### AIELLO'S HISTORY

**T**HE AIELLO FAMILY MOVED TO America from Sicily, Italy. Calogero (Charlie) was born in the village of Partanna and Vincenzo (Vinnie) was born in Alba, in the Piedmont area of northern Italy.

Having grown up in and around restaurants and in Mama's always busy kitchen, the family moved to Whitney Point where Vito (Papa) opened Aiello's Ristorante in May of 1982 for his two sons to operate.

The friendliness of Whitney Point has allowed Aiello's to grow from a small pizzeria to the comfortable full service restaurant you enjoy today.

It is important to us that you know we use fresh herbs, spices, cheeses and imported 100% olive oil in our kitchen. The finest raw ingredients we can find assure you of the highest quality experience.

## CENTRAL NEW YORK LIVING HISTORY CENTER

Are you interested in walking through history? The Central New York Living History Center is the place for you! Conveniently located at 4386 US Route 11 between Cortland and Homer, our three component museums offer something for everyone. We like to pride ourselves on Trucks, Trains and Tractors, but there is so much more!

The Brockway Truck Museum is devoted to the history and trucks that were produced here in Cortland County

from 1875 until 1977. From furniture and carriages to heavy diesel trucks, the history of this local company put this area on the map as Huskietown USA. Not to be missed, are the Brockway Truck Days August 8 - 11.

For the train enthusiasts, The Homeville Museum will not disappoint. Model trains will take you back to your childhood and the mockup of the Lackawanna RR Engine 2107 will truly amaze you. Local history and Military Memorabilia dating back to the Civil War, from the Ken Eaton Collection, round out this one of a kind museum. Our Civil War Reenactment takes place on June 8 - 9.

Lastly, the Big Red Barn on the property, is the home of the Tractors of Yesteryears Collection. This multi-colored collection of vintage tractors promises to be some of the most unique tractors that you have ever seen. In "Grandma's Kitchen", you will find items that made up the heart of the home in years past. Don't miss the Vintage Tractor Pull on June 15.

Intrigued? Come walk through history with us: Tuesday - Saturday, 10 AM - 5 PM; Sundays 1 - 5 PM, Memorial Day to Labor Day. For more information, please visit our website [www.cnylivinghistory.org](http://www.cnylivinghistory.org).

### THE POINT WINE & SPIRITS

2601 Main Street  
Whitney Point, NY 13862  
607-634-4398

The Point Wine and Spirits was an idea born between two close friends while on a spring fishing trip in early 2018. Some friends and family thought that was

an ambitious endeavor given that neither one of the partners had been in liquor or wine retail before.

As the months went by, timing of life events seem to fall into place and the opportunity to begin planning opening their new store took shape. From the luck of being able to occupy the historic train station to naming the store from a beach in Bermuda, everything seem to have fallen in place.

After several false hopes for the liquor license approval, they finally opened at 3:30pm Tuesday February 5, 2019. They have been open 7 days a week ever since.

The store is truly a one stop shop for all your needs. Extensive spirits selection to include many tequila and Irish Whiskey brands, to NY State wines and Distillers. They will take custom orders and offer many different discounts. Weekly Friday tastings of wines and spirits occur from 4pm- 7pm. We are on Facebook, Twitter and Instagram.

Customer service is their main focus. They pride themselves on stocking what you would like not what they want to stock.

Their store is a labor of love and you can feel that from the moment you walk in.

## COMMUNITY OUTREACH PICNIC (COP) STONE SOUP EVENT & MOVIE

JUNE 2

Sunday at 6 PM – 8 PM

Court St, Cortland

The Cortland Police Department will be partnering with our many diverse groups within Cortland County for an evening of good food, music and a family movie! Join us as we shut down Court Street and sit at our long community table as we try different soups from local eateries along with bread from East Side Bakery.....for free! Live music will be setting the mood outside of the Cortland Beer Company, while arts & crafts will be available to keep the kids busy. After the food, music and fun, follow us over to Court House Park for a family friendly movie sponsored by The Summit Federal Credit Union. Did I mention all of this is free thanks to the generous donations made to this event! I heard of a town in West Virginia who claimed to have over 250 people at one time sitting at their community table. With your help, I think we can beat that number! A reading of the Stone Soup Story will also take place. Everyone is welcome as we want this event to build relationships with our many diverse groups and remember "Without a sense of caring, there can be no sense of community." Food will be served from 6pm until gone. Movie will begins at 8pm. No alcohol beverages allowed in the street. Although, our very own Cortland Beer Company will be open that evening. Beverages can be enjoyed in the outdoor seating area they have provided near the music stage.

## SUMMER

July 18, 19, 20 & 21, 2019

### What Is It

The Finger Lakes GrassRoots Festival is a mission-based (501-c3) organization that works to nurture local artists and talent while reaching around the globe to bring world music and culture to new audiences, creating environments that inspire creativity and foster community building.

The festival is presented over a four-day period (Thursday-Sunday) on four stages, which run ridiculously long hours to accommodate the 80, some bands that play the festival. GrassRoots doesn't hesitate to bring you great music you've never heard of before. Every year wonderful new bands are discovered and presented along with many old and true friends. Check out the list of previous years artists for a general idea of what's in store for the future. To learn more about how the festival all began, please visit our History page.

### When & Where

GrassRoots is the second to last weekend in July, which is also in many years the third weekend of the month

(the exception being when there are 5 weekends in the month). It is held at the Trumansburg Fairgrounds in Trumansburg New York, located about 10 miles north of Ithaca NY on the west side of Cayuga Lake in the very scenic Finger Lakes region of central New York.

### Why

For almost 30 years, the organization has served to both engage and give back to the local and regional communities in which it exists by providing financial and organizational support to impact positive change. It's all about having a grand time and generating a feeling of community, but the impact of GrassRoots expands far beyond that which occurs during the four-day festivals. ## CELEBRATING 16 YEARS!

Cortland Main Street Music Series is happy to celebrate its 16th year fulfilling its mission to provide a series of free summer concerts featuring local, regional and national musical artists of varied genres and to help stimulate the culture and economic vitality of Historic Downtown Cortland. This year the selection process was opened to the public with a call to local bands to state their interest in playing the series. We received a high volume of applicants – 33! Selection was based on a number of criteria shared with applicants. We're especially pleased to present the largest number of local and original artists to perform in the series' history. The 2018 lineup will begin to be released May 1 with other exciting developments related to the series!

Cortland Main Street Music Series is a 501c (3) organization that relies the dedication of a number

of volunteers and sponsors. If you are interested in becoming more involved with the series, please email [info@cortlanddowntown.com](mailto:info@cortlanddowntown.com)

Thanks from all of us at the Cortland Main Street Music Series

## FINGER LAKES MICROD CLUB – 37 SEASONS MICRODING FOR 64 YEARS A CENTRAL NEW YORK TRADITION!

Microding began in the village of Skaneateles NY in 1955, then spread throughout Central New York. From Syracuse to Rochester, and later south to New York's Southern Tier. Currently two of these Clubs Stand out: The Tri-County Microd Club & The Finger Lakes Microd Club. First: Tri-County – Located on

Bull Creek Rd. in the Town of Triangle, Just outside Whitney Point NY. Tri-County is Microding's largest Club and has been for about the last 10 seasons now. Also they are the only Club currently racing on "Dirt", another CNY tradition. Races are held on Saturday Nights starting at 5:30pm. Second: Finger Lakes Microd Club - they stand out for different reasons. Their club is centered on keeping costs low, so parents can afford to have their children race. The Finger Lakes Club rents microds & motors, so that families can try racing without the expense of having to buy a microd, motor, & a trailer to get started. The cost of doing this is very affordable, exactly \$480.00 for the entire summer. Races are held Saturday Mornings at 10:30am. Their track is located at: 1437 Peruville Rd. Freeville NY.
