#### MIKE'S FISH TANK GLOFISH

GLOFISH ARE ALL THE RAGE now.Very popular fish. They started out as zebra danios but now there are glo barbs, glo tetras and glo barbs. The newest fish to the glofish family are the glo sharks.Right now the glo sharks just come in 2 colors, yellow and purple. The glo barbs just come in red and green. The glo danios and glo tetras come in 6 colors Every kind of fish has its own temperature preferences.In general, GloFish prefer temperatures of 75-80°f. The most important thing to remember is to avoid quick temperature changes, since these can cause ick and other fish diseases.

GloFish are relatively hardy, easy to keep, and get along well with other fish. However, not all fish are this way, so if you have other fish in your tank or are adding new fish to your GloFish tank, be careful to choose fish that can all live together in a similar environment. Here are a few key points that may be helpful: Like their non-fluorescent counterparts, GloFish are schooling fish and should ideally be kept in groups. This is particularly important with GloFish Barbs. Glofish like filtered water, so a filter is important for your glofish to do well.

Be sure not to crowd too many fish into a tank. Please avoid keeping fish (even just one glofish) in a small bowl. Betta fish do the best in small bowls.

GloFish fluorescent fish thrive in all types of settings, including homes, offices, and classrooms. However, it is

important that you do not place the tank in direct sunlight or close to a heating or cooling source. This will cause algae growth and can cause unwanted temperature changes.

# DERMATOLOGY ASSOCIATES OF ITHACA WHAT IS PSORIASIS AND

HOW DO I TREAT IT?

3773 Luker Road
Cortland, NY 13045

P: (607) 257-1107

F: (607) 257-0369

TUSTLY NAMED THE "HEARTBREAK OF psoriasis," psoriasis affects 7 million adults in the US. Named after an ancient Greek word meaning an itchy or scaly condition, it is an immunemediated inflammatory disease of the skin. There are various triggers including stress, injury to the skin, medications, infection and the ever-changing weather in Central New York!

Caused by increased activity of the immune system, which causes redness, scale, and sometimes itch, it commonly appears on the scalp, elbows and knees. It has become increasingly important to treat psoriasis because although it was once thought of as a skin diseasethat sometimes affected the joints, we now know it can affect other organs in our body causing heart disease, diabetes, obesity, inflammatory bowel diseases such as Crohn's and ulcerative colitis, and even depression. Like many diseases, living with psoriasis has its unique challenges. Today, there are many new and effective treatments including topical medications such as steroids and vitamin D containing creams. Some cases may need a systemic treatment such as light therapy or oral medications (adding a fish oil supplement has shown to be helpful). In Central New York, Dermatology Associates of Ithaca has one of the few Ultraviolet B phototherapy booths. For those with widespread psoriasis, injected biologic medications may be a more convenient and effective option than topical medications or light therapy. Aside from medical treatments, exercise and good lifestyle choices will always be important. Taking steps to reduce stress and eating a well balanced diet can help to keep the skin healthy for everyone!

Dr. Josephine C. McAllister is a board-certified, Harvard trained dermatologist who has selectively chosen and mentored her team of five Physician Assistants with a mission to make dermatologic care more accessible to patients. They are excited to welcome patients to their new office, conveniently located in Cortland at 3773 Luker Road.

special holiday themed events! On December 8th we will be hosting the White Chapel Bell Ringers along with the Homer Brass Band to bring you our annual "Christmas Music Fills the Air" gathering. This event will take place from 6 to 8pm on that Friday night and admission is by donation only! The very next day on December 9th we will be hosting a special "Train Day" with a holiday theme! The event will be from 10 until 3pm that Saturday. This event is special because our featured conductor for that weekend, "Doug Deer," has been hard at work updating our model train display. It now has a motion sensor so it lights up as you walk towards it, and it now features buttons lining the sides making it interactive for all ages! Bring the kids or take a trip back to your own childhood with our "Train Day" Saturday, December 9th! Even if you're not into trains, we have three museums on site for you to explore! Learn about the history of Brockway Trucks that were made right here in Cortland or go back in time and explore our 1930's dairy barn and learn what agriculture drove and still drives today throughout all of Cortland County. Last, and certainly not least, is Homeville which tells the local history of the area as well as an extensive collection of over 10,000 military related artifacts and uniforms. Come down to the CNY Living History Center today and take a walk through history with us!

### **EAST SIDE BAKERY**

TRAVEL TO THE EAST SIDE of Cortland to 122 Elm Street and you'll smell the delicious aromas of fresh baked bread, cakes, cookies and pastries. Come inside and you will find a small, family owned place appropriately named The East Side Bakery. Tim and Christine Armstrong, owners and operators since the spring of 2005, love to cook and bake, and there is nothing more fun than sharing that love with family and friends. "The East Side is our second home, so everyone who comes into the bakery becomes like a second family to us." Says Christine. Besides baking Fresh Italian Breads everyday the "old school way", Tim makes 12 grain wheat, rolls, and specialty breads such as Olive Ciabatta, Focaccia, and Garlic Braids. They have a full line of Made from Scratch Cookies and Pastries, made fresh daily, as well as Specialty Cakes to order. Tim and Christine would not be able to do all of these things without help, and that help includes Tim's right hand men, Devon and Dakota, and his Mom, Beverly. They are the best employees ever!

Are you looking for something different for dinner? Thursday and Fridays are "Pizza Night" at the East Side, where you can order a home style Pizza, Oven Baked Chicken Wings, Calzones, or a great Antipasto Salad. Tim makes delicious Italian Sausage and House Smoked Pepperoni, as well as Breakfast Sausage and our House Cured and Smoked BACON. Pick up one of the many varieties of Homemade Pasta and you'll have the perfect Italian Feast! The East Side Bakery also offers an assortment of Quality Italian Meats and Cheeses. Do you have a special event coming up? Let East Side take care of all of your catering needs.

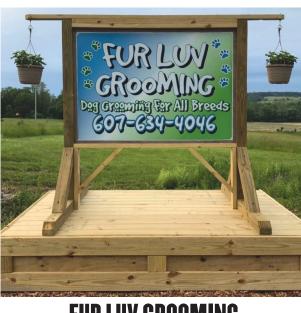

The Bakery is open Tuesday and Wednesday from 7am-5:30pm, Thursday and Friday from 7am-7pm, and Saturdays from 8am-2pm. Check out our website eastsidebakerycortland.com for more info! Also, visit us on Facebook at "East Side Bakery." Holidays are a special time for the Bakery, come in and you'll find the whole East Side Family working overtime to bring you amazing treats for your celebrations. You might even catch little Asher putting the sprinkles on the cookies! We hope to see you soon, come in and become a part of our East Side family. Merry Christmas and have a very Happy New Year!
