## DAYLIGHT SAVING TIME ENDS

TIME WILL FALL BACK TO standard time again on Sunday, November 3 at 2am, when daylight saving time ends. History of Daylight Time in the U.S. Although standard time in time zones was instituted in the U.S. and Canada by the railroads in 1883, it was not established in U.S. law until the Act of March 19, 1918, sometimes called the Standard Time Act. The act also established daylight saving time, a contentious idea then. Daylight saving time was repealed in 1919, but standard time in time zones remained in law. Daylight time became a local matter. It was re-established nationally early in World War II, and was continuously observed from 9 February 1942 to 30 September 1945. After the war its use varied among states and localities. The Uniform Time Act of 1966 provided standardization in the dates of beginning and end of daylight time in the U.S. but allowed for local exemptions from its observance. The act provided that daylight time begin on the last Sunday in April and end on the last Sunday in October, with the changeover to occur at 2 a.m. local time. During the "energy crisis" years, Congress enacted earlier starting dates for daylight time. In 1974, daylight time began on 6 January and in 1975 it began on 23 February. After those two years the starting date reverted back to the last Sunday in April. In 1986, a law was passed that shifted the starting date of daylight time to the first Sunday in April, beginning in 1987. The ending date of daylight time was not subject to such changes, and remained the last Sunday in October. The Energy Policy Act of 2005 changed both the starting and ending dates. Beginning in 2007, daylight time started on the second Sunday in March and ends on the first Sunday in November.

## SOUTHWORTH SILENT BOOK CLUB

THE SOUTHWORTH SILENT BOOK CLUB is meeting at the Southworth Library after hours on Tuesday, October 29 at 6:30 pm. It's a book club with no pressure! Talk about what you are reading if you want, eat some snacks and then spend time reading! No pressure to finish a book, make insightful comments or read something you don't really like. This worldwide movement began in California with two friends who wanted a low-pressure venue to just share a love of reading without 'homework' or assignments. Silent Book Club is a global community of readers, with more than 1,000 chapters in 50 countries around the world.

To launch this new club we are offering a free copy of *If the Shoe Fits* by Jill Murphy, a light hearted take on the Cinderella story for modern adults. We will have some pizza (a favorite food of the book's heroine) and snacks. Come and enjoy a quiet evening reading with other book-lovers, introverts and friends. We will chat and visit from 6:30 - 7:00 and then just read for an hour to finish at 8:00.

Please register on our website or call the library at 607-844-4782.

### A Brief History of Dovi Motors

**D**OVI MOTORS WAS FOUNDED IN 1948 by Tony Dovi Sr. as a full service repair shop and has operated from its current location since 1949. His 7 children and his wife were all involved in the business and in 1980 Dovi Motors incorporated with Phil, Tom and Joe Dovi taking the business into the second generation. The early 1980s marked a period of high growth for Dovi Motors. At that time Dovi Motors was a Lincoln/Mercury store. Great products like the Lynx and Topaz along with Dovi's reputation for great customer service proved to be a recipe for success. In 2008 the Ford franchise was acquired by Dovi Motors. Today, the 3rd generation is running the dealership. Right now if you buy a car it will like be from Joe's son Luke, Phil's son Jesse or Tom's son Tommy.

### Key Ingredients to Our Success

"Treat others the way you would like to be treated" At Dovi Motors customer service is the corner stone of our business. Tony started the dealership as a full service repair shop, and quality vehicle repair continues to be a focus of our dealership. When one of the other shops in town can't figure out a problem with a Ford, it always ends up here and we always get to the bottom of it. Our customers are some of the

most loyal in town and we are in the top of the nation for new sales customers who return for service.

At Dovi motors we offer an easy and enjoyable buying experience. If you walk on the lot to look at a vehicle nobody will chase you down trying to get you to buy a car that day. In fact, we don't currently have any non-family sales people. We give our best price up-front, we have one person to walk you through the entire buying process, and we only sell Ford's so we really know the product.

We are part of the community. We live here, shop here, and we are personally involved with the clubs, organizations and small businesses around town. We are a 3rd generation business in Cortland that is selling cars to the grand children of Tony's customers.

## CORTLAND COUNTY TRIVIA FROM THE CORTLAND COUNTY HISTORICAL SOCIETY

**IN THE LAST ISSUE** OF the CAT, we asked if you knew what country music artist had a weekly radio show on local station WKRT?

John F. Robarge, also known as Tex Roe, was a local country music legend who hosted a weekly radio show on WKRT for over twenty years. Music was his passion, and he started on that path when he formed his first band at fifteen. He married Leona Mae Baker, one of the Baker Sisters, after seeing her perform for the USO at the Marine Corps training center at Parris Island, South Carolina. Tex and Leona had five children and were married for fifty years.

Tex was not just a local music legend, his career included highlights like a thirteen-week stint on the Grand Ole Opry and a television show of his own out of Syracuse. Over the course of his long career, he shared the stage with country greats such as Loretta Lynn, Roy Clark, and Pee Wee King. Tex was inducted into the New York State Country Music Hall of Fame in 1981.

While his music was widely known, Tex Roe was a normal guy who was admired by many in the community. He was a US Marine Corps veteran who served in both WWII and the Korean War. He retired from Smith Corona after thirty years.

## CREATURE FEATURE GOIN' LOONY THIS FALL

**W**HILE WE DON'T SEE A lot of common loons hanging around our region over the summer, chances to observe them are better in fall when these beautiful icons of the north are migrating to the Atlantic Ocean, where they'll spend the winter. As they travel southward, loons may stopover on our area lakes and ponds to rest and recharge.

According to the Loon Preservation Committee, the timing of fall migration can vary between individuals. Adults that remained "single" or had failed nests this past breeding season might leave the lakes for the ocean as early as late summer, since they don't have chicks to care for. Meanwhile, pairs that raised chicks may remain on their lakes into October. Loon pairs usually migrate separately and won't spend the winter together. Typically, one parent leaves for migration first; the remaining parent hangs around for another week or two, but eventually leaves their chick(s) behind. The good news is that by this time, youngsters are ready to fend for themselves, including catching their own food.

While scientists aren't sure how they do it, juvenile common loons are able to navigate their maiden journey in the fall. Incredible! It is crucial, however, that they leave their natal lake before it ices over, or else they can get stranded. Sometimes, young loons will congregate on lakes in social groups as they prepare to migrate to their wintering grounds. Juvenile loonies can be identified from adult birds by their scalloped plumage pattern and brown eyes.

## THE SHOPPES AT JOHNNY APPLESEED

[facebook.com/johnnyshoppes](https://facebook.com/johnnyshoppes)  
[johnnyshoppes@yahoo.com](mailto:johnnyshoppes@yahoo.com)

**H**AVE YOU BEEN TO THE Shoppes at Johnny Appleseed? Only five miles outside of Cazenovia, down an enchanting country road, is the location of the co-op style artisan marketplace, known as The Shoppes at Johnny Appleseed.

The Shoppes are family owned and welcoming to many local crafters, artists and patrons alike. From big to small, the Shoppes host over sixty five vendors in this historic and vast, Central New York location.

Just as an example, there are vendors, artists and crafters from Preble, Cortland, Tully, Manlius, DeRuyter, Cazenovia, Hamilton, Morrisville, Clinton, Fayetteville, Syracuse, Cicero, Skaneateles, Chittenango, Oneida and Rome, just to name a few!

On the retail side, the Shoppes offer furniture, antiques, artwork, glass, jewelry, wreaths, candles, soaps & lotion, pottery, woodwork, niche, women's clothing, vinyl records, hypertufa, birdhouses, greeting cards, dried flowers, and other practical home items, as well as locally sourced food items such as honey, jelly, candy and maple syrup.

The Apple Kitchen, located within the Shoppes is open every Weekend and offers freshly made soups, along with signature grilled sandwiches, like the classic Reuben, the rich & cheesy Monte Cristo and the pulled pork with coleslaw. Chef Patrick also bakes desserts like apple crisp and carrot cake, along with delicious cookies, brownies and cupcakes.

One thing people say after shopping in the store is that they had no idea how big this place is! With 20,000 square feet of space, there is no limit to the items you can discover.

The Shoppes at Johnny Appleseed are open year-round, Wednesday through Sunday, and the Apple Kitchen is open weekends, with a sunny view of a pond and rolling hills in the background. Johnny Appleseed is also wheelchair friendly.

For a list of all the vendors to choose from, please visit the web site at [johnnyshoppes.com](http://johnnyshoppes.com), or like the Facebook page, which is [facebook.com/johnnyshoppes](https://facebook.com/johnnyshoppes). For more information on how to become a vendor, you can email [johnnyshoppes@yahoo.com](mailto:johnnyshoppes@yahoo.com).

**AIELLO'S RISTORANTE  
CELEBRATING THEIR  
42ND YEAR**

**L**OCATED AT 2677 MAIN STREET in Whitney point for the last 42 Years Aiello's Restaurant has been one of best locations within driving distance to find authentic Italian Cuisine. It has become the go to place for people who are seeking a fine dining experience in a small town. The Aiello's family have stayed true to their beginning by providing their customers take out service for both their fine dining offerings and now famous pizzas. Aiello's has a 42 year tradition of using only the freshest and best ingredients when preparing their dishes whether it is their Grade A Black Angus Meats, fresh herbs and spices, top notch mozzarella and even 100 imported olive oil. Always innovators, Charlie and Vinny are always looking for ways to up their game. Whether it is a new recipe, or a fine cocktail there is always something in store. Aiello's Restaurant has always been a family affair. Their father Vito Aiello helped Calogero (Charlie) and Vincenzo (Vinny) open a small pizzeria in the community. Inspired by Mama's busy kitchen and being around restaurants they grew Aiello's from a small pizzeria it was to the premier fine dining establishment it is today. Through the support and friendliness of the people of Whitney Point they have been able to grow their reputation and reach far beyond the area. Now people come from all over Central New York and beyond to enjoy the Aiello's experience. As the years have passed and the Aiello's has grown, they have embraced ways to improve the entire customer experience. In March of 2020, they updated their website aiellosrestaurant.com and were the first local restaurant in Whitney Point to offer their own online ordering dine in or pickup. In 2023 they added outside dining tables and music on Friday and Saturday during the spring/summer (Follow them on Facebook for music updates). Additionally, they specialize in catering events large and small. You can see both their regular menu and catering menu on their website. Don't worry if you aren't tech savvy, you can still give Aiello's a call at 607-692-4114 to order to go, make a reservation or set up your next catering event. Stop in and pick up a jar of Aiello's Sauce! They are open 7 Days a week from 11 am to 9 pm (10 pm on Friday, Saturday and Sunday). To commemorate their 40th Anniversary in 2022 - June 4th is now "Aiello's Day" in Broome County!
