Shadow boxes and needlework are their specialty, and they have a fabulous collection of moulding to choose from along with antique and vintage frames. They have 20 years of experience working with archival materials and helping you create something you can enjoy for many years. They also have a slide show of their work where you can get ideas of what they can do with whatever you have.

TO COMMEMORATE THIS YEAR'S GREAT American Smokeout (Nov. 17), the Tobacco Free Zone of Cortland, Tompkins & Chenango Counties and the Reality Check program are urging area businesses to post Tobacco Free Zone signs, designating their entrances and/or grounds tobacco-free.

This year marks the 10 year anniversary of the Tobacco Free Zone brand and what better way to celebrate than displaying a sign of support for employees and customers who want to quit smoking. Making your grounds tobacco-free can contribute to a larger goal of making tobacco use socially unacceptable in the community, as well as creating a healthier, cleaner and safer environment for everyone.

Reality Check students in the community will be looking for businesses with a Tobacco Free Zone sign and visiting local

MIKE’S FISH TANK GLOFISH

GLOFISH ARE LIKE THEIR NON-FLUORESCENT counterparts, just with a brighter disposition. They are exactly the same in terms of care, including everything from general care and temperature preferences to water quality and nutritional needs. With a little care and attention, your fish will be a happy, healthy companion for years to come.

Every kind of fish has its own temperature preferences. In general, GloFish® fluorescent fish can live in a fairly wide temperature range, anywhere from 64-86°F but prefer temperatures of 75-80°F. Depending upon the temperature of the room in which your aquarium is maintained, an aquarium heater may be helpful to maintain this temperature range. The most important thing to remember is to avoid quick temperature changes, since these can cause ick and other fish diseases.

GloFish are relatively hardy, easy to keep, and get along well with other fish. However, not all fish are this way, so if you

have other fish in your tank or are adding new fish to your GloFish tank, be careful to choose fish that can all live together in a similar environment. Here are a few key points that may be helpful: Like their non-fluorescent counterparts, GloFish are schooling fish and should ideally be kept in groups. This is particularly important with GloFish Barbs. Glofish like filtered water, so a filter is important for your glofish to do well.

Be sure not to crowd too many fish into a tank. Please avoid keeping fish (even just one glofish) in a small bowl.

Betta fish do the best in small bowls.

GloFish fluorescent fish thrive in all types of settings, including homes, offices, and classrooms. However, it is important that you do not place the tank in direct sunlight or close to a heating or cooling source. This will cause algae growth and can cause unwanted temperature changes.

After serving the Cortland and surrounding areas for over 43 years I have decided to retire. It has been a tough decision because of all the terrific relationships I have built up with my clients. I tend to feel a little bit older, now that I have started taking care of the third generation of families. I will be staying in the area because Cortland has obviously become my home. I hope to pursue other interests to occupy my time. I have not found a buyer for the practice.

So...I will be closing the business at the end of December. To avoid billing and insurance issues, our LAST available eye exam will be Nov. 28. I can't thank you all enough for your dedication, loyalty and putting up with my sense of humor. I don't know who had more fun, you or me. I can't recommend where you should go but Cortland is fortunate to have several excellent optical providers.

From the bottom of my heart, I thank you all very much!

THE HOLIDAY HUSTLE HAS BEGUN

129 North St. Dryden

By Shana Karn, Co-Owner, The Second Knob Gifts & Antiques & Owner, Shots by Shana Photography

YES IT HAS! IT BEGAN in September- can you believe it? Of course, we didn't have our holiday merchandise out in September but some stores did. We DID have customers asking about our holiday lines in September, though. Here we are just a couple of weeks away from Thanksgiving and the "Holiday Shopping Season" is well underway. In all honesty, I am extremely envious of the early shoppers. By mid-November (or earlier) they are done with their shopping and can avoid going to malls and stores, dealing with holiday-shopping traffic and, often, over-stressed, over-spent, over-tired last minute shoppers (like me). While some folks are thrilled with the prospect of what the Holiday Shopping Season offers, not everyone shares their enthusiasm.

Holiday gift shopping can be intimidating for even the most enthusiastic shoppers. Before you set out to do

your holiday shopping this year, make a list of who you have to buy a gift for and the dollar amount you will spend on the gift. Not sure if you should buy a gift for someone? Check out Dave Ramsey's Blog, where he has an easy flow chart style guide! (<http://www.daveramsey.com/blog/holiday-gift-giving-guide>). If you aren't sure about what to buy, list a couple of things you know about who you are shopping for (i.e. Uncle Steve loves fishing and golf). Stick to your list! Be sure to ask shop staff for help with gift ideas—the information on your list will help us narrow down some good choices! Think outside the box when it comes to gifts! Don't turn up your nose at the section of antiques and collectibles—Uncle Steve may love one

popular gift ideas is a gift certificate for a family photo shoot from Shots by Shana Photography! Throughout November, you can purchase a gift certificate for a natural light family shoot for just \$79 plus tax!

On November 26th, we will celebrate the holidays with our third Annual Holiday Open House. Saturday, November

26th, is also "Small Business Saturday." Small Business Saturday is a day to support small business owners when folks are encouraged to shop small, local stores to help fuel the economy. Small Business Saturday has gained momentum over the last few years and it helps locals get familiar with small shops in their community! We will celebrate Thanksgiving and Christmas with refreshments, door prizes and specials. We will have normal open hours the day after Thanksgiving and will offer a few "Black Friday" specials in addition to free coffee for tired Black Friday shoppers. We hope to see everyone there!

This year, we continue to offer Private Parties—where hosts will earn up to 20% of all sales to use toward their own holiday shopping! You can book a private party anytime outside of normal business hours, Tues-Sat 10-6 and Sun 10-5. Simply bring the beverages and finger foods, invite guests and ENJOY your evening!

This year, make The Second Knob and Shots by Shana Photography your one stop for easy and fun holiday shopping!

AUTUMN ARRIVES AT THE CINNAMON APPLE COTTAGE

ANOTHER GROWING SEASON IS BEHIND us at Valley View Gardens and what a challenge it has been! As convenient as it was for travelling, a nearly snowless winter was not a good thing for insulating root systems or for replenishing our groundwater supply. To make matters worse and to our mistaken delight, March came in like a lamb, bringing warm, spring-like temperatures that encouraged the plant kingdom to wake from a long winter's nap much too early. Eagerly

emerging from dormancy, our unsuspecting gardens were slammed with extremely low temperatures in April, damaging, and in some cases, destroying tender plants. Subsequently, during the summer months, we endured a severe drought, which only added to stress upon the landscape. As I've said, this was a challenging growing season, but it also provided opportunities for us to learn how to care for needy landscapes and to observe how they recovered with a little 'tender loving care'!

At this time, we commence another lovely season at Valley View Gardens and The Cinnamon Apple Cottage! Autumn provides an opportunity for reflection, as we observe the beauty of nature displayed on hills and gardens glowing with color and texture. Equally significant, autumn is an opportunity for practicing inner beauty, as we look inside ourselves, evaluating our year and how we've changed and grown or need to grow in the future.

Showing love and appreciation for our family and friends is a big part of who we are and what better time than during the Christmas holiday season? The Cinnamon Apple Cottage would love to help you achieve this by presenting a considerable and varied choice of quality giftware. The Cinnamon Apple Cottage provides gift ideas for all the people in your life. Musical clocks, artwork, fragrances, whimsical everyday décor and holiday decorations; tempting things to

WILDFLOWERS A WORD FROM SARAH

FIRST I WOULD LIKE TO say "Thank YOU" to all the wonderful people who have patronized my "little" flower shop. I would like to invite those who have not stopped in to "Stop IN". I always strive to bring you, my customer a fair price, fresh, vivid and creative designs. It has been my pleasure to service the local and outlying Fingerlakes regions for over 12 years. Uplifting spirits, spreading love and kindness with just a simple flower.

Wildflowers Florist is hosting 2 holiday open house weekends. November 19 and 20, and November 26 and 27. Saturday 9-4 and Sunday 10-2. Great prices on holiday decorations. Fresh and artificial wreaths and flowers. I can custom create and order most requests. Pre-order holiday centerpieces and receive 10% off! Book us for your wedding - it is my "specialty". Call Wildflowers for all occasion deliveries, locally free. I will also add a special touch on all orders including sympathy flowers for your passed loved ones.

Call Wildflowers @ [1.607.844.3597](tel:16078443597) or stop in @ 175 North Road, Dryden, N.Y. and let the floral artistry begin.

Wishing you and your family safe healthy and happy holidays.

~Sarah

- The American Red Cross has an urgent need for blood donations. Within the first 72 hours, Hurricane Matthew forced the cancellation of approximately 55 Red Cross blood drives in Georgia, North Carolina, South Carolina and Virginia resulting in nearly 1,800 blood and platelet donations to go uncollected.
- Dozens of additional blood drive cancellations are still expected in the Southeast as major flooding and power outages affect many areas.
- Last week, the Red Cross sent additional blood products to areas likely to be impacted

by the storm and will send more as needed to ensure patient needs continue to be met.

- We have been asked to collect extra blood products to help our neighbors to the south who have been impacted by the storm.

- The Red Cross has an urgent need for donors of all blood types, especially type O. Right now, blood donations are being distributed to hospitals as quickly as they come in.

Thank you again for all you do! Without you we couldn't provide the hospitals with what they need!!

GREEK MYTH OF ORPHEUS RETOLD FROM WIFE’S PERSPECTIVE IN EURYDICE PLAY

PLAYWRIGHT SARAH RUHL’S EURYDICE FINDS the titular character, new wife of Greek mythological figure Orpheus, trapped in a strange underworld. There Eurydice reunites with her deceased father and is torn between remaining with him in the underworld or rejoining husband Orpheus on earth.

A staging of Eurydice serves as the final project for Cornell University students enrolled in the Performing and Media Arts course “Making Theatre: Rehearsal and Production Techniques.” The production, directed by Performing and Media Arts professor David Feldshuh, opens November 11 and runs for two weekends. Eurydice is cosponsored by Cornell University’s Department of Performing and Media Arts and the Feminist, Gender & Sexuality Studies program.

Performances of Eurydice are in the Schwartz Center’s Flex Theatre November 11, 12, 18, and 19, at 7:30 p.m., and November 19 at 2:00 p.m. Tickets are available at schwartztickets.com or at the Schwartz Center box office Tuesday–Saturday, 2:30 p.m.–8:00 p.m. Adult tickets are \$15.00; tickets for seniors, students, and Cornell University students, staff, and alumni

are \$8.00. The Schwartz Center for the Performing Arts is located at 430 College Avenue in Ithaca.
