**S**KIN CANCER IS THE MOST common type of cancer in the world, accounting for one out of every three cancer diagnoses. Despite our mild summers and cloud cover, here in central New York, skin cancer is a serious risk. We receive about 75% of San Diego's UV radiation exposure, yet many do not use enough sun protection to avoid tanning and burning. Each year at Dermatology Associates of Ithaca, thousands of skin cancers and precancerous lesions are treated and

cured. The practice places a large emphasis on prevention with annual full skin exams with an experienced dermatology provider and regular daily use of SPF 30+ all year. While wait times across central New York can be as long as 9 months, Dermatology Associates of Ithaca has been able to streamline their practice to offer quality dermatologic care while shortening wait times to under 1 week. Dr. Josephine C. McAllister is a board-certified, Harvard-trained dermatologist who has selectively chosen and mentored her team of five Physician Assistants with a mission to make dermatologic care more accessible to patients. They are excited to welcome patients to their new office, conveniently located in Cortland at 3773 Luker Road.

## FALL FESTIVAL ENTERTAINMENT SURE TO PLEASE

THE WHITNEY POINT FALL FESTIVAL will be held on Saturday, October 28th. The planning committee is pleased to share this year’s entertainment line-up. There is something for everyone. Check the schedule in this paper and on [whitneypointfallfestival.org](http://whitneypointfallfestival.org) for times and venues so you don’t miss out!

Doug Rougeux. Rougeux, better known as “The Bubble Man”, is returning to the festival this year. He takes bubble making to an entirely new level. He uses wands, straws, his bare hands, and his “Super-Duper Bubble Hoop” to create bubbles. He can make kissing bubbles, attacking bubbles, tight-rope walking bubbles, spaceship bubbles, popcorn bubbles, bubble chains, and bubbles dancing to music. He can even make a bubble with a person inside. Rougeux uses elements of clowning, mime, slapstick, juggling, and magic to enhance his bubbly. Rougeux will be at this year’s festival with a bubble exploration and play area in the TRA cafeteria. He will also delight audiences with two

special performances at 11:00 and 1:00. Sure to be fun for the whole family!

Also returning to the entertainment line-up this year is comedy ventriloquist and puppet master, Sylvia Fletcher. She has been performing professionally for about 15 years, bringing her act to theaters, resorts, schools, fairs, corporations, cruise ships, and other venues to the delight of the young and young at heart. Sylvia tours throughout the world with the Magic Trunk, a well traveled box inhabited by a bunch of quick-witted puppets and inanimate objects that she comically brings to life. She will dazzle you with her amazing talent, lively unforgettable characters, and voice illusions. Sylvia’s show at 2:00 in the TRA Auditorium is sure to delight the entire family.

This year’s Fall Festival entertainment will also include some returning favorites. Kevin LaDue of LaDue Music Company, Whitney Point, will share acoustic guitar music and vocals in the TRA gymnasium as part of the Craft Fair from 10:30 - 11:30. As you enjoy the Triangle Quilt Guild’s quilt display in the “little gym” you will be treated to two musical delights. Curt Osgood will be sharing his hammer dulcimer music from 9:30 - 11:30 and Meredith Kohn Bocek of The Harp Studio in Apalachin, New York, will play from 12:00 - 2:00. Animal Adventure of Harpursville will be at the festival for an expanded time this year from 10:00 - 1:00. Animal Adventure will bring a variety of reptiles, invertebrates, small animals, and exotics. They provide hands-on educational animal facts and fun. (Animal Adventure is sponsored by Levene, Gouldin, and Thompson, LLP) The Stoutmen will be performing at Sparky’s Pub and Grill at the Oakland Hotel from 5:00 - 8:00. Their strong, straightforward singing of traditional songs is in the style of the Clancy Brothers & Tommy Makem, Dubliners, and Wolf Tones. They present a great mix of

powerful rebel songs, jovial drinking songs, toe-tapping reels and beautiful Irish ballads.

The planning committee encourages you to take advantage of these great free entertainment opportunities and to enjoy other Fall Festival events.

*This project is made possible with public funds from the Chenango Arts Council’s Decentralization Program, a re-grant program of the NYS Council on the Arts, with support from Governor Cuomo and the NYS Legislature.*

Maintenance Tips from Bell's:

How to avoid Breakdowns?

The best thing you can do to avoid breakdowns is to perform regular scheduled maintenance. Such as changing your oil & filter every 3,000 miles. Catching any small problem before it becomes a big problem can save you a lot of money. We can talk to you about known problems for your specific make and model as well as any maintenance required.

Having your oil changed is one of the most important maintenance procedures you can do for your car. If you follow good auto maintenance you will extend the lifetime of your vehicle by thousands of miles.

- Change regular oil every 3,000 miles.
- Change synthetic oil every 5,000 miles.
- Change your antifreeze every 2 years.
- Change your brake fluid every 2 years.
- Change your transmission fluid every 30,000 miles.
- Do scheduled 15, 30, 60 and 90,000 mile maintenance.
- Always check for potential problems before they happen.

Thank you to our customers for their patronage over the past 30+ years!

# HALLOWEEN: ENOUGH WITH THE ELSAS

By Shana L Karn, Shots by Shana Photography & Co-Owner, The Second Knob Gifts & Antiques

“YOU CAN DO ANYTHING YOU set your mind to and be anyone you want to be.”

This is the message that we need to instill in our children today and every day. With Halloween just around the corner, I find myself encouraging natural smiles with easy, kid-friendly dialogue. This time of year, I often ask about what the child plans to be for Halloween. There is very little that surprises me. Little boys tend to lean toward superheroes and little girls toward princesses (most often the famous Disney Princesses). Occasionally, little girls opt for the ever-popular, “go-to” witch costume.

Since school started, I’ve found myself enjoying photographing some school sports. This fall, it seems that I’ve spent the most time photographing girls’ sports both in and outside of school— dancing, volleyball, cheerleading and field hockey. The girls involved in these sports are all different shapes and sizes; they are all committed to the sport they play— and they are all strong. More importantly, these girls are learning teamwork and acceptance. They embrace each other’s strengths and weaknesses and learn to appreciate their differing abilities. These girls celebrate a well-played game not just wins — even when they are flying “solo” across the stage or gym floor, these girls are part of something bigger than just themselves. The training and learning that comes along with being coached or instructed differs from the learning that takes place in the classroom. It is an active learning— a combination of visual, aural and physical styles.

These sports build physical strength, endurance and social skills (cooperation, respect, leadership and sense of belonging) children often can’t get in the typical classroom.

Want to inspire your child to be all s/he can be? Encourage participation in sports! Even the youngest children can get involved in team sports— dancing, soccer, tee-ball, etc. Bring your children to watch school sports and encourage them to root for their team. If you don’t understand the sport you are watching, ask another parent on the sidelines to explain it to you and your child. Discuss what is happening on the stage or field and praise players for playing hard whether they win or lose. If a batter strikes out or a dancer falls, don’t be negative but encourage empathy. Dance studios often offer open houses to encourage participation; don’t hesitate to reach out to a studio and ask about watching a class or even “trying out” a class.

School-age athletes will certainly stun your child(ren) with their ability to leap, soar through the air, hit a ball that is speeding right toward them! They seem to fly — and appear to defy gravity. They will certainly inspire your child(ren)! So, with Halloween right around the corner, get your kids interested in more than Elsa or Arie! Even Superman can step aside for a year so that your child(ren) can dress up as their favorite high school athlete or as the athlete they want to be; it’s a great way to encourage your child(ren) to believe in themselves and their abilities!

## OCTOBER 26 CORTLAND HALLOWEEN TRICK OR TREAT & PARADE 2017 ONCE UPON A TIME

HISTORIC DOWNTOWN CORTLAND TRANSFORMS ITSELF into a fairytale setting for this year’s “Once Upon a Time” Halloween parade. All Cortland County children under 18 years of age and families are invited to participate in the parade and trick or treating hour which precedes the parade at 5:00pm. This year’s theme celebrates the Cortland Free Library.

The parade is made possible through collaboration between the Cortland Downtown Partnership’s Promotions Committee, Cortland Repertory Theatre Downtown, the SUNY Cortland Bike Program, Cortland Kiwanis Club, and Cortland Elks Lodge #748.

Cortland Elks Lodge #748 will host a spaghetti dinner 5:00pm – 8:00pm on October 13. Proceeds will be used to purchase prizes for the parade’s costume contest. Tickets are available now for the dinner through the Cortland Elks Lodge #748 Facebook page and at the door.

Cheerful and Creative, located at 31 Main Street, will host a decoration building workshop Saturday, October 14 at 10:00am and with the help of volunteers, will install decorations made at the workshop along the parade route.

Parade lineup begins at 6:00pm at the beginning of one-way Main Street, with parade start at 6:15pm, landing at the Cortland Repertory Theatre for costume contest awards. Those wishing to participate in the costume contest are encouraged to pre-register online and check-in at the Cortland Elks Lodge before 6:00pm in time for the start of the parade to receive their numbered contest paddles. Cortland Repertory Theatre Downtown receives parading children in the costume contest where emcee and theatre program director Kris Behnke will announce costume winners.

The planners of the parade are happy to announce this year’s esteemed costume contest judges:

Officer Jesse Abbott, City of Cortland Office of Community Oriented Policing

Mayor Hal McCabe, Village of Homer

Peter Blanchard, Cortland Voice Editor & Publisher

The public is also invited to vote this year to award a People’s Choice winner by posting the paddle number of their favorite contestant on the Cortland Halloween Facebook page by Friday, October 27 at 3:00pm.

The parade will be escorted by “glow riders”- bicyclists involved with the SUNY Cortland Bike Project. The group will light the way with glowing bikes and special bike floats that competed in a contest for best bike earlier in the day on campus.

Costume Contest registration forms are now available online with links on the event’s Facebook page: Cortland Halloween Parade, and at the Cortland Free Library. Day-of registration and check-in for the event will take place between 5:00pm – 6:00pm at the Elks.

Call 607.299.4682 or email [info@cortlanddowntown.com](mailto:info@cortlanddowntown.com) with questions, donations, volunteer opportunities, and for parade registration forms. Visit Cortland Halloween Parade on Facebook for updates.

SHIPWRECK AMUSEMENT CENTER  
BIRTHDAY PARTIES!

BIRTHDAY PARTIES ARE A GREAT boost to any child's self-esteem. Making them feel like kings (or queens) for the day is one of the best (and most lasting) gifts you can give them.

But where and how should you start? How about Shipwreck Amusement Center? We offer a large variety of options for your child's special day.

If you decide your home or apartment isn't suitable for a children's party, there are several options that come with obvious advantages (including being able to come back to a clean home after the children have been picked up). For a small fee, you can reserve our party room. We include everything from invitations to gifts for all guests. Pick your activity from bounce or mini golf. Our hostess will decorate your room, serve the food and clean up after the presents are all unwrapped. Add the treasure chest gem dig or stuff one of our plush animals. Whatever you need we will work with you to have the best birthday party ever!

Don't go it alone. Everything will be much easier when you have your birthday party or event at Shipwreck

Amusement Center. Our parties are the best value in the entire area.

TRIVIA QUESTION ANSWERS

1. No. A tire can be as much as 10 pounds per square inch (psi) low on air pressure and not show any outward signs.
2. Yes. The difference between an engine that lasts for the life of a vehicle and one that wears out too early is based on following the vehicle manufacturer’s oil and filter maintenance schedule.
3. Yes. An air filter traps dirt so small that it cannot be seen and can still be clogged with crud. Once the small passages in the filter designed to catch dirt get clogged, your engine can have trouble breathing. Your owner’s manual will contain a maintenance schedule.
