PROZEN OCEAN MOTORSPORTS FACILITY BEGAN in March of 1987, when the Denman family carved the track out of their back pasture fields. For more than 30 years, Bill Denman and his sons put their blood, sweat, and tears into making Frozen Ocean one of the greatest motocross tracks in the country.

On Bill Denman's 80th birthday, he passed the torch to Ryan Walczak. Ryan first rode the challenging course as a young teen. It was actually the first track he ever

practiced on. Now, with the help of his wife Jessica, friends, and family, he will assist the Denman's in continuing the legacy of Frozen Ocean.

Currently, the facility sits on 66 acres overlooking Skaneateles Lake and the surrounding Finger Lakes area at 4415 Vanderstouw Road, Auburn. There is a challenging Nightcross track, a Supercross track, a practice track for 50cc riders, an off-road track for ATVs and side x sides, and a clay oval for go-kart racing. Frozen Ocean is a full-service facility with a pavilion, flush toilets, concession stand and merchandise for sale.

Frozen Ocean also hosts "mud bog" family friendly events for all ages with free wagon and fire truck rides throughout the day. They also have a concession trailer at all events and live bands most of the time. Anyone who comes for an event weekend can also camp for no additional cost.

Like and follow their facebook page for the most up to date info and details about all events and schedule. (Frozen Ocean Motorsports Facility) and <u>frozen-ocean.</u> com

The friendly and knowledgeable staff at Frozen Ocean are here to ensure that every visitor has a great time and everything they need. Frozen Ocean will remain a family oriented place where everyone can come to have fun. The Walczak family invites you to come out to Frozen Ocean as we continue to improve and expand our offerings on an already extraordinary track! Call 585-721-6316 with any questions.

Join us September 13 thru September 15 for our "Frozen Ocean Thunder in the Hills Mud Bog"! We are super excited to be taking the mud bogs to the next level. We will still have all the tracks and pits open for anyone who wants but we are also going to have mega truck competitions, music and more! Many more details will be posted as we get closer! CRT PRESENTS "SLEUTH" AND "MILLION DOLLAR QUARTET" IN AUGUST

TEXT UP IN THEIR 48TH annual summer season, Cortland Repertory Theatre proudly presents the exciting thriller comedy Sleuth written by Anthony Shaffer, running from August 14th - 24th, and closes their summer with the hit "rockabilly" musical Million Dollar Quartet by Colin Escott and Floyd Mutrux, running August 28 - September 13. Tickets may be purchased by calling 800-427-6160 or at the CRT Box Office at 24 Port Watson Street in Cortland. Tickets

are also available for sale 24 hours a day through the CRT website at www.cortlandrep.org. CRT cautions that this is the only approved online ticket service; other online sites charge significantly higher rates for tickets and are NOT approved by

In the Tony Award winning thriller/comedy Sleuth, the ultimate game of cat- and-mouse is played out in a cozy country house, owned by celebrated mystery writer Andrew Wyke (played by Greg Bostwick). He invites Milo Tindle (Nicholas Wilder), a young rival who shares not only Wyke's love of the game but also his wife, for a seemingly "congenial" visit. Revenge is devised and murders plotted as the two work together (or do they?) to plan the ultimate whodunit. But things are not always as they seem - right up to the thrilling conclusion! A neat, clever little mystery for any amateur sleuth. Sleuth is directed by Trey Compton, who previously directed Legally Blonde this summer, and was nominated for a SALT Award for direction last summer for Rough Crossing.

In Million Dollar Quartet, imagine seeing an actual incredible event take place! On December 4, 1956, an extraordinary twist of fate brought Johnny Cash, Elvis Presley, Jerry Lee Lewis and Carl Perkins together at Sun Records in Memphis for what would be one of the greatest jam sessions ever. That night comes to life with an irresistible tale of broken promises, secrets, betrayal and celebrations that is both poignant and funny. This smash-hit musical features an incredible score of rock 'n' roll, gospel, R&B and country hits including Blue Suede Shoes, Great Balls of Fire, Walk the Line, Sixteen Tons, Who Do

You Love?, Folsom Prison Blues, Whole Lotta Shakin' Goin' On, Hound Dog, and more! Million Dollar Quartet is co-directed by CRT Producing Artistic Director Kerby Thompson and Todd Meredith, who will also serve as Music Director and will play Carl Perkins.

The cast is primarily comprised of actor/singers making their CRT debuts: Colin Barkell will portray Johnny Cash, Noah Jermain will play Elvis Presley, and Equity Guest Artists Gavin Roher will appear as Jerry Lee Lewis. Emily Seibert will play Dyanne, Elvis's date for the night, with Bobby Becher as Sam Phillips, the person widely considered to be the Father of Rock and Roll. Playing Fluke, the drummer, will be Michael Lucetti, and as Brother Jay, the bassist will be Nathan Yates

11TH ANNUAL VERNE MORTON MEMORIAL PHOTOGRAPHY SHOW & CONTEST

THE TOWN OF GROTON WILL sponsor the 11th Annual Verne Morton Memorial Photography Show & Contest at the Groton Town Hall, 101 Conger Boulevard, during Groton Olde Home Days. An Open Gala with light refreshments will be from 6:00pm to 8:00pm on Friday, August 23, 2019, and the show will be open on Saturday, August 24, 2019 from 10:00am to 5:00pm. Verne Morton, who was born in Groton in 1868, took over 1,200

photographs during his lifetime, most of which were taken in his hometown of Groton. Morton's subject matter included nature. animals, small children at play, the homes of his neighbors, and people living and working in the rural countryside. His photos of local flora and fauna were used in many Cornell University bulletins publications. Known as the photographer who "made the commonplace compelling," he had a unique ability to see the natural beauty and grace that existed right outside his door. His beautiful and artistic compositions initially draw us to his photographs, but the visual story that is told and the documentation of life gone by is what makes his work a historical local treasure. (Verne Morton's photographs, glass plate negatives, and extensive journals are part of the collection at the History Center in Tompkins County.) We are celebrating Verne Morton and his treasured photographs, Groton's past, the present as it exists today in our community, and photography as an enduring art form. Now in its 11th year, the photography show was created by and has been successfully administered from the start by April Scheffler, Groton Town Clerk, and Robin Cargian, Deputy Clerk. In 2009, April and Robin were looking for an idea for an event to complement the many artistic venues taking place during Groton Olde Home Days. When they decided to try a photo contest, Robin said, "Let's make it all about Groton. Let's make it all about us," and with that, the Annual Verne Morton Memorial Photography Show & Contest was born. All photos must be taken within the Town or Village of Groton.

The emphasis is on getting people to look around and see what is interesting or beautiful in the Groton community, to take that photograph, and to help create a compelling pictorial history for future generations just as Verne Morton did.

Photographers from anywhere, of any age, are invited to enter up to two 8" x 10" photographs. First, second and third place prizes are awarded in each of five categories: People, Places, Animals, Weather, and Botanicals. Prizes are also given for the Peoples' Choice Award, the Morton Legacy Award, the Producers' Choice Award, the Rural History Award, and Best in Show. Photos must be taken within the Town or Village of Groton. Come to Groton and join the fun either by entering the contest or just stopping by to enjoy the show.

The Old Little York show had people from all around the CNY area attending.... and this writer feels that the NEW Little York Park location will double the shows attendance.

In the HIGH PERFORMANCE WARS... the Dodge Viper has ceased production and the Chevrolet Corvette just announced the all NEW C8 Model and did you hear? The New Chevrolet Corvette will be a MID ENGINE design!

Now before you get all worked up... did you know that the Father of the Corvette, Zora Duntov, originally wanted the Corvette to be a mid engine car. Better balance and many other reasons, all of which GM/Chevrolet refused to listen to

Now, here is a mid engine car that in the future, could replace the combustion engine with an all Electric motor!

We have seen what Tesla has done and recently a prototype Ford F-150 Electric truck pulled a million pounds of train in

But... before we look forward to tomorrow's "collectible" vehicles, we have the vehicles of past generations to enjoy... either as a restoration, hot rod, resto rod, rat rod and more.

Did you visit the local museum, the Central New York Living History Center (nick named the Brockway Museum) where you can see the Cortland built Brockway Trucks, Farm Tractors and Military Displays...all in one location on Rte 11 between Cortland and Homer.

As you visit and walk through the past of our automotive history, remember to ensure the future of this hobby; Take a

Kid to a Car Show near you. Teach them about who we were and show them how things have changed over time.

Regardless of what the future may hold for these veterans of the street and strip... we already know the past, and we embrace it. We are Americans... and we have "been there, and

Hopefully, this is a passion, a legacy and a value that we can pass on to our children.

Perhaps giving a niece or nephew a "wild" ride that will inspire them to not only remember that 'crazy" uncle years from now but will serve to spark an interest in our car shows, restorations and desire to go cruising on the way to get ice

Take your "time machine" old or new out to the Cort-lanes Bowling Center on Tompkins Street for the Tuesday Nite

That's all for now... see you soon at a car show, I'm "Uncle" Bill OGorman.... on temporary assignment!

COURSE ENDURO AUGUST 18, 2019

In the Early 1970s, a small group of local off-road motorcycle enthusiasts came together to form the Ithaca Dirt Riders (IDR). It was their vision to provide

some local trails and events for their club members and other to enjoy. A year later, the club chartered with the American Motorcyclist Association (AMA). With many of its member interested in the AMA sport of Enduros, the club sanctioned its first event. This year is the 46th anniversary of The Ithaca Dirt Riders Enduro! It will be held on Sunday, August 18 at a new location, 1919 Genoa Lansing Town Rd, King Ferry, NY, starting at 8:00 am. A closed course enduro consists of a series of "loops" through fields and woods. It is a great experience for riders with a good deal of challenge for them also and riders can ride as young as 12 years old, if they have a bike with at least a 19" front tire. There are NO spectator fees and we have information sheets available to see where the riders will be during the event. Also, on Sunday, August 25, there will be a Sprint Enduro at the location of the Ithaca Dirt Riders previous events, at the corner of Andersen and Davis Roads, Berkshire, NY. This one is being held by Cayuga County Riders. Find out more about these events at amad4enduro.com or ecea.org (8/18 event only) or on Facebook, look for "AMA District 4 Enduro Championship" or "East Coast Enduro Association" for event information.

SO, WHAT IS AN ENDURO? Enduros are a cross-country event, which not only requires speed and ability, but also endurance, (hence "Enduro"). The rider must also stay on time. A route is laid out for the riders to follow and a speed is set for them to maintain. Small groups of riders, (usually four), are started every minute. The rider must then try to maintain the speed scheduled for any given area. To score the riders, the promoter has secret "check points" along the route. If he/she is not on time, they are given 1 point for every minute they are late. Being early is much worse, with 2 points for the first 2 minutes that you are early and 5 points for every minute earlier than that and disqualification if you are more than 15 minutes early. Like golf, at the end of the event the scores are added up and the rider with the lowest score wins. With the help of many volunteers and supporters the Ithaca Dirt Riders have not only been able to host this local event, but many AMA national events over the years. Those national events have brought rider from all over the USA, Canada, Europe

www.ThunderMtnSpeedway.net ~ Phone 607-849-7889

and even Australia. IDR not only promote the sport of off-road riding, but also help the local communities, the volunteer fire departments and emergency squads, who provide great meals at the events, along with their services when necessary.

WHAT IS A SPRINT ENDURO? Fairly new to the enduro world in America, sprint enduros allow competitors to race against the clock on wide, fast-flowing trails and grass track. They ride a small number of special test multiple times throughout the day, trying to improve their times each ride.

get understanding Enduros, go to: <u>www.</u> <u>americanmotorcyclist.</u> com/Racing/Story/ <u>gettingstarted-in-enduro-1</u> You will be amazed at how much the riders have to do (and remember!) as they ride the course. For other local and national off-road motorcycling activities go to <u>americanmotorcyclist</u>. com, www.ecea.org or go to the AMA District 4 website at: amad4enduro.com.

MICROD RACING? WHAT IS IT? HOW DO WE GET STARTED? COME WATCH A RACE

TICRODS ARE SMALL RACE CARS that kids 5 -17 drive in **V**Lcompetition, Our Club, Finger Lakes Microd Club holds 12-14 races per season. Our club's season runs May thru September. Admission is always Free! So why should you consider coming to a Race? First beyond the obvious (Fun for Kids) it's something you can be involved in with your child and it won't **cost you an arm & a leg.** Second, our club is very different from other clubs in NY. Even the other clubs refer to F.L.M.C. as "The Starter Club", because our club culture is so focused on **Members not competition**. Some of the things our club does that are unique:

- 1. We offer Free try-outs to people thinking about joining.
- 2. We offer Season Long rental of Microds.
- 3. We have classes where you can own their own Microd also.
- 4. We offer Classes with a "Club Motor", so you don't have to have a motor builder do your motor.

For Family's thinking joining the club, the cost of racing is very affordable (\$480.00) for a full season. Our track named: Little Wheels Speedways is located just off the corners of Rts. of 38 & 34B, and in this picturesque setting with all of its beautiful shade trees, lush landscaped lawn, and well-kept buildings. You can spend time with your Children as a family & other family's and friends.

We would also like everyone to know our **Club is Inclusive**: The club owns Microds with hand controls, to accommodate children with disabilities and Welcome's anyone with any kind of special need. Read more about our Club Goals and program for special needs kids on our web pages www. littlewheels.org. or Facebook at "Finger Lakes Microd Club". For information or to schedule a try-out call (A.J. Burgess) at 607-898-3313.
