CORTLAND CO JUNE DAIRY PARADE

JUNE IS NATIONAL DAIRY MONTH and for many decades Cortland County has celebrated its largest industry with a parade unlike any other in the county.

Held annually on the first Tuesday in June, The Cortland County June Dairy Parade consists of nearly 100 entries that include area businesses, non profit organizations, local youth groups and high school bands. All entrants honor the importance of the dairy industry in Cortland County by promoting dairy in their entries.

The parade steps off at the corner of North Main St. and Lincoln Avenue in Cortland at 6:30 p.m., continues down Main Street, and ends at the corner of South Main Street and Huntington Street in the city of Cortland.

Immediately following the parade, parade winners will be announced and the 2018 Cortland County Dairy Princess will be crowned on the Cortland County Courthouse steps.

Please join us on Tuesday, June 5, and help us honor the dairy industry and your local dairy farmers.

SUMMER

July 19, 20, 21 & 22, 2018

THE FINGER LAKES GRASSROOTS FESTIVAL is a mission-based (501-c3) organization that works to nurture local artists and talent while reaching around the globe to bring world music and culture to new audiences, creating environments that inspire creativity and foster community building.

The festival is presented over a four-day period (Thursday-Sunday) on four stages, which run ridiculously long hours to accommodate the 80, some bands that play the festival. GrassRoots doesn't hesitate to bring you great music you've never heard of before. Every year wonderful new bands are

discovered and presented along with many old and true friends. Check out the list of previous years artists for a general idea of what's in store for the future. To learn more about how the festival all began, please visit our History page.

GrassRoots is the second to last weekend in July, which is also in many years the third weekend of the month (the exception being when there are 5 weekends in the month). It is held at the Trumansburg Fairgrounds in Trumansburg New York, located about 10 miles north of Ithaca NY on the west side of Cayuga Lake in the very scenic Finger Lakes region of central New York.

For over 25 years, the organization has served to both engage and give back to the local and regional communities in which it exists by providing financial and organizational support to impact positive change. It's all about having a grand time and generating a feeling of community, but the impact of GrassRoots expands far beyond that which occurs during the four-day festivals.

THE 2018, 144TH EDITION OF the Broome County Fair includes attractions such as high wire acts and children's activities. We also will have our beauty pageant, our event-opening parade, "open" exhibits, 4-H exhibits and shows, the King Arthur Baking Contest (cookies this year), the Demo Derby and the horse pulls, truck pulls, the out of field tractor pulls, semi-truck pulls, the semi truck parade and the modified tractor pulls. Stop by and visit our vast array of food vendors and of course, take your chances at the games and ride the great rides provided by the Gillette Shows. Please visit broomecountyfairny.com for dates and times.

FALL

15TH ANNUAL WHITNEY POINT FALL FESTIVAL

THE GREATER WHITNEY POINT COMMUNITY Planning Committee Corporation is pleased to announce that plans for the 15th annual Fall Festival are well underway. This year's festival will be held on Saturday, October 27th.

The entertainment line-up includes a wide variety of performers. Doug Rougeux, Rougeux, better known as "The Bubble Man", takes bubble making to an entirely new level. He uses wands, straws, his bare hands, and his "Super-Duper Bubble Hoop" to create bubbles. He can make kissing bubbles, attacking bubbles, tight-rope walking bubbles, spaceship bubbles, popcorn bubbles, bubble chains, and bubbles dancing to music. He can even make a bubble with a person inside. Rougeux uses elements of clowning, mime, slapstick, juggling, and magic to enhance his bubbler.

Ron Cain, of Cain Magic Company, will present a family show at 3:00 in the TRA auditorium. Mr. Cain, a magician and wizard, performs at libraries, schools, festivals, businesses and family parties throughout the state. Television viewers

have enjoyed his work on the PBS show "Pappyland," televised nationally on the Learning Channel, and "Saturday Showboat," produced by NBC's Syracuse affiliate. He belongs to the Society of American Magicians and the International Brotherhood of Magicians, which inducted him into its Order of Merlin. Before his show, Ron Cain will be sharing balloon art with Fall Festival attendees.

Kevin LaDue of LaDue Music Company, Whitney Point, will share acoustic guitar music and vocals in the TRA gymnasium as part of the Craft Fair. Meredith Kohn Bocek of The Harp Studio in Apalachin, and Curt Osgood, an accomplished hammer dulcimer player from Binghamton will play in the "little" gym as part of the Triangle Quilt Guild quilt display.

The Stoutmen will be performing at Sparky's Pub and Grill at the Oakland Hotel Their strong, straightforward singing of traditional songs is in the style of the Clancy Brothers & Tommy Makem, Dubliners, and Wolf Tones. They present a great mix of powerful rebel songs, jovial drinking songs, toe-tapping reels and beautiful Irish ballads.

The festival will include a craft and vendor fair. There will many other activities, demonstrations, contests, and exhibits. There is sure to be something for everyone! Check www.whitneypointfallfestival.org this summer for more information.

This project is made possible with public funds from the Chenango Arts Council's Decentralization Program, a re-grant program of the NYS Council on the Arts, with support from Governor Cuomo and the NYS Legislature.

AIELLO'S HISTORY

THE AIELLO FAMILY MOVED TO America from Sicily, Italy. Calogero (Charlie) was born in the village of Partanna and Vincenzo (Vinnie) was born in Alba, in the Piedmont area of northern Italy.

Having grown up in and around restaurants and in Mama's always busy kitchen, the family moved to Whitney Point where Vito (Papa) opened Aiello's Ristorante in May of 1982 for his two sons to operate.

The friendliness of Whitney Point has allowed Aiello's to grow from a small pizzeria to the comfortable full service restaurant you enjoy today.

It is important to us that you know we use fresh herbs, spices, cheeses and imported 100% olive oil in our kitchen. The finest raw ingredients we can find assure you of the highest quality experience.

DRAGONFYRE DISTILLERY OFFERS A UNIQUE experience in a fun and friendly atmosphere for people to enjoy. Come have a taste, take a tour and talk with the owners, Vince and Donna Pedini, about their passion for craft whiskey.

Vince hand built the 25 gallon copper still, along with most of the equipment that is used to make their small batches of corn whiskey, bourbon and apple brandy. Due to the size of their production process, Dragonfyre whiskeys are only available at the distillery. They will be releasing their first batch of bourbon this summer, and are also working on a maple whiskey.

Donna painted and decorated the tasting room and gift shop in a medieval style, complete with knights, dragons and fairies, where you will find locally handcrafted jewelry, candles, notecards and more.

Tours of the distillery are free, and offer an informational and in-depth look at how whiskey is made from start to finish.

End your tour with some tastes of their smooth sipping whiskeys and pick up a bottle to take home!

IF YOU ARE FAMILIAR WITH the CNY Living History Center and our mission, then you would know that we switch out our displays and exhibits once a year. We are unique in many aspects, one being that we house three different museums each catering to three different aspects of history and all three of them change once a year, which takes a lot of time and effort. This year we are taking extra efforts to build on the creativity we had last year with our exhibits. Get a glimpse below into what our exhibits are going to be like!

The red barn in our lot houses our TOYS, or Tractors of Yesteryears, collection. The barn has a main floor as well as a section named “Grandma’s Kitchen and Parlor.” Together these two sections symbolize what everyday life was like on in your typical rural household hold in a time past. This year on our main floor we have a tractor display that we are calling, “You Saw It Here First!” The idea behind this display is to showcase some tractors that had been designed to have a significant feature, something that made changes to tractor manufacturing or improved farming efficiency. Also in our display cases on the main floor we will have different agricultural hand tools. These are to give the visitor a look into what farming was like before it was modernized and mechanized like we see today. In “Grandma’s Kitchen, Parlor, and Laundry,” we have a main display describing how butter was made back when people used to make it themselves at home. The display will feature butter making tools and utensils that will paint the picture of life in years past. This main display will tie into the additional displays that will feature other homemade goods that were often times bartered for different goods like flour, salt, or sugar.

Our Homeville museum houses the entire Eaton Collection pertaining to military, local, and national history and is truly a one of a kind collection. In its entirety, there are over 10,000 artifacts in the collection. This is one of the many reasons why our displays switch over because if they didn’t in Homeville then a majority of the Eaton Collection would go unseen, packed away in storage. Our curator and volunteers do an amazing job each year of bringing new and exciting displays to life. This year we struck gold with one donation from a local resident which was a diary from a Japanese soldier describing his final days and the final days of World War II. This

diary will be brought to life with a cave display and true to life mannequin all with translations from the diary in Japanese as well as English from one of our talented volunteers. Another special display we have planned for this year is our new display remembering General Levi Chase of Cortland County, and we have brought in his own grandson, Bill Chase, to help curate it for us. We also plan on building a Civil War field camp display that will showcase different aspects of a soldier’s life living and fighting on the battlefield in the 1860’s. These are just a few of the many changes that will be happening Homeville for 2018.

For the Brockway museum well, if you attended last year’s truck parade, then you no doubt saw maybe one or two of the truck we will have on display for this year. You see, our curators in with BTPA, or Brockway Truck preservation Association, look back on the truck show registrations to see which ones they would like to bring back for the display. Last year we managed to have 2016 Trucker’s choice Award winner leave his truck on display. We had over 135 truck registrations to choose from for this year’s display, but our curators are keeping it a secret so you’ll have to come see them for yourself!

All of these displays talked about in the article plus others that have not been mentioned will be unveiled the third weekend in May so make sure to mark your calendars! In the meantime, you can find out more about us and the CNY Living History Center on our website at www.cnylivinghistory.org and follow us on Facebook and Instagram.

FROG POND FARM ART GALLERY

WE ARE AT OUR HOME and studio in NC working on fresh sculptures to bring back to New York in May for our Spring opening. We have been commissioned to do a park bench for the town of St. Pauls, NC for their War Memorial Park, with a patriotic theme. This is in addition to our commission to do a 911 Memorial sculpture for the Cortland Court House Park in Cortland, NY. It is an honor to be chosen. This has been a difficult winter all over and we look forward to sprucing up the Frog Pond Barn and introducing our new work, when we open with regular hours. Hope all our neighbors and friends will stop by to say hello. If no one is around the gallery, please call our cell: 910-749-3749 and we will meet you there for a sneak peak. See you the middle of May! Hope the snow is melted by then!

FROZEN OCEAN MOTORSPORTS FACILITY

FROZEN OCEAN MOTORSPORTS FACILITY BEGAN in March of 1987, when the Denman family carved the track out of their back pasture fields. For more than 30 years, Bill Denman and his sons put their blood, sweat, and tears into making Frozen Ocean one of the greatest motocross tracks in the country.

On Bill Denman's 80th birthday, he passed the torch to Ryan Walczak. Ryan first rode the challenging course as a young teen. It was actually the first track he ever practiced on. Now, with the help of his wife Jessica, friends, and family, he will assist the Denman's in continuing the legacy of Frozen Ocean.

Currently, the facility sits on 66 acres overlooking Skaneateles Lake and the surrounding Finger Lakes area at 4415 Vanderstouw Road, Auburn. There is a challenging Night Cross

track, a Super Cross track, a practice track for 50cc riders, an off-road track for ATVs and side x sides, and a clay oval for go-kart racing. Frozen Ocean is a full-service facility with a pavilion, flush toilets, concession stand and merchandise for sale.

Frozen Ocean also hosts "mud bog" family friendly events for all ages with free wagon and fire truck rides throughout the day. They also have a concession trailer at all events and live bands most of the time. Anyone who comes for an event weekend can also camp for no additional cost.

Like and follow their facebook page for the most up to date info and details about all events and schedule. (Frozen Ocean Motorsports Facility) and frozen-ocean.com The friendly and knowledgeable staff at Frozen Ocean are here to ensure that every visitor has a great time and everything they need. Frozen Ocean will remain a family oriented place where everyone can come to have fun. The Walczak family invites you to come out to Frozen Ocean as we continue to improve and expand our offerings on an already extraordinary track! Call 585-721-6316 with any questions.

FINGER LAKES MICROD CLUB – 36 SEASONS KEEPING RACING AFFORDABLE FOR A LARGE NUMBER OF PARENTS!

Our Goal is to Keep it Affordable:

Remember you don't have to buy a Microd to race with us! Is a popular and common phrase you hear when you are talking to a Club Members about joining our racing club. F.L.M.C. rents microds, so that family's can try racing without the expense of having to buy a microd, motor, & a trailer to get started. The cost of doing this is very affordable, exactly \$480.00 for the entire summer. (The season lasts from May to September) One of our Club's Best Features is the opportunity to Try-Out. Where a parent can bring their child & let them try driving a Microd for 10 laps or so, at no charge. Another Plus is parents don't have to have a great working knowledge of mechanics in order to compete. (older members share knowledge & expertise with new members) Here at Finger Lakes we have been able to keep our costs stable, which were the lowest of any microd club to start with.

We also want everyone to Know "F.L.M.C. Welcomes & encourage All Special-Needs Kids to Race with Us!"

The Club has 5 Microds with Hand controls for Kids in Wheel-Chairs! In addition we have had & worked with Kids with Hearing Impairment, Asma, ADHD, Autistic, Spina Bifida, Paralysis, Mentally Challenged, Rasmussen's Encophalitis, & Bi Polar Disorder. We Welcome anyone with a desire to try racing, that has a special needs. Please Give us a chance to help!
