The spacious antique shop has thousands of earrings, furniture, glassware, pottery, paintings, jewelry, beautiful slag glass (end of day glass), 500+ dolls and a vast array of other items that are on display. No vendors or cosigners, the store is a one owner owned shop!

Grandma's Pretties buys merchandise, such as jewelry, clocks, glassware, furniture, and miscellaneous items. View their website www.grandmaspretties.com and Like them on Facebook. You can reach Grandma's Pretties by calling (607) 862-9795, or visit the handicapped accessible shop at 3 Railroad Street in Whitney Point: take a right on to Main Street by the Speedway station, and take a left onto Railroad Street before you reach the railroad tracks.

Here are some reviews Grandma's Pretties have received!

"Just happened upon this shop with my husband today! What a treasure shop! Give yourself time to shop because there is so much to see! Owners are so friendly!"

"Just stopped in for the first time and I was very impressed! So many beautiful items and they are having a huge sale! I think this is the cleanest, well organized antique store I've ever seen."

"Been there several times and been treated with respect every time I go there. There selection of antique and modern stuff is amazing and most of it is in mint condition."

"I walked by this place one day and decided to see what was inside. I was blown away!!! In some ways it was a time warp, they have beautiful glass and random antiques. (like a Garfield phone) if you have old dishes and are missing a few pieces they might have it. It's truly a nice shop, and it's clean! A big huge store stuffed full of gorgeous glass, silver, and other random stuff and it's CLEAN. I was super impressed! Nice couple too."

Ed and Marlene would like to say thank you to everyone for their support and wish all their friends, family and customers a very Happy Easter.

MIKE'S FISH TANK GLOFISH

\ Lofish are extremely popular these days. They are born

They are not injected, painted or dyed. Inherited lifelong color does not harm the fish. Same care as any other community fish. They are made from danios, tetras and barbs so they do like a heated aquarium. I keep the temperature up around 78 to 79 degrees. Some of the led lights will make the glofish glo even more but they still look really nice under a regular fluorescent light.

They just came out with a green and a red glo tiger barb. The danios and tetras come in green, pink, orange, purple, red and blue. I have also heard that they are about to come out with a longfin danio glo barb. They also make glofish plastic plants and several glofish decorations that also glo. Recently they come out with color changing plants, which change colors as the light hits them.

A glofish food is available now which helps keep their color vibrant.I am sure we will be seeing a lot more glofish items in the very near future.

ITHACA ORGANICS

Who We Are

We are a family run farm owned and run by Trever and Monica Sherman. Our 47 acre production farm neighbors the family organic dairy farm. As third generation farmers, Farming is in our blood. We also share a farm store with the family dairy at our other location on fall creek rd in Freeville. We are committed to providing quality, nutrient rich produce throughout the growing season while implementing sustainable farming practices.

What is a CSA?

Community Supported Agriculture is a unique venture that strives to connect farms, food and people in a mutually supportive community. CSA members pledge in advance to support a local grower for the summer season, and in return, affiliates receive shares of produce weekly from June to November.

Benefits of being in a CSA

Great food! Our produce is fresh from the field harvested daily. Our chemical-free and nutrient rich soil allows us to produce flavorful fruits and vegetables. You also know exactly where your food comes from, who grows it, and how it's grown. You also support sustainable agriculture and our local economy. You save money! By buying direct, members avoid paying retail prices and hidden costs of transportation and overhead.

Finally, meal planning is made easier. check out our recipe of the week and our meal planning and recipe service!

Where to find us

We are at all of the Ithaca Farmers' markets; Saturday and Sunday @ Steamboat landing in Ithaca, Tuesday @ Dewitt park in Ithaca, Wednesday at east hill plaza in Ithaca and Thursday @ steamboat landing in Ithaca. You can also find us at The Jerry Dell Farm Store in Freeville Monday thru Saturday 10-6., and we have a you pick strawberry patch on route 13 in Dryden open in June, on the corner of Simms hill and route 13.

BIRTHDAY PARTIES!

IRTHDAY PARTIES ARE A GREAT boost to any child's self-esteem. Making them feel like kings (or queens) for the day is one of the best (and most lasting) gifts you can give them. But where and how should you start? How about Shipwreck Amusement Center? We offer a large variety of options for your child's special day.

If you decide your home or apartment isn't suitable for a children's party, there are several options that come with obvious advantages (including being able to come back to a clean home after the children have been picked up). For a small fee, you can reserve our party room. We include everything from invitations to gifts for all guests. Pick your activity from bounce or mini golf. Our hostess will decorate your room, serve the food and clean up after the presents are all unwrapped. Add the treasure chest gem dig or stuff one of

our plush animals. Whatever you need we will work with you to have the best birthday party ever!

Don't go it alone. Everything will be much easier when you have your birthday party or event at Shipwreck Amusement Center. Our parties are the best value in the entire area.
