AIELLO'S HISTORY

2677 Main Street
Whitney Point, NY 13862
(607) 692-4114
aiellosrestaurant.com

THE AIELLO FAMILY MOVED TO America from Sicily, Italy. Calogero (Charlie) was born in the village of Partanna and Vincenzo (Vinnie) was born in Alba, in the Piedmont area of northern Italy.

Having grown up in and around restaurants and in Mama's always busy kitchen, the family moved to Whitney Point where Vito (Papa) opened Aiello's Ristorante in May of 1982 for his two sons to operate.

The friendliness of Whitney Point has allowed Aiello's to grow from a small pizzeria to the comfortable full service restaurant you enjoy today.

It is important to us that you know we use fresh herbs, spices, cheeses and imported 100% olive oil in our kitchen. The finest raw ingredients we can find assure you of the highest quality experience.

ARE YOU INTERESTED IN WALKING through history? The Central New York Living History Center is the place for you! Conveniently located at 4386 US Route 11 between Cortland and Homer, our three component museums offer something for everyone.

The Brockway Truck Museum is devoted to the history, furniture, carriages and the trucks that were produced here in Cortland County from 1875 until 1977. These dependable, heavy-duty, diesel trucks and the history of this local company, put this area on the map as Huskietown, USA.

The Homeville Museum and the Ken Eaton Collection of Military Memorabilia dating back to the Civil War, will not disappoint. Model train layouts and railroading history round out this one of a kind museum.

The Big Red Barn on the property, is the home of the Tractors of Yesteryears Collection. This collection of vintage tractors are some of the most unique tractors that you will see. In "Grandma's

Kitchen", you will find items that made up the heart of the home in years past.

Our line-up of fall events includes something for everyone!

- October 2: All-Wheels Show and Vintage Tractor Pull
- October 9-10: Military Vehicle Show featuring vehicles from WWII forward, presentations, music and more
- October 16: 2nd Annual Fall Craft Show
- October 23: Vintage Snowmobile Show and Swap Meet featuring the Ski-Doo
- October 30: Halloween Special - Monsters in the Museum
- November 11: Veterans Day Watchfire
- November 13: Fall Harvest Craft Fair

...and more to come!

Intrigued? Come walk through history with us: Tuesday – Saturday, 10 AM - 5 PM; last admission is at 4 PM. For more information, phone (607) 299-4185 or visit our website cnylivinghistory.org.

FABIUS BOTTLE & CAN

FABIUS BOTTLE & CAN is located at 7861 Main Street, at the intersection of Ridge Road and Rt. 80, in the picturesque village of Fabius. It opened in 2017 & shares space in the building with Fabius Country Store, which was once

Anna's store. We purchased the store in 2016 and relocated it to its new, completely renovated home, with a large deck to relax on while enjoying an ice cream cone.

It has been a very busy year with Covid-19 and all the challenges that it presents, such as Health Dept. restrictions & mandates, staffing issues, adding fresh meats, more produce, and other items in the store to better serve the community, struggling with product availability and shortages, and a sizable increase in can and bottle intake levels, but we have struggled to persevere, like so many other businesses, and our dedicated staff continues to work hard to keep us open and thriving during a very difficult situation.

The bottle return business has been very busy, and our innovative ideas, like offering free

pick up service for large loads and commercial customers, and periodic 6-cent specials, have contributed greatly to our success. Our customers enjoy the convenience of dropping off their load of returnables on their way to work or to run errands, and then stopping in to pick up their money on their way home, or receiving a call when it's finished. We have had to alter our hours because of staffing issues this past year.

WHEN A PET HAS DIED

we are here for you

We know the loss of a pet can be traumatic. That's why we built a facility just for pet families to say goodbye. Our Pet PassagesSM location offers many service options, including a private viewing in our Rainbow Bridge room, Pet TalesSM online memorialization, and cremation packages to meet every family's needs. With our 72-hour Service Guarantee and memorialization options, you'll see why Pet PassagesSM is the preferred choice. Call or visit our website for more information.

but we expect to be open full time now, except for Sundays.

We also designed a prototype trailer with drop doors on the sides. It is used for 6-cent donations and bottle drives and has helped numerous nearby towns, schools, churches, scouting groups, our local food pantry, Veterans, area Fire Depts. and many other worthy organizations raise money for their causes. We are proud to have helped these groups raise thousands of dollars. Call 315-683-5500 to book the trailer for your organization or event! We have multiple trailers available, so call us to arrange a free pickup to clean out your barn or basement.

I recently bought out my partner's shares, so I'm flying solo now and have long-range plans, which include renovating the carriage barn on the property to house the bottle return. The business has been so brisk that we will also need

an additional barn to store all these cans and bottles for pickup by the recyclers. When the bottle return moves, it'll free up space to expand the store to offer even more products and an indoor dining area.

Fabius Country Store opened in 2019. We are open 7 days a week, from 6am – 9pm, and offer

a wide variety of beer, tobacco products, grocery items, and have a take-out menu that includes pizza, wings, subs and sandwiches, haddock dinners, soups and more. Local folks say we that we have the best pizza in the area! We have great homemade lunch specials and packaged meals to take with you. We love our Purity ice cream and we keep the ice cream counter open all year. We offer soft serve, milkshakes, premade sundaes, ice cream sandwiches, chocolate dipped frozen bananas, and quarts of Purity ice cream from the freezer. Our Fried Dough is becoming quite famous!

Stop in soon with your cans and bottles, and while we count them for you, you can browse the store, enjoy an ice cream cone or fried dough, or grab a premade dinner or goodies to take home. You can also call ahead for hot pizza and wings or other menu items at 315-683-1061. Thank You for your patronage!

SPRING

CNY MAPLE FESTIVAL APRIL 2 & 3, 2022

THE 50TH ANNIVERSARY CELEBRATION OF the CNY Maple Festival salutes the Marathon Community and their willingness to work together. The Festival has become a springtime tradition in the Marathon Community. It has also become a springtime tradition for the thousands of guests who look forward to being in Marathon for the festival every spring. From the earliest settlers collecting sap in wooden buckets, to the modern producers using a tap line, the customs, stories, and traditions of making maple syrup have been handed down through the generations. With two generations of Maple Festivals now under their belt, the Marathon Community has now achieved many customs of their own. From pancakes dripping with the sweetness of maple syrup to bacon infused with maple goodness, don't miss this annual event in one of America's Favorite Small Towns – Marathon!

CREATURE FEATURE SEASONAL SOJOURN

AUTUMN LEAVES ARE FALLING, AND winter is on its way, bringing shorter days and frigid, snowy weather. As we begin to dress warmly and cook soups and other comfort foods inside our snug homes, wild creatures are also preparing for the cold months ahead. Migration is just one survival strategy used by wildlife to escape winter's icy clutches.

Cued by waning daylight and changing weather, millions of songbirds, ducks, geese, loons, hawks,

herons, gulls and other birds begin their seasonal sojourn. Some will travel thousands of miles and across continents, while others fly just far enough to leave winter's worst weather behind.

As insects, fruits and flowers become scarce in the fall, many bat species migrate, too, especially those that roost in trees rather than caves. Expectant mother bats often choose to make the southward journey, perhaps to help ensure their offspring get the best possible start in life where the climate is warmer, and food is more plentiful.

Deer travel to "winter yards" – places where the terrain, dense conifers and thermal cover, like red oaks, work to block wind, sift heavy snowfalls and retain the sun's warmth.

As the weather cools, many fish swim southward

through tributaries; others simply move to deeper, warmer parts of the lake as the water temperature drops.

Some insects choose to migrate, too. The monarch butterfly sojourns as far as sunny Mexico, leaving winter far, far behind.

MIKE'S FISH TANK HELPFUL HINTS FOR A NEW TANK

Pets a Plenty

Rte. 281 Cortland (across the street from Tops Market) • GPS: 3925 West Rd. Cortland
Open 7 days a week
petsaplenty.biz • friskyy@hotmail.com
607-753-9213

A LOT OF PEOPLE SET up fish tanks during the pandemic. Here are 10 facts to help your tank be a success.

Go slow when adding fish to your new tank. There is a good bacteria that has to grow and that bacteria will eat the urine the fish produce. For example a new 10 gallon tank should be started with only 3 or 4 small fish.

Do not add an algae eater to a new tank. There is no algae yet.

Feed your fish small amounts 3 times a day if possible. Do not over feed. Too much food will pollute your tank and cause it to be cloudy.

Purchase a siphon and siphon 20 to 25% of the water monthly. Always siphon from the bottom not the top. You want to get the extra waste and excess food off the bottom of the tank.

Watch your lighting. Do not leave the tank light on 24 hours a day. Fish want to sleep too. Also too much light means too much algae. Have your tank light on from 4PM til 11:00 PM. Something like that.

When you buy new fish, go right home and put them in the tank. It's not a good idea to go shopping while your fish sit in a bag in your car especially if it's really cold out.

Only float the bag of fish for 5 minutes. There is not that much water in the bag. It will only take a few minutes for that water to reach the

temperature of your tank. Floating too long can result in death.

Tropical fish like warm water, 78 to 80. Goldfish like cold water. Some people mix them, it may or may not work.

Some fish will get along with other fish very nicely, such as: tetras, mollies, platys, swords, guppies, dwarf gouramis, many of the barbs are aggressive as well as the bigger gouramis.

Remember the bigger the tank, the better your fish will get along with each other. There's enough space so they all have room and aggression is less likely to happen.
