ADVANCED GRAPHICS WEAR & PROMOTIONS

Since the MID 1990s, Advanced Graphics Wear & Promotions, has been providing custom printed apparel to sports teams, small businesses and organizations in the area.

A subsidiary of Advanced Graphics Company, Advanced Graphics Wear & Promotions opened its doors in 1989 as Advanced Awards (name was changed in 2015), a full service awards and recognition business with the focus of providing our customers with a quality product at a fair price.

After a few short years of getting requests for custom printed apparel from local teams and businesses, Advanced Awards decided to venture into the decorated apparel business. From there, vinyl graphics was added making it possible to do banners and signs and thus what began as a little awards shop in a 16' x 16' office became a full service recognition and apparel decorating company.

Owner, Rosemarie Fralick, says, "What makes us unique from most garment decorators is we will decorate small quantities. Most decorators don't want the small orders but no matter how big or small you think your order is, we are here to provide you with the best possible solution to achieving the results you want whether it be through embroidery, engraving, screen printing, sublimation, imprinting heat transfer vinyl or some other method."

Need help with your design? Advanced can help you with that, too! Our graphic designers can take your idea from the proverbial paper napkin to the final product.

Turnaround times are 1 week to 2 weeks with the average being 1-1/2 depending on the size of your order. And customer satisfaction is of utmost important. If you're not happy with your order, then we are not happy.

Whether you are looking for a personalized gift, t-shirts for an event, an award for the volunteer that will do anything or a sign for your business, give Advanced Graphics Wear a call at 607-692-7875. Or check out our website at advancedgraphicswear. com and signup for a 20% discount code to help you with your holiday shopping plus you will be in on our Black Friday Specials! Have some questions? Give us a call and/or we can meet with you at your convenience. Of course you can always stop by our store at 2607 Main Street in Whitney Point, NY. We are open Monday thru Friday, 9 -5 and Saturdays 9 - 12. We'd love to meet you!

VILLAGE OF TULLY CELEBRATES SMALL BUSINESS SATURDAY ON NOVEMBER 25TH

This Nov 25, businesses in the Village of Tully want to share Small Business Saturday® with you! It's a holiday shopping tradition that celebrates small businesses that make our town "home". And it wouldn't be a celebration without customers like you joining us. This year, shoppers will receive a little extra incentive to visit all of their favorite places. Businesses around the Village will be handing out "Neighborhood Passports" for shoppers to get stamped every time they visit another small business. When they shop at other places later in the day, that stamp can get them holiday specials-like discounts, special offers, and free giveaways.

So mark your calendars for Nov 25 - the Saturday after Thanksgiving – and get ready to Shop Small® with us in Tully. Grab a friend or family member and come by – You can make a day of it! Relax with a hearty breakfast at the Cafe, grab a cup of coffee and check out local artist's work at the Tully Arts Council, shop village merchants for unique gifts, holiday décor and stocking stuffers, pick up delicious food and spirits at the Local Food Market and Wine Shop, and enjoy lunch or dinner at one of Tully's restaurants. After your passport has multiple stamps, turn it in to Nightingale's Tully Lakes Hardware and be entered to win a Gift Basket!

Check out the growing list of participating Tully businesses where you can start your shopping and pick up a passport! See the most recent list, as well as the latest news about Tully's

Small Business Saturday, and various business's hours and specials by visiting the Tully Lakes Hardware Facebook Page.

PAST PEDDLERS ANTIQUES

VE OFTEN HEARD IT SAID that Summer goes by too quickly. I find, especially this year, that Fall is seemingly the fleeting season. It seems like just yesterday we were decorating the shop with rich

golds, oranges and reds mimicking mighty maples and oaks that fill our landscape. Today I see the reds, greens and golds of sparkling ornaments and glass balls adorning pines that now stand tall in the center of the shop. Beads of gold, twinkling lights and shiny glitter spill throughout Past Peddlers Antiques, welcoming the fast approaching Christmas and Hanukkah Season.

Sadly, Veterans Day has become just another day off and Thanksgiving is sped through in hopes of filling holiday wish lists on Black Friday. Our family would like to take this opportunity to say a special thank you to all the veterans who served

for our country. We appreciate your service, now and always.

Past Peddlers has had many things to be thankful for over the years. We are grateful for those who helped to make my dream a reality from day one, who helped to shape and put some life back into an old barn that stands in the middle of Willet. We are thankful, and beyond appreciative, for our customers and friends that continue to keep us

in their thoughts when seeking a gift for another or an added touch of country prim to their own home.

I have watched antique shops around me close their doors in the recent past, and Past Peddlers Antiques has seen its hardships as well, but this Thanksgiving season I am thankful for the strength to strive to be bigger and better than ever. With the help of a very good friend, we have overhauled the entire shop, and are adding new technology that is re-shaping the business in order to share our treasures beyond our own community.

Past Peddlers Antiques will always continue to provide all the much loved cabinets and furniture that continues to stand the test of time. one-of-a-kind oddities, and repurposed pieces. Stoneware bowls, crocks ranging from one gallon to 30 gallons, old farm tables, and wooden advertising boxes and crates are among some of our favorite

Although we began years ago with only antiques, we now showcase primitive home decor, handmade crafts, quilts and quilted items. We offer primitive decor, ornaments and holiday favorites from Prims by Kathy; Black Crow Candle Co. Jar candles, warmer tarts and room sprays; a large selection of pip berry garland and wreaths; wool rugs and runners; timered candles in a wide variety of designs and colors; wrought iron candle holders, decorative hooks and chandeliers; and much, much more.

There really is something for everyone at Past Peddlers Antiques!!!

For the upcoming Christmas season we will be offering pre-made gift baskets, a custom gift registry, laya-way and gift certificates. Our gift basket selection will include a little something for a co-worker, teacher or best friend!

Some dates to add to your calendar Sunday November 26th, 2017 look for us at Three Bear Inn in Marathon, NY for their Annual Holiday Mall: December 2nd and 3rd at Past Peddlers Antiques for our Annual Christmas Open House.

We are open Thursday thru Sunday 10-5, other times by chance or appointment. You can call/text ahead, 607-345-8810, find us at Past Peddlers Antiques Willet on Facebook or just stop by the "Big Red Barn Behind the Willet Ballfield".

AUTUMN ARRIVES AT THE CINNAMON APPLE COTTAGE

 ${\tt NOTHERGROWING\,SEASON\,IS\,BEHIND\,us\,at\,Valley\,View\,Gardens}$ ${f A}$ and what a challenge it has been! Seemingly beneficial, the heavy rains this spring and summer were a deterrent to gardening and landscaping. Eventually, the rains subsided, thank goodness, and then the fun began as gardeners emerged from their houses to play in the garden! It was a challenging growing season, but it also provided opportunities for us to learn how to care for landscapes overwhelmed by too much water and to observe how they recovered with a little 'tender

At this time, we commence another lovely phase at Valley View Gardens and The Cinnamon Apple Cottage! Autumn provides an opportunity for reflection, as we observe the beauty of nature displayed on hills and gardens glowing with color and texture. Equally significant, autumn is an opportunity for practicing inner beauty, as we look inside ourselves, evaluating our year and how we've changed and grown or need to grow in the future.

Showing love and appreciation for our family and friends is big part or who we are and what better time than during the Christmas holiday season? The Cinnamon Apple Cottage would love to help you achieve this by presenting a considerable and varied choice of quality giftware. The Cinnamon Apple Cottage provides gift ideas for all the people in your life. Musical clocks, artwork, fragrances, whimsical everyday décor and holiday decorations; tempting things to eat, holiday music; gifts for men, women and children are only some of what you will find at the Cinnamon Apple Cottage.

Each time you shop at CAC during this shopping season, you will be given a 'Cinnamon Apple Buck', providing a 10% discount, to be redeemed on your next visit, on one regularly price or sale item. We appreciate your patronage and wish to make your visit rewarding and reasonable!

Each Saturday, beginning November 11 through December 23, you will enter an enchanting world at The Cinnamon Apple Cottage's 'Open House Saturday', during which we offer mulled cider and baked goods to nourish you as you shop our ten charming showrooms! Come one, come all! Experience The Cinnamon Apple Cottage phenomena!

Our hours before Thanksgiving will be: Monday through Thursday, 10 o'clock to 5:30; Friday, 10 o'clock to 6; and Saturday, 10 o'clock to 4. We are closed on Thanksgiving Day and will open early on Black Friday at 8 o'clock to 6. After Thanksgiving, The Cinnamon Apple Cottage will also be open on Saturdays, 10 o'clock to 5 and Sundays, November 26 through Christmas Eve, December 24, from 11 o'clock to 4 for your shopping convenience! > **MIKE'S FISH TANK DWARF GOURAMIS**

WARF GOURAMIS ARE GENERALLY PEACEFUL fish, although sometimes they can become aggressive. They do well in most community aquaria and they are good with most fish: platys, Mollys, catfish etc. They require a tank that is at least ten gallons. They are usually found swimming on the middle to top regions of the aquarium because gouramis are labyrinth fish - they can breathe oxygen from the air through their labyrinth organ if necessary. It is important, therefore

that the surface of the water be exposed to fresh air. This is usually accomplished by using a hood that allows air ventilation. If efficient air pumps are used, this is not always needed, since the air pumps will refresh the air above the

A varied diet is very important to the dwarf gourami, which is an omnivore that prefers both algae-based foods and meaty foods. An algae-based flake food, along with freeze-dried bloodworms, tubifex, and brine shrimp, will provide these fish with proper nutrition.

Dwarf gouramis are so docile that they will allow themselves to be bullied to death rather than fight back. The males of larger gouramis species, such as blue, gold, opalines may also bully dwarf gouramis. Despite their shy and docile nature, they are sometimes aggressive towards fellow male dwarf gouramis. Each fish tends to establish a territory, and hiding places are a must. Loud noises often scare them, so the tank should be in a quiet area. Regular water changes are necessary, as this fish prefers nice clean water.

Dwarf gouramis are tolerant of fairly high temperature. This can be used to eliminate fish diseases such as ich from the

Temperatures of 80 °F are easily tolerated. A darker substrate will help show off the gouramis' colors.

Female dwarf gouramis are a thing of the past. They are not very colorful and so the fish farms stock mainly the males.

Powder blue, Turquoise, Red rainbow, and Rainbow are a few of the most common colors of the male dwarf gouramis. They are all stunning with very vibrant coloration.

THE SECOND KNOB **GIFTS & ANTIQUES**

129 North Street, Dryden (607) 844-5662

As Halloween passed, the now-familiar, anxiety-producing holiday "push" swept over us. We spent an entire day packing Halloween, rearranging the remaining fall merchandise and bringing boxes of Christmas/winter merchandise out of storage. Preparing for this weekend's holiday open house (being held on Saturday 11/11 and Sun 11/12) will take all week! It is far beyond a one-day job. As we unpacked the first few boxes, Laura, Lexi and I arrived at a consensus— we needed Christmas music to put us in the mood. After hours, we weren't even close to being finished! Over the past seven years, if my Dad (Co-Owner) and I have learned anything, it is that EVERYTHING will take more time than anticipated and, moreover, that running a shop IS NO EASY TASK. More than time consuming, operating a shop is money-consuming.

Over the years, we've experienced ups and downs, successes and failures. We jumped head first into new product lines which have helped— and some which have hurt. During our first couple of years in business, it was very easy to be cajoled into believing that new merchandise featured at a show would be "the next big seller." Thousands of dollars were spent on new merchandise after a nothing more than a creative sales pitch. Investment in costly product lines that do not bring profit, impact the bottom line tremendously; the product bill is due but the money is missing. Thankfully, we learned control quickly and grew wise to "the pitch" but paid more attention to "the product" and to how a product will sell in our area - in our shop- to our customers.

As we head into our seventh year of The Second Knob Gifts & Antiques, we recognize a need for change to keep up with our ever-changing customer base. Recently, we welcomed Carolyn Morenus, owner of The Silver Zoo, who has consigned a beautiful line of sterling silver jewelry to the shop! Carolyn will manage the inventory she keeps at the shop, swapping items that do not sell well for items that do and honoring customer requests for specific pieces when possible! This new relationship benefits both The Second Knob and The Silver Zoo! We've struggled with keeping a "fresh" jewelry line over the years. Investment in jewelry is costly and, when a fad passes, you can be "stuck" with a line that doesn't sell no matter how much you drop the price (often well below cost). As shop-owners, we are benefitting by not having a huge upfront investment in product and Carolyn benefits by having a regular-steady venue for selling her jewelry! And, more important to us, is that our customers are benefitting from Carolyn's expertise in the jewelry arena and her management of her inventory to keep the line "fresh" and responsive to customer needs! It is a win-win-win!!

As we move into the new year, we are taking this forwardthinking "win-win" mentality with us. We have started exploring other consignment relationships and the idea of renting display space for locally-made gifts and home decor. These impending changes are exciting for us and will be for our customers! Stay tuned for changes to The Second Knob Gifts & Antiques and ask us about our plans when you come to our Holiday Open House this weekend!

> URING THE COOLER SEASONS MANY people think they can put their sunscreen away, but it is important to practice sun safety all year round. Even during the winter months, 80% of the sun's ultraviolet radiation are able to penetrate through the clouds.

From raking the leaves and shoveling snow to winter sport activities, it is important to remember sun damage is cumulative. For those who enjoy hitting the slopes to ski and snowboard, the combination of higher altitude and UV rays reflected by the snow puts these individuals at increased risk of skin damage. The snow reflects up to 80 percent of the UV light from the sun, therefore you are getting exposed to the same rays twice, increasing the risk of damage.

It is always important to be mindful of time spent in the sun, regardless of the season. Enjoy your winter activities, but take care of your skin as you would during the other months of the year to avoid the damage that can occur even during the cooler

Effect of filing: All persons having or claiming to have an interest in the real property described in the Petition are hereby notified that the filing of the Petition constitutes the commencement by the County of Cortland (the "Tax District") of a proceeding in the court specified in the caption above to foreclose each of the tax liens therein described by a foreclosure proceeding in rem.

Nature of proceeding: This proceeding is brought against the real property only and is to foreclose the tax liens described in the Petition. No personal judgment will be entered herein for such taxes or other legal charges or any part thereof.

Persons affected: This notice is directed to all persons owning or having or claiming to have an interest in the real property described in the Petition. Such persons are hereby notified further that a duplicate of the Petition has been filed in the office of the Enforcing Officer of the Tax District and will remain open for public inspection up to and including the date specified below as the last day for redemption.

Right of redemption: Any person having or claiming to have an interest in any such real property and the legal right thereto may on or before said date redeem the same by paying the amount of all such unpaid tax liens thereon, including all interest and penalties and other legal charges which are included in the lien against such real property, computed to and including the date of redemption. Such payments shall be made to Cortland County Treasurer, County Office Building, 60 Central Avenue, Cortland, New York 13045. In the event that such taxes are paid by a person other than the record owner of such real property, the person so paying shall be entitled to have the tax liens affected thereby satisfied of record.

<u>Last day for redemption</u>: The last day for redemption is hereby fixed as February 8, 2018.

Service of answer: Every person having any right, title or interest in or lien upon any parcel of real property described in the Petition may serve a duly verified answer upon the attorney for the Tax District setting forth in detail the nature and amount of his or her interest and any defense or objection to the foreclosure. Such answer must be filed in the Office of the Cortland County Clerk and served upon the attorney for the Tax District on or before the date above mentioned as the last day for redemption.

Failure to redeem or answer: In the event of failure to redeem or answer by any person having the right to redeem or answer, such person shall be forever barred and foreclosed of all his or her right, title and interest and equity of redemption in and to the parcel described in the Petition and a judgment in foreclosure may be taken by default.
