**PLR FIRE VICTIMS ASSOCIATION  
A NEW MISSION TO  
HELP FAMILIES REBUILD  
AFTER THE FLAMES**

(607) 226-4513  
plrandgoods@gmail.com

WHEN DISASTER STRIKES, THE IMMEDIATE chaos often overshadows the long journey ahead. For many, it's a struggle not only to find shelter but to secure basic needs, from clothing to meals, as they work to rebuild their lives. PLR Fire Victims Association, a newly launched nonprofit in our community, is committed to helping fire victims through these challenges, providing support that extends far beyond the initial aftermath.

Growing up, I was inspired by my stepfather, a volunteer fire chief who devoted himself wholeheartedly to helping others. His dedication taught me the value of selfless service, a lesson that became all too real on his birthday in 2004, when a house fire upended my life. As a single mother of three boys working two jobs to keep up with their needs, I faced an overwhelming burden, struggling to provide even basic essentials like clothing and food. But after the initial wave of community support, I soon realized the true difficulty of rebuilding my life.

The reality for fire victims is that the journey to recovery often requires more resources and time than most realize. After the flames are extinguished, there's the challenge of itemizing countless lost belongings, securing temporary shelter, and navigating complex insurance claims.

This experience led me to make a promise: if given the chance, I would create a program to help families like mine through every step of recovery. Now, with the establishment of the PLR Fire Victims Association, we're bringing that promise to life. As a fledgling nonprofit, we will be committed to offering fire victims immediate relief through essentials like clothing, food, and basic necessities, while guiding them in re-establishing their lives for the long term. We will be working closely with families to address ongoing needs, and we're

building partnerships with local housing and community resources to arrange emergency housing for victims at a moment's notice.

We invite you to join us for our **1st Annual PLR Christmas Festival** on **November 24th** at the McGraw Community Building, 15 Clinton Street, McGraw, NY, from 9 AM to 4 PM. All proceeds from this event's raffles and donations will go directly to the PLR Fire Victims Association to support our mission. We are also seeking volunteers, donations of essential items for victims, and community partnerships to strengthen our resources for helping families through their journey to rebuild.

For more information or to learn how you can support, contact me, Missy, at **(607) 226-4513** or via email at **plrandgoods@gmail.com**. Follow us on **Facebook at Promised Land Ranch and Goods** to stay connected with our mission and our efforts to make a lasting impact for fire victims.

By Jaxyn Boyce

**S**HUTE'S WATER SYSTEM AND WELL Drilling has been a family-operated business since 1963, when Howard Shute and his brother-in-law, Warren Shetler, first opened the business. Originally named Lafayette Well Drilling, Howard Shute carried the business alongside his sons; Mark, Neil, and Scott, and its reputation for many years until Howard Shute officially retired at almost 80 years. Scott Shute and Matt Farkas continue the effort of providing safe and clean water. The office is run by Scott's wife, Becky, and Mark Shute's daughter, Jill. Satisfied customer recommendations and glowing reviews are attributed to Shute's Water Systems and Well Drilling's success.

Now serving the CNY's areas, including Syracuse, Baldwinsville, Cortland, Cazenovia, Chittenango, Canastota, Fayetteville, Auburn, Tully, Lafayette, Marcellus, Manilus, Camillus, and Skaneateles. Scott Shutes mentions, "With years of experience, our team will assess your needs and create a custom water system plan or repair that's right for you." There are tests to determine the specific needs of a customer, and the basic water analysis of hard metals is free. For a more detailed survey, called the Water quality indicators (WQI), there is the option to test for microorganisms and bacteria. Shute's Water Systems conducts the test, and the results are then sent to a lab. They stress the importance of well-testing as the lasting effects can lead to health problems.

There are a few things to keep in mind when determining the quality or purity of the water. Examples are; recent

construction, location, maintenance, the water source, and any septic floods that could cause leakage into the well. These area contaminants vary upon location as well. Shute's Water systems have Ultraviolet filters, Chlorination and Filtration setup, and Carbon and Sediment filters. If water is determined to be hard, there are also conditioning treatments available, like; reverse osmosis, salt-based or salt-free, dual water tank softener, or a magnetic water descaler.

Shute's Water Systems can provide installation and maintenance on water pumps and storage systems. Any brand is available and can be maintained. However, a brand manufactured in the Auburn and Seneca area, Goulds, is a popular choice. In addition, Shute's Well Drilling is a four-generation business, with Mark and his son Jeff overseeing. Both experienced and reliable, the benefits of private well water can provide financial benefits, as well as cleaner water overall. Free from water bills, and the toxins public water can carry, Shute's Well Drilling installs quality wells for its customers. Their slogan is, "Quality Water From Your Well To Your Faucet!" Shute's Well Drilling is located on Highway 20, in Lafayette. They can be reached at (315) 952-4113. Shute's Water System is also located in Lafayette on 5684 Route 20. To schedule an appointment, they can be reached at (315) 677-5552.

## CREATURE FEATURE A TALE OF TWO NUTHATCHES

**B**Y NOW, MOST OF OUR feathered friends have flown the coop for warmer climates. Not all birds migrate, however – some, like many of us, are year-round residents, including certain species of nuthatches. Birds in the nuthatch family are small, stout, tree-climbers with strong bills and feet, and square-cut, stubby tails. They are supremely adapted for arboreal lives. Indeed, one reliable characteristic of nuthatches is that they habitually *scurry down trees headfirst*.

**White-breasted nuthatches** are familiar to most backyard bird enthusiasts. They are an attractive blue-gray above and white below, with buffy flanks, and dark eyes set in an all-white face (see photo). They are rather bold little birds and can be somewhat tolerant of people. I've often observed sassy white-breasted nuthatches defending bird feeders from chipmunks and other birds by confronting them with flared wings to make themselves look bigger.

In contrast, **red-breasted nuthatches** typically migrate southward from the northernmost reaches of their range. They may also exhibit 'irruptive' migratory behavior (moving further south in larger numbers than usual when winter food sources are scant). Red-breasted nuthatches are gray above with rusty underparts and have a *sharply defined black eye stripe and white eyebrow*. They are smaller and shyer than their white-breasted cousins.

Both white- and red-breasted nuthatches utter a repetitive nasally "yank-yank" song. Look and listen for them as they fly in mixed winter flocks with other year-round birds such as black-capped chickadees and tufted titmice. You can attract them to your feeders with black sunflower seeds and suet.

**DO YOU LOVE SPORTS? WE** do too! Southern Tier Sports Corner has moved to Ithaca and expanded to a 4,000 sq ft location with a fresh assortment of sports apparel, memorabilia, and hobby cards. Founded five years ago by local upstate New Yorker, Grant Vennel, we're thrilled to provide Ithaca and the surrounding communities with a one-stop-shop for sports fans!

Our new shop has arrived just in time for the holidays with officially licensed jerseys, sweatshirts, hats, and more for all your favorite teams. All fans are welcome; we have many options for hometown teams like the Bills, Sabres, Mets, and Yankees, but also carry gear for out-of-state teams for that random Dallas or Kansas City fan on your gift list! From vintage to modern, we have you covered with the perfect gear to represent your team.

Browse our walls and you'll soon realize why many have referred to us as a local sports museum. Everywhere you look you'll see autographed framed jerseys, balls, and photographs of the greatest players in sport. Do you think Michael Jordan

is the GOAT? You'll love our selection of MJ pieces! Miss the days of Jeter winning championships? Come reminisce as you view a host of specialty Yankee items.

Lastly, we're proud to offer an incredible selection of Hobby boxes for the card collector in your life. From Upper Deck, to Topps and Panini, we have premium boxes available for all major sports plus Pokemon, Magic the Gathering, Star Wars and more! When you visit, make sure to check out our selection of singles too. From vintage Mickey Mantles to exquisite 1 of 1 Josh Allens, our collection is sure to impress!

Hoping to trade, buy, or sell? We do that! We're always on the lookout for new graded cards or vintage treasures. We've also got you covered with card supplies, including penny sleeves, toppers, Zion card cases, and Slabmags.

We love connecting with new collectors too. Our Team has been in the hobby for decades and can help you understand the value of your collection. We offer PSA card grading services and will be hosting JSA at our shop on Nov. 13th for autograph authentication. Bring in your sports or non-sports memorabilia and receive documentation that your autographs are certified as real.

Follow us on Facebook ([facebook.com/southerntiersportscorner](https://facebook.com/southerntiersportscorner)) to stay up-to-date with our newest products, services, and events - including local card breaks and trade nights!

Most of all, we hope you'll visit and share your favorite sports stories and memories. We're open weekdays from 9:30am - 7pm and weekends from 10am - 3pm. We've already met so many

fans of all ages from all over and we welcome you, and your kids, and your friends to come visit and see what makes sports so magical. Check out our website ([southerntiersportscorner.com](http://southerntiersportscorner.com)) for more information and make sure you visit soon before you finalize your holiday wish list!

## CORTLAND COUNTY TRIVIA FROM THE CORTLAND COUNTY HISTORICAL SOCIETY

**I**N THE LAST ISSUE OF the CAT, we asked if you knew what year the Pavilion at Little York Lake was built. The Cortland County Traction Company developed Little York Park beginning in 1904, when the company purchased 90 acres of land near the north end of Little York Lake with the intention of creating a destination park for the trolley line. There was already a trolley park between McGraw and Cortland, but Little York Lake had been a popular picnic destination for decades, and the Traction Company wanted to take advantage of the location because there were further plans to extend the trolley line through the Otisco Valley to Marcellus, where the trolley line would connect with the Auburn and Syracuse Electric Railroad. Little York also offered a larger location.

The Pavilion at Little York was started in 1905, and the park officially opened on Memorial Day, May 30, 1906. Sources indicate that the Pavilion was completed after the grand opening but before the end of the year. The day the park opened, a crowd of 5,000 was there to enjoy the new attraction. All 52 of the boats available at the lake were in service from 11am until dusk. That evening, the Cortland City Band, a 27-piece ensemble, gave a concert. The Pavilion was wreathed in strings of electric lights, and cottages along the lake started bonfires. By all accounts, it was a magical ending to a fabulous day.

After the Traction Company went out of business in 1932, the park experienced some decline. It was purchased by the county in 1941, but it would not be until 1952 that it was restored. Now called Dwyer Memorial Park, the park continues to be a place of respite for residents of Cortland County. The Pavilion is home to Cortland Repertory Theatre and has been since its founding in 1972.
