Dryden NY community members past and present. We come together to remember those we lost and how our community continues to grow towards the future.

Walt Kasperek NYS Licensed Optician After serving the Cortland and surrounding areas for over 43 years I have decided to retire. It has been a tough decision because of all the terrific relationships I have built up with my clients. I tend to feel a little bit older, now that I have started taking care of the third generation of families. I will be staying in the area because Cortland has obviously become my home. I hope to pursue other interests to occupy my time. I have not found a buyer for the practice.

So...I will be closing the business at the end of December. I can't thank you all enough for your dedication, loyalty and putting up with my sense of humor. I don't know who had more fun, you or me. I can't recommend where you should go but Cortland is fortunate to have several excellent optical providers.

From the bottom of my heart, I thank you all very much!

PHYSICAL ACTIVITY AN ESSENTIAL INGREDIENT FOR HEALTH

THE IDEA THAT EXERCISE IS good for you is not a new Lidea. More than 2000 years ago Plato wrote, "Lack of activity destroys the good condition of every human being while movement and methodical physical exercise save and preserve it."

Much more recently, a U.S. Surgeon General's public health report made the following observations:

- One out of every two U.S. adults is living with a chronic disease, such as heart disease, cancer, or diabetes. These diseases contribute to disability, premature death, and health care costs.
- Increasing people's physical activity levels will significantly reduce their risk of chronic diseases and related risk factors
- Because physical activity has numerous other health benefits - such as supporting positive mental health and healthy aging - it is one of the most important actions

people can take to improve their overall

Whileweightlossisfrequentlythemotivation for beginning an exercise program, it should be remembered that the benefits of physical activity go far beyond the numbers on a scale. Exercise on its own, in fact, is not always an effective way to lose weight - for best results it must be combined with responsible eating habits. Diet alone, especially

extreme diet, can result substantial and fast weight loss. But you will probably end up flabby and weak, and the weight nearly always comes back with a vengeance.

By combining moderate exercise with healthy and sustainable eating habits, you

will lose fat, maintain muscle, and feel great. The key is to have exercise and intelligent eating become part of your permanent life style.

Weight loss aside, recent research suggests many reasons to make exercise part of your daily routine:

- A report published in the journal Current Biology indicates that exercise improves memory.
- A study by researchers at the University of Georgia showed that men who cycled for 20 minutes experienced a 166% increase in self reported energy levels.

- A study published in 2015 found that women who were meeting exercise guidelines reported about 50% fewer depressive symptoms than women who exercised less.
- A University of Alabama study indicated that exercise can curb food cravings.
- Researchers at the National Cancer

Institute found that people with higher activity level had a significantly lower risk of some cancers.

For 21 years, Groton Fitness Center has been providing a clean, comfortable for people in Groton surrounding areas to exercise. On January 2nd, 1996,

in the middle of a snowstorm, owner Ed Ferraro opened the doors of GFC to the public. In an area of about 2400 square feet there were two treadmills, a few other cardio machines, and some strength training equipment. Today, in an area of more than 5000 square feet, there are nearly two dozen cardio machines, and a very well equipped weight room. Memberships include people of all ages, shapes, sizes and fitness levels. Any member who would like help with an exercise program, or who wants help with nutritional strategies, can make an appointment with Ed. There is no additional charge for this service. For more information call 898-3500 or email Ed at ed@ grotonfitnesscenter.com. You can also visit our website at GROTONFITNESSCENTER.COM.

FALCON OPTICAL WHERE THE "FOCUS" IS ON SERVICE

NALCON OPTICAL IS FAMILY OWNED and operated business in Tompkins County. Rich and his family offer personalized attention to eye care. In today's world, we tend to be rushed into making decisions, but at Falcon Optical, you can take your time. From the moment you walk in, to the moment you leave, you feel like you are at home. Attention to detail and personalized care is what you find here! There is a full service optical lab on the premises, which means emergencies and next day eye wear is available. Contact lenses, adjustments and repairs are also available. Falcon Optical has recently partnered with Dryden Optometry. Located in the same building, Dryden Optometry provides full medical eye exams. Our optometrist, Melissa Oltz, was residency trained in Ocular Disease and can check for Glaucoma, Cataracts, and Macular Degeneration during routine eye exams. We have to remember in today's busy world to make sure we have regular eye exams so we can prevent future ocular problems.

With the age of technology upon us, eye strain has been drastically increased. Long hours on our computers and constant updates on our cell phones cause our eyes to work harder than ever before. New research has showed that technology devices actually give off harmful blue lights that damage our eyes and cause more strain than need be. Luckily, the optical industry is working day and night to provide us with products to block the harmful blue light. Digitally enhanced lenses custom fit to your lifestyle and prescription

will help you thrive, not only in your workplace, but in your daily activates

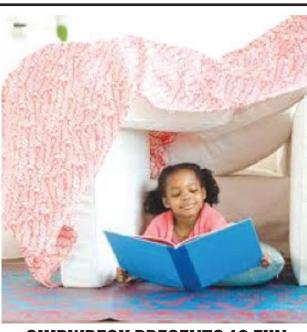

Being family owned, we understand that times are not as they used to be. Insurances dictate where we can go and what we can do. Falcon Optical can provide quality frames and lenses while still being as affordable as any. Falcon Optical appreciates you and will make your optical experience the best as it can be.

Falcon Optical is located at 88 North Street in Dryden. Also find us on the web at falconoptical.com as well as on Facebook. Hours of operation are Monday 10-5 and Tuesday-Friday 10-7. Stop in anytime or call us at 607-844-9477 for any further questions.

SHIPWRECK PRESENTS 10 FUN KID ACTIVITIES FOR WINTER

759 Rte 13, Cortland (607) 758-8585 <u>ShipwreckGolf.com</u>

ORTLAND IS KNOWN FOR ITS fun winter activities. We all love skiing, playing inside mini golf, bowling, ice skating and sledding. We love having our kids home for winter break, but let's admit, after a few days, a few newly broken Christmas toys and the third trip to the store to get more batteries it's time to unplug and have some simple fun. So here are 10 things for kids to do inside and out during winter break.

So when you hear "I'm bored!" it will be time to tackle the list. 1. Visit the animal shelter and donate your old newspapers and cat toys. 2. Make bird feeders out of drink containers and hang them outside. 3. Go for a hike. 4. Make a tent with furniture and blankets and read a book inside. 5. Medical, Surgical and Cosmetic Dermatology

NOW IN DRYDEN, NY

POUNDED IN 2006, SOUTHERN TIER Dermatology & Aesthetics has become one of the fastest growing medical practices in upstate New York. Its flagship location was originally in Vestal, with only Dr. Colleen Crandell at the helm. Its original clientele were so satisfied with the comprehensive, personalized care and treatment they received, that they spread the word about their experiences at Southern Tier. This word-of-mouth campaign led to the opening of its second location in March of 2011 in Big Flats a third location in Utica in late 2012 and a fourth location in Dryden NY in 2016. We also have a pathology lab in the Endwell office. Our Dryden office offers appointments on Friday and Saturday.

Southern Tier Dermatology & Aesthetics offers a full catalog of services to correct and solve a variety of concerns. Schedule an appointment today to discuss what options are right for you.

Effect of filing: All persons having or claiming to have an interest in the real property described in the Petition are hereby notified that the filing of the Petition constitutes the commencement by the City of Cortland (the "Tax District") of a proceeding in the court specified in the caption above to foreclose each of the tax liens therein described by a foreclosure proceeding in rem.

Nature of proceeding: This proceeding is brought against the real property only and is to foreclose the tax liens described in the Petition. No personal judgment will be entered herein for such taxes or other legal charges or any part thereof.

Persons affected: This notice is directed to all persons owning or having or claiming to have an interest in the real property described in the Petition. Such persons are hereby notified further that a duplicate of the Petition has been filed in the office of the Enforcing Officer of the Tax District and will remain open for public inspection up to and including the date specified below as the last day for redemption.

Right of redemption: Any person having or claiming to have an interest in any such real property and the legal right thereto may on or before said date redeem the same by paying the amount of all such unpaid tax liens thereon, including all interest and penalties and other legal charges which are included in the lien against such real property, computed to and including the date of redemption. Such payments shall be made to City of Cortland, Administration and Finance, 25 Court Street, Cortland, New York 13045. In the event that such taxes are paid by a person other than the record owner of such real property, the person so paying shall be entitled to have the tax liens affected thereby satisfied of record.

Last day for redemption: The last day for redemption is hereby fixed as March 17, 2017.

Service of answer: Every person having any right, title or interest in or lien upon any parcel of real property described in the Petition may serve a duly verified answer upon the attorney for the Tax District setting forth in detail the nature and amount of his or her interest and any defense or objection to the foreclosure. Such answer must be filed in the Office of the Cortland County Clerk and served upon the attorney for the Tax District on or before the date above mentioned as the last day for redemption.

Failure to redeem or answer: In the event of failure to redeem or answer by any person having the right to redeem or answer, such person shall be forever barred and foreclosed of all his or her right, title and interest and equity of redemption in and to the parcel described in the Petition and a judgment in foreclosure may be taken by default.

Enforcing Officer:
