Our Cold Weather Car Care Issue!

THE WILLIAM GEORGE AGENCY FOR CHILDREN'S SERVICES

Cince its inception in 1895, The William George Agency for Children's Services has been at the forefront of residential care.

From its modest beginnings as a summer camp for inner city children, our Agency has grown to become one of the largest, most respected residential treatment facilities in New York State. We currently provide over 200 teenagers from 55 counties with counseling, education, independent living and vocational skills, family reconciliation and supportive community services. Additionally, we are also one of the largest not-for-profit agencies in Tompkins and Cortland counties, providing jobs for nearly 500 full-time employees.

What drives this tremendous growth and impact? At the heart of everything we do is our motto: "Care First"

We are committed to providing a safe and caring residential environment supported by proven therapeutic, clinical,

and medical care for at-risk youth. Our innovative, highly regarded programs serve high need, specialized populations who have been historically underserved. We care first about the youth we serve, while helping them develop the attitudes, social skills and self-direction that will enable them to become contributing members of the community, and we respect, empower, and partner with families to support their efforts in successful reunification and family preservation.

In addition to providing outstanding residential care, The William George Agency strives to create an exceptional work environment as well. We provide an excellent wage and benefits package, and we offer extensive support, training, and advancement opportunities. It's challenging work, but if you like building relationships and working with people, if you enjoy making an impact by teaching and helping others, this may be the rewarding career for you.

If you would like to know more about our Agency, or you would be interested in exploring career opportunities with us, we invite you to visit our web page <u>wgaforchildren.org</u> or contact us by phone at (607) 844-6460.

JOSIE'S JOURNEY

Tammy and Luna were presented December's Proud of the Work You Do and the Difference You Make by the Friends of the Cortland County Child Advocacy Center. We do everything we can to make sure Luna is there to snuggle and comfort victims during forensic interviews and court proceedings. Luna also is known to provide snuggles for the staff too. A huge thank you to Kris Beard, Megan Leach, Emily Thompson and staff for loving Luna like we do and taking such good care of her while she is there. We are forever grateful for this opportunity.

If you would like to meet our dogs for some love and snuggles, give us a call, we would love to see you.

With loving paws,

CREATURE FEATURE CHRISTMAS EVE IN THE FOREST

For all the children and young at heart...
'Twas the night before Christmas
And all through the land,
The wild things waited
For something real grand.
Tonight would be special,
This much they knew.
But despite the excitement,
Their sleepiness grew.

The beaver was nestled in a lodge by the stream, While visions of birch twigs danced in his dream. The lovely red fox used her tail like a wrap, As she curled herself up for a snug winter's nap. A chubby bear slumbered, his snores like a wave, That spilled from the mouth of a rocky enclave. All the deer bedded down on the new-fallen snow, While tiny mice snuggled in burrows below.

Like sleepwalkers under the cold, frozen lake, Swam slow-moving walleye, sunfish and splake. And an old porcupine, quills frosted in white, Settled onto the bough of an oak for the night. As snow crystals swirled and fell on his fur A drowsy coyote stretched with a "Grrr." The mischievous raven talked in his sleep, While the little brown bat gave nary a peep.

Striped skunks lay nestled, all snuggled and pressed,
Closely together in their den for a rest.
And the feisty red squirrel, whose tongue always wagged,
Could combat no longer wee eyelids that sagged.
The bobcat and otter, the fisher and froggy,
Were drowsy and sleepy and snoozy and groggy.
The mink and the grouse and the flying squirrel slept,
As the clock, ever closer, to midnight it crept.

The bright moonlight shone in the chill wintry breeze, As thin dancing shadows stretched from the trees. When from her snug perch in a pine way up high, A barred owl opened up one sleepy eye. For from the night skies a sound reached the woods, Could it be HE'D arrived with a sleigh full of goods? The owl felt happiness rising in swells, As she heard now, for sure, the chiming of bells.

The crow woke up next with excited loud caws, Announcing to all, "He's here! Santa Paws!"

The sleigh was descending – what a delight!

And the animals gasped at the marvelous sight.

For a large timber wolf, dressed in bright red,

Was skillfully driving the wondrous sled,

That was drawn and magically kept in the air,

By a whimsically wonderful winged polar bear.

As the big sleigh set down with a bump and a clatter, A thoughtful moose offered his horns as a ladder. Then Santa climbed down the giant's huge rack, Carrying a burgeoning, red velvet sack.

Where stuffed all inside were fabulous presents, For woodpeckers, rabbits, raccoons and pheasants, For opossums, and snakes and turtles and slugs, For chipmunks and loons and thousands of bugs...

For ALL of God's creatures that bring us delight, "Merry Christmas to all, and to all a good night!"

CORTLAND COUNTY TRIVIA FROM THE CORTLAND COUNTY **HISTORICAL SOCIETY**

IN THE LAST ISSUE OF the CAT, we asked if you knew what highly collectible typewriter was manufactured in Cortland County. Specifically, the Crandall typewriter began production in Blodgett Mills in 1881 by Lucien S. Crandall. The Crandall typewriter was quite unique and had a cylinder with the type on it (called a type sleeve). 84 characters could be typed using only 28 keys and two shift keys. The type sleeve could be removed and a different one used to change the font type. Proportional spacing was a feature of this typewriter as well. The spacing created typewritten work that looked like it had come from a printing press.

The Crandall Typewriter Manufacturing Company began in Blodgett Mills, and it is unknown what model or how many typewriters were produced there before a fire caused the company to relocate to Syracuse. There was another fire in Syracuse, and the company removed to Groton. CCHS has a rare Crandall typewriter in our collection.

This man's musical career took him from playing trumpet at Cortland High School to selling out concerts all over the world. What was his name?

CORTLAND REPERTORY THEATRE ANNOUNCES 51ST SUMMER SEASON FOR 2023

NORTLAND REPERTORY THEATRE IS ANNOUNCING their 51st ✓ Anniversary summer season to be held at the Little York Pavilion in Preble, NY in 2023. The season will run from June 7 – August 19 and will contain three plays and two musicals. Producing Artistic Director Kerby Thompson explains that "as always, CRT strives to offer a variety of fun summer shows for our patrons in order to appeal to a wide range of tastes in live theatre." Thompson says he is particularly excited about this season's selections.

Kicking off the season from June 7-16 is the "return" of Agatha Christie's MURDER ON THE ORIENT EXPRESS as adapted by playwright Ken Ludwig. During the summer of 2022, because of several Covid cases among the cast and crew, only two performances were completed. Thompson explains that the set, props and costumes are currently being

stored over the winter, and most of the cast have already agreed to return to tell this exciting classic Christie mystery. The story: On a winter's evening in 1934, a snowdrift stops the luxurious Orient Express, literally in its tracks. By morning, it is one passenger less; an American tycoon lies dead in his compartment, stabbed, his door locked from the inside. With a long list of suspects, detective Hercule Poirot must identify the murderer before they strike again.

From June 21 - 30, CRT presents the musical XANADU, with a book by Douglas Carter Beane and music and lyrics by Jeff Lynne and John Farrar. This stage adaptation is based on the 1980 cult classic Universal Pictures film, which had a screenplay by Richard Danus and Marc Rubel, and starred Olivia Newton-John and Gene Kelly. In this Tony-Awardnominated show, beautiful Greek muse, Kira, descends from the heavens of Mount Olympus to Venice Beach, California. on a quest to inspire struggling artist Sonny to achieve the greatest artistic creation of all time - the first roller disco. But when Kira falls into forbidden love with the mortal Sonny, her jealous sisters take advantage of the situation, and hilarious chaos abounds. The shows features early '80's pop songs including Have You Never Been Mellow?, Evil Woman, Strange Magic, All Over the World, Don't Walk Away and

A CRT "revival" of one of our most popular comedies is planned for July 5 - 15; UNNECESSARY FARCE, by Paul Slade Smith. In this hilarious comedy, an embezzling mayor is meeting with his accountant in a cheap motel room, while in the room next door, two undercover police officers wait to catch it all on videotape. However, there's some confusion as to who's in which room, who's being videotaped, who's taken the money, and who's hired a Scottish hit man. Thompson, who directed CRT's production in 2009, says it's one of the funniest comedies he's ever seen.

Running from July 19 - 28 is the regional premiere of another cancelled CRT production, originally planned for 2020 season. THE CAKE is a new, timely comedy by Bekah Brunstetter in which faith, family and frosting collide. Della has a pretty good life. She's been happily married to her husband, Tim, for years, her North Carolina bakery is legendary, and she's just been cast on her favorite television show "The Big American Bake-Off". She is overjoyed when her late best friend's daughter, Jen, whom she helped raise, returns home from NYC to get

married. There's no question that Della will provide the wedding cake, until she discovers that there's not one bride in this wedding, but two. Della must then reexamine her own deeply held beliefs and ultimately, her own marriage.

Wrapping up the summer, from August 2 - 19, CRT presents their magical telling of L. Frank Baum's classic story THE WIZARD OF OZ, with music and lyrics by Harold Arlen and E. Y. Harburg. Background music was written by Herbert Stothart, dance and vocal arrangements by Peter Howard and orchestrations by Larry Wilcox. This stage version was adapted by John Kane for the Royal Shakespeare Company and is based upon the classic movie, owned by Turner Entertainment Co. and distributed in all media by Warner Bros. Ever since the movie first delighted

audiences in 1939, this glorious musical fantasy continues to thrill kids and adults alike worldwide. Featuring the iconic musical score, this timeless tale includes the Academy Award winning Over the Rainbow, plus Ding Dong! The Witch Is Dead, If I Only Had a Brain, We're Off to See the Wizard, and more family favorites. This production is planned to be a beautiful, one-of-a-kind experience on CRT's intimate stage.

CRT is currently selling 5-show summer subscriptions along with 5- or 6- pack Flex Passes. The 5-show subscription allows the patron to see all 5 productions; the Flex Passes allow the purchaser to choose the shows they see.
