## 4 WAYS TO GET BARGAINS ON SMALL BUSINESS SATURDAY

MALL SATURDAY WILL BE HAPPENING this year on November 26. American Express started this shopping initiative to encourage consumers to shop small and local during the holiday season, but it is now a key piece of the major holiday shopping day trifecta. Eighty-eight million people have shown up to "shop small" since 2010. Upstate New York has many local shopping and entertainment venues that participate in this important shopping day.

- Check papers and magazines for deals.
- Visit the websites and facebook pages of local business for secret online bargains.
- Get a group of friends together to buy bundles of gift cards to meet large quantity bargains on gift cards.
- Visit your favorite online business to see if the large box and Amazon type stores are running deals.

Now that you have prepared for the big day, let's build some enthusiasm on our own facebook pages and make sure Small Business Saturday gives small businesses everywhere a tremendous boost for the rest of the year.

#### Shipwreck Golf Participating in Food Bank Program

People who use food banks are employed. They are hard workers. They are people who often make choices between rent, their kids' needs and food. 65% of households using food

banks have a child under 18 or someone 60 or older. Children in Cortland County go to school hungry. Some children who get free meals at school know that will be the only meals they get for the day.

Shipwreck Golf would like to help fill the local food bank. Bring in 5 nonperishable food items and get 10% off the cost of your entertainment.

Even if you are not playing golf or bouncing bring in your donation. We will enter you in a drawing to win a meal and entertainment for a family of 4.

Let's help feed those whose struggle to feed themselves. Bring your can or dry good donation to Shipwreck today. This program will last until December 31, 2016. Shipwreck Golf is located at 759 State Route 13 in Cortland. <a href="https://www.shipwreckgolf.com">www.shipwreckgolf.com</a>

## THINK OUTSIDE THE HOUSE... WITH HOLIDAY GIFTS FOR HIM

AVING A HARD TIME FIGURING out what to get the man in your life this holiday season?

Surprise him with something he'd never expect from you ... the latest in yard/garden equipment and accessories. It's likely you have heard him grumble about that old mower with a cranky engine, or the sore back he is anticipating with snow shoveling season on the horizon. Tully Lakes Hardware has a wide selection of products from Husqvarna Equipment to Tools, Boots and Gift Cards that may just be the perfect gift to surprise and delight him during the holidays.

#### Let it Snow $\dots$ and Then Throw

It may be time for a snow thrower. That's right, snow "thrower", which is a much more efficient and targeted

method for maneuvering the white stuff away from paths and roadways than the more random "blowers" of days gone by. Today's high-capacity snow throwers are well-suited to the needs of homeowners or even farmers who need to quickly and easily move aside heavy snowfalls. Here's how it works – a revolving auger grinds down the snow and feeds it into the thrower's housing, where an impeller discharges it through a well-positioned chute. Quick, easy and powerful.Many – like the Husqvarna 1830HV – include car-like features, such as electric start and power steering; adjustable, easy-to-reach controls; and tire chains for rough terrain.

#### Sawing Logs

If your lot is filled with trees, it is also regularly filled with limbs and branches – unless you consistently prune and shape those trees. A versatile chain saw may be just what your handyman needs for trimming back branches, felling dead trees or cutting firewood. These days, even smaller chainsaws have many of the features of professional varieties. Also, most models are "greener" than ever – for instance, Husqvarna offers an engine technology that vastly reduces fuel consumption and emissions.

#### **Safety and Comfort**

Even if new equipment is not on your shopping list, why not pick up a few stocking stuffers that will make his outdoor work safer and more comfortable? Many accessories are available that will make his tasks simpler and safer – like heavy-duty work gloves, clear protective glasses, work boots from the Original Muck Boot Company and or hearing protection with

built in WorkTunes/ MP3 player.

Need more ideas? Stop by Nightingale's Tully Lakes Hardware in the Village of Tully. Nightingale's is an Husqvarna-Authorized Repair & Warranty Dealer- and services the equipment they sell right at their Service Garage at their sister store in Marcellus.

#### **ACTION SPORTS**

ORTLAND'S ONLY BICYCLE AND CROSS-COUNTRY ski shop, would like to ✓ invite you to visit our store this Christmas season at our new location: 64 Pendleton Street, Cortland.

- · Is there a cyclist in your family?
- Do you have some cross-country skiing friends?
- Would snowshoes look good under the tree?

Come visit us by the railroad tracks where we sell Specialized bicycles, Alpina cross-country skis and Northern Lites snowshoes, the lightest snowshoes in the world. Our store is filled with equipment and accessories to help keep the fitness-minded person going.

The Rockhopper Sport 29 is a popular mountain bike we sell in our shop. It's built for long-haul performance on the trail with corrosionresistant hardware. The components on the bicycle are purposely selected at the manufacturer for their balance of strength and capability. It's overall geometry helps leave the rider feeling confident and efficient on gnarly singletrack through the woods.

The Discovery 68 is a popular back-country ski that we sell in our shop, especially when winter covers us with the white stuff. Since the 70s, Alpina has manufactured high quality products in the skiing industry. Equipment advances mean greater skier enjoyment and improved performance. Many world records have been set by athletes on Alpina skis where their motto is 'Winning as a Lifestyle'. The Discovery 68 BC skis have full metal edges, non-wax bases and wider widths for stability through those back-country places.

The Quick Silver 25 Northern Lite snowshoe is a common snowshoe purchase. This year, at our new location, we have a yard and with snow packing in, our customers will be able to try them out before considering making a purchase! Made in Wisconsin, Northern Lites snowshoes are super tough, super light and easy to get in and out of. The frame is aluminum alloy and the decking is made of military grade polyurethane. Toe and heel crampons make for sure footing.

We stock road bikes, hybrids, women-specific and children's bikes. We carry touring cross-country skis as well as extreme back-country and Madshus race. We stock the extreme series of snowshoes as well as the race shoes for competition.

Accessories in our store include cycling jerseys, jackets, tights, gloves and helmets as well as locks, cycling computers, tools, lubes, tubes, wheels, chains, derailleurs, lights, and wintertime wax, scrapers ski poles and gaiters. Gift certificates available.

We continue to service bicycles in our full service repair shop. We offer sharpening and waxing for downhill skis and snowboards. Bring them in early and be ready for the snow season.

We are very happy in our new location! Our building is spacious and comfortable and our neighbors are friendly. Repeat customers have found us and we've gained new ones, many remarking on the new and improved store!

#### **CINCH ART SPACE**

THE CORTLAND CORSET BUILDING AT 75 East Court Street is a cathedral of industrial age America. Built in 1872 by the Cortland Wagon Company, the building boasts double brick construction, massive wooden beams, spacious enclosed stairways, and wide floor boards that give a satisfying creak with every step. And everywhere, the windows. Tall and plentiful, lined up to dutifully pull natural light into a space built before workers relied on electricity.

Fortunately, instead of being demolished in favor of strip mall architecture, this magnificent structure is going through a quiet renaissance of utility as its owners gradually fill the building with wellness facilities and tenants pursuing artistic endeavors. Dozens of small businesses are being incubated in the Corset Building: This is the bridge between Cortland's industrial past and its post-industrial future.

**Cinch Art Space** – An all local gift shop and boutique, features the works of 60 local artisans and craftspeople. Jewelry, fine woodworking, pottery, handmade soap, and so much more. Cinch also offers classes. Go to CinchArtSpace. com for details. Tues – Fri 10 to 5, Sat 10 – 3 with late hours on Thursdays until 7 pm and Sundays in December 10 – 3.

**Magpie** – Promoting and teaching sewing, handicrafts, and the recycling and reuse of fiber and decorative materials. Magpie offers a community space to appreciate and purchase fine handicrafts while learning, first-hand, about the skill and artistry behind the creations. Go to MagpieCortland.com for more information.

Situated just 2 blocks from the courthouse on East Court between Pendleton and Pomeroy Streets, the Corset Building is also home to Cortland's only comic book shop, a yoga studio, massage therapists, a chiropractor, an acupuncturist, and painting studios.

And there is space available for more. Call 607-745-5656 to inquire.

FOR SALE — 2003 Honda Accord EX. 5-speed. 26/34 MPG. Freshly detailed. New tires and brakes within past year. No dashboard lights or mechanical issues. Walt Kasperek NYS Licensed Optician

After serving the Cortland and surrounding areas for over 43 years I have decided to retire. It has been a tough decision because of all the terrific relationships I have built up with my clients. I tend to feel a little bit older, now that I have started taking care of the third generation of families. I will be staying in the area because Cortland has obviously become my home. I hope to pursue other interests to occupy my time. I have not found a buyer for the practice.

So...I will be closing the business at the end of December. To avoid billing and insurance issues, our <u>LAST</u> available eye exam will be Nov. 28. I can't thank you all enough for your dedication, loyalty and putting up with my sense of humor. I don't know who had more fun, you or me. I can't recommend where you should go but Cortland is fortunate to have several excellent optical providers.

From the bottom of my heart, I thank you all very much!

#### YE ULDE GUAI CAKI

 $\mathbf{Y}^{\text{E}}$  Olde Goat Cart has been busy over the past few months preparing to make your holiday gift giving easy. Specializing in goat milk soap, but also carrying goat milk lotion, lip balm, and beard oil, Ye Olde Goat Cart has something for everyone on your list.

Ye Olde Goat Cart uses fresh, local goat milk in producing skin loving, great smelling bars of soap. Each bar of soap weighs over 4 ounces and is specially formulated to be long lasting. Many are scented with essential oils and colored with micas and clays, not dyes.

Goat milk soap is especially skin loving due to the many vitamins and nutrients found in goat milk. In addition, goat milk has a similar pH value as the human skin, meaning the skin eagerly absorbs those nutrients. All of the soap also contains other great ingredients, such as Shea butter, coconut oil, and olive oil. One thing you won't find in any of their products are controversial chemicals or impossible to pronounce mystery ingredients.

Among the most popular soap scents Ye Olde Goat Cart has available this holiday season are Rosemary-Peppermint, Lavender, Frankincense and Myrrh and Billy Goat Gruff, which is made with a combination of essential oils comparable to Theives® oil. There is a very limited quantity of the Frankincense and Myrrh available, so act quickly for this extremely popular scent.

Ye Olde Goat Cart products can be purchased online at YeOldeGoatCart.com/shop. Shipping is free for orders of \$30 or more, and local pick up in Groton is also an option. Each bar of soap is just \$6.

Ye Olde Goat Cart began in early 2014 after a highly successful batch of soap was made for Christmas presents. Family and friends raved about the soap, and a small business was born.

Three years later, and Ye Olde Goat Cart has grown tremendously fast. A grant in 2015 resulted in a new soap making workshop and two goats, while orders have come in from around the country.

Ye Olde Goat Cart is owned and operated by the husband and wife team of Drew & Maria Montreuil. They have two little boys in addition to their goats, dogs, cats and rabbits. Drew and Maria make all of their goods at their home at 114 Mack Street in Groton, NY.

Orders can be placed online at YeOldeGoatCart.com. Please do not hesitate to email any questions you may have to YeOldeGoatCart@gmail.com, or send a message on Facebookjust search for Ye Olde Goat Cart. Be sure to follow them on Pinterest as well. ## **WHAT EVERY ATV AND SNOWMOBILE RIDER SHOULD KNOW BEFORE THEY GO**

**ALLSTATE PROVIDES SAFETY** AND NEW YORK STATE LAW **INFORMATION TO RIDERS** 

**7**INTER IS THE PERFECT TIME of year to take advantage of your snowmobile, ATV, or other power sport vehicle. Allstate wants you to know that it is important to be smart and safe to get the most enjoyment out of the New York winter weather.

According to the ATV Annual Report from 1982 - 2012, there

were an estimated 12,391 ATV related fatalities, 2,944 of those fatalities were children under the age of 16. An ATVS afety.gov spokesperson says most of these deaths and injuries occur when a child is driving or riding on an adult ATV.

Parental supervision is a key element to a child's safety, and children under the age of 16 must be supervised at all times when operating an ATV.

#### ATVSafety.gov says there are a few important things riders should know before they go:

- ATVs can travel at speeds in excess of 60 miles per hour and can weigh in excess of 700 pounds.
- ATVs can easily roll and tip over. Their unpredictable nature in off-road conditions makes training and proper use essential.
- All riders should always wear a helmet and protective gear when riding an ATV.
  - Stay off paved roads and avoid unfamiliar terrain.
    - Never carry a passenger on a single-rider ATV.
- Do not drive an ATV while under the influence of alcohol or drugs.
- All riders should take a hands-on safety training course.
- Children under the age of 16 should NEVER ride an adult size ATV.

Snowmobiles are also vehicles that can be dangerous if not For more information on snowmobile coverages, please operated safely. Cruising through the fresh snow feels great - until something unexpected happens.

#### Allstate wants you to be aware of how to use your snowmobile safely.

- Become familiar with hand signals needed for operating snowmobiles
- Plan where you will ride, how long you will ride, and with whom you will ride.
- Most manufacturers create a small spot for tool storage just inside your hood, or the inside of the seat "trunk." Put the necessary tools in the designated spot in case of an
- Never cross lakes or rivers since it can never be guaranteed that ice of any thickness will support a snowmobile. Be aware that ice is always dangerous, and on solid surfaces it greatly reduces traction.

Allstate recommends protecting yourself and your family

- Bodily Injury Liability: Protects you if you cause an accident and someone is hurt, typically covering the other person's medical expenses.
- Property Damage Liability: Protects you if you're at fault in an accident causing damage to another person's property. Coverage typically pays for expenses to damaged property such as vehicles, homes, and buildings.
- Collision Coverage: Reimburses the cost of repairing your snowmobile after damage due to a collision with another object (such as another snowmobile, tree, or fence).
- Comprehensive Coverage: Protects from damages to your snowmobile due to almost any event: flooding, wind, vandalism, theft, or other reason not involving a crash with another vehicle.

Allstate Snowmobile Insurance can even provide coverage while your sled is in storage. Even if you have custom parts, they're included as part of a covered claim. Allstate offers discounts available if you own multiple sleds. Figuring out where your other insurance ends and snowmobile insurance needs to start can take some time.

#### **MIKE'S FISH TANK** STRIPED RAPHAEL CATFISH

 $\hbox{\scriptsize VERY POPULAR FISH IS the striped raphael catfish.} This$ Apeaceful, nocturnal species is a popular aquarium fish due to its pleasant temperament and curious nature. The striped Raphael catfish are commonly found in the Amazon and they have been introduced into the united states.

These fish burrow in the soft river bottoms and frequently occurs on sandy bottom. These fish feed on mollusks, crustaceans and organic debris. They have rigid pectoral fin spines. The striped Raphael catfish also has tiny and curved protective spines running along its body. The striped Raphael catfish is a fine and sociable community fish that are peaceful to fellow catfishes and other fish species. However,they are nocturnal, and are usually not visible during the day. It is best not to catch the striped Raphael catfish with a fish net because they are prone to sticking out their pectoral fin spines in a very rigid manner, especially if stressed. Untangling these spines from a net is difficult and dangerous to both handler and fish. Alternative methods should be used. I use a brine shrimp net to catch them because the net is unlike a normal fish net, less holes, almost more like a pillowcase. The catfish does not get stuck in the net.

The Raphael catfish will make some grunting/squeaking noises while out of water. Although generally sociable with other fish, sometimes this fish can feed on smaller fish so take care when introducing any fish that might fit into it's mouth.

The striped raphael is a very popular catfish, hardy and a very pretty fish. We do stock them here at PETS A PLENTY.

Pets A Plenty is located in the Blockbuster Video Plaza, Rte 281 Cortland, 753-9213. Open 7 days a week. We now have a website. WWW. PETSAPLENTY.BIZ. check it out. I post care sheets, coupons, new animal arrivals, contests and more. Any questions, email me at friskyy@hotmail.com

## **CRT DOWNTOWN ANNOUNCES UPCOMING WINTER/ SPRING EVENTS**

YORTLAND REPERTORY THEATRE DOWNTOWN WILL start the New Year Crunning with a winter/spring season full of fun and interesting events at the new performing arts center located at 24 Port Watson Street in historic downtown Cortland. Admission prices vary per event. Starting in January, a series of monthly TRIVIA NIGHTS are planned for the third Thursday of the first three months of the year. Starting at 7:00 PM on January 19, February 16 and March 16, trivia buffs in teams of four will answer up to seven rounds of five questions each. Family and friends, couples and groups are invited to gather for friendly competition, with prizes for each round plus a grand prize winner overall. Admission is \$5.00 per person and a beer/wine cash

On February 10 and 11, audiences are invited to take a trip back in time with Scott Moreau and his Died Drunk boys in their concert WALKIN' THE LINE: A TRIBUTE TO JOHNNY CASH. Moreau, sounding remarkably like the legendary singer, leads a journey through the music that made Johnny Cash the Man In Black. With stories and anecdotes told in Johnny's own words, this amazing show features the songs The Ring Of Fire, Folsom Prison Blues, Walk The Line, Man In Black and many more. If you close your eyes, you'll swear you're with man himself! Moreau first appeared at CRT in the summer of 2008 as the title role in the musical Johnny Guitar. Since then, he has toured the United States and Canada with the Tony Award winning musical Million Dollar Quartet as Johnny Cash, and also appeared in productions in Tokyo and a lengthy run at Harrah's Casino on the Las Vegas strip. In between, he has performed this Cash tribute show across the country. Performances of Walkin' The Line begin at 7:30, and tickets are \$35.00 with a beer/wine cash bar

After the second Trivia Night on February 16, CRT prepares audiences to be astonished with mentalist Paul Draper in **MYSTERIES OF THE MIND** on Saturday, February 18 at 7:30. Direct from Las Vegas, this interactive, family friendly and educational evening of entertainment weaves mind reading, mystery and storytelling into a theatrical journey in which the audience is the star of the show.  $Draper \, is \, an \, anthropologist, magician \, and \, mental \, ist \, who \, has \, travelled$ the world in search of magic and mysteries. He reaches into minds, tells what people are thinking and predicts a person's actions before they make them. From his research as an anthropologist, he relates entertaining stories about ancient men and women of mystery who created stunning feats of the mind that are then recreated before your eyes. As an expert in his field, Draper has appeared on the History Channel, A&E, HBO, Travel Channel, and HGTV. He has lectured at Yale University, Apple Headquarters, The World Famous Magic Castle in Hollywood and The Magic Circle in London. As a respected Las Vegas entertainer, Paul has performed at Planet Hollywood Hotel and Casino and hundreds of shows at the Venetian Hotel and Casino on the Las Vegas Strip. Tickets are \$25.00 with a beer/wine cash bar

Next up comes the CRT Guild's Annual Mystery Dinner Theatre with three performances: Saturday, March 4, Friday March 10 and Saturday March 11. Performed by the Acme Mystery Company from Syracuse, this year's production is **DEATH JOINS THE CLUB**. Noses up, everyone! You and the other members of the posh Pfieffer Hills Country Club are gathering to consider applications for

membership and you want to look your snobby best. Members of the wealthy elite are dying to get in, or rather are waiting for you to die so they can get in. A word to the wise: some applicants are less patient than others. Doors will open at 6:30; the meal will be provided by Linani's Catering of Homer and includes appetizer, dinner, desert and coffee. A beer/wine cash bar will be available. Ticket prices have an Early Bird Special of \$50.00 if purchased by January 31, after which, tickets will be \$55.00.

Following the third Trivia Night on March 16, CRT welcomes standup **COMEDIAN KEITH BARANY** on March 18 at 7:30...because who doesn't need a laugh in an upstate New York winter? This former NYC native, now living in Utah has a "fresh, original, comic voice" and has been called "the wittiest comic working today". A clean (PG-rated) comedian, he's also worked as a TV writer for Seinfeld, The Jimmy Kimmel Show and the Emmy Awards, and has been the comedy headliner on nine overseas US military tours. A steady performer in Vegas, Keith has appeared at the Stardust, Excalibur and Caesar's to name a few, and appeared with Jerry Seinfeld, Joan Rivers, Ray Romano and Jon Stewart. Tickets are \$20.00 with a beer/ wine cash bar available.

The glamour of Broadway comes to Cortland on March 25 at 7:30, as Broadway singer, actress and recording artist Jeri Sager makes her Central New York debut with her cabaret act THIS BROAD'S **WAY**. Sager will perform a songbook of some of the best loved Broadway songs, done cabaret style with piano accompaniment. A veteran of numerous touring productions, Sager has delighted international audiences of all ages and is best known for her portrayal

Les Miserables and Eva Peron in Evita. She performs all over the US, England, the Caribbean, Japan, Mexico and Canada, and has had the honor of singing for Presidents Jimmy Carter and George W. Bush, Pope John Paul II and while with the USO, troops. It's a classy, New York City style night on the town, right here in Cortland! Tickets are \$25.00 and the beer/wine cash bar will be available.

Next up, CRT produces the comedy THE QUEEN OF BINGO, by Jeanne Michels and Phyllis Murphy, with performances running from March 29 - April 9. Where can two sisters on the other side of fifty go to add a little zest to their lives? BINGO! On any regular bingo night at St. Joseph's, you can find Father Mac, Cindy Conklin, Marge Meranski, and the many colorful regulars we meet through the eyes of Sis and Babe. They are sisters and best friends who love the game: Sis is a good loser who just loves to play, while Babe is a player who has always got to win. They complement each other - and drive each other crazy - in ways only sisters can. They dish the dirt, dig up memories, giggle like school girls, and share their insecurities in this funny and heartwarming evening. A jackpot of a show, this comedy even includes a bingo game with the audience! Tickets are \$32.00 for adults and \$30.00 for seniors and students.

Wrapping up the spring, Todd Meredith and his band returns with THE RAVE-ONS: "ALL REQUEST" on April 28 and 29 at 7:30. You've heard them tell the story of Buddy Holly and The Crickets, and recreate Buddy's last concert. Now, hear them tell YOUR story! When purchasing tickets, audience members be given a Rave-Ons song list and have the opportunity to fill out request cards, choosing their favorite song from the list and explaining why it is special to them, their spouse or anyone! Todd and the band will share these stories and perform the songs. The result is a completely unique concert, chosen completely by the audience. The vast song list includes favorites by Buddy Holly, Elvis Presley, The Beatles, Check Berry and classic 50's hits by other great artists, plus many pop songs by Buddy's successors. Tickets are \$35.00, and beer/wine cash bar will
