmet and insist any passengers do the same.

Never drink and sled.

Contact SHIRLEY EIZEMBER, Exclusive ALLSTATE AGENT at the Pinckney Insurance Agency located at 41 Port Watson St Cortland, NY 13045..Ph 607-756-8505.

## MIKE'S FISH TANK PALUDARIUM

COMBINING HERP/FISH HABITATS HAS BECOME exceedingly popular. This mixing of fish, plants and newt, frogs etc. is called a Paludarium. The definition of a Paludarium is "An aquarium system that combine both terrestrial and aquatic

environments." They include plants fish and herps. They are almost always freshwater because it is extremely difficult to maintain brackish water in an enclosed system. Paludariums will contain components such as basking shelves for reptiles, ponds for fish and amphibians, waterfalls, foggers and cleverly hidden planters for plants such as bromeliads.

The first and most important element of any paladarium is the tank itself. Always use glass. Acrylic will become scratched and hazed and won't work. With a mixed-system setup you'll have to perform duties required for terrestrial as well as aquatic habitats. And because most paludariums include plant material, ongoing maintenance, necessarily requires gardening. Here are some of the specific care recommendations:

- Change water weekly.
- Remove uneaten food and fecal matter.
- Remove yellowed and diseased leaves and dead plants.
- Prune back or replace fast-growing plants to ensure that light reaches all the plants and animals.

Paludariums with their vibrant displays of plants and interesting creatures can be quite a conservation piece.

- *Pets A Plenty* is located in the Blockbuster Video Plaza, Rte 281 Cortland, 753-9213. Open 7 days a week. We now have a website. [WWW.PETSAPLENTY.BIZ](http://WWW.PETSAPLENTY.BIZ). check it out. East Shore Skate Park, located in Lansing, NY, is one of the only rider owned and operated facilities in the state. Here at East Shore, we provide the local and regional community a safe and fun environment for anyone who rides BMX, skateboards, rollerblades, or scooters. These alternative sports have been growing in popularity on the national level and show no sign of slowing down. Sports such as Football, Basketball, and Baseball will always be prominent in our society, but the action sports that take place at East Shore have created a new and refreshing way for the Tompkins County community (and beyond) to spend their recreational time all year round.

ESSP is open Wednesday - Sunday. We open at 3pm on the Weekdays and Noon on the Weekends. The fee to ride or skate is \$10 on the Weekdays and \$15 on the Weekends (starting January 2012). However, we do run a special on every Wednesday for \$5...

Just as any other recreation facility, we host many special events throughout the year, such as competitions, birthday parties, musical acts, summer camps, fundraisers, and learning clinics. Many of our competitions attract a large draw and have been featured in different press outlets such as the Ithaca Journal, Lansing Ledger, and national online sources such as ESPN, BMX Plus! and Ride BMX.

East Shore Skate Park is now in its fourth year and we are hoping to take the park to the next level. Since its inception, the park has gone through many changes to offer the best and most progressive spot for people to recreate. Now, we need the community's help to bring the quality of our facility to an impressive level. We already have several industry sponsors that help with providing product for the pro-shop, however, we are looking for sponsors to help provide capital to improve the current park features and add additional outdoor features. The capital raised will also allow East Shore to hire additional staff, as well as increase programming options.

In the near future we are hoping to become an official Not-for-Profit 501(c)(3) organization, make renovations to improve the facility, and build an outdoor section for the warm summer months. Additionally, we are working very hard to keep the price of admission as affordable as possible. With the help from sponsors, we will be able to upgrade the facility, hire additional staff and keep the price affordable to everyone. In order to make these goals a reality, we need your help...

*Become a Sponsor*

East Shore Skate Park draws its constituents from not only the Tompkins County community but also areas such as Elmira, Binghamton, Syracuse, and Northern Pennsylvania. The facility sees approximately 100 users a week, not including the parents, friends and family that accompany them. That said there is a lot of exposure happening right within the facility itself. Our walls are just waiting to be covered with your company banners and advertisements!

For further exposure opportunities, East Shore Skate Park has many followers on Facebook, YouTube and ESPN. Sponsor us and not only have direct exposure to our constituents, but to all of those who follow us over the internet!

\*To become a recognized sponsor of East Shore Skate Park contact Alexandra Grillo, Director of Marketing by e-mail at eastshorepark@gmail.com or by phone, 607.533.0055.
