CELEBRATING THEIR 42ND YEAR

LOCATED AT 2677 MAIN STREET in Whitney point for the last 42 Years Aiello's Restaurant has been one of best locations within driving distance to find authentic Italian Cuisine. It has become the go to place for people who are seeking a fine dining experience in a small town. The Aiello's family have stayed true to their beginning by providing their customers take out service for both their fine dining offerings and now famous pizzas. Aiello's has a 42 year tradition of using only the freshest and best ingredients when preparing their dishes whether it is their Grade A Black Angus Meats, fresh herbs and spices, top notch mozzarella and even 100 imported olive oil. Always innovators, Charlie and Vinny

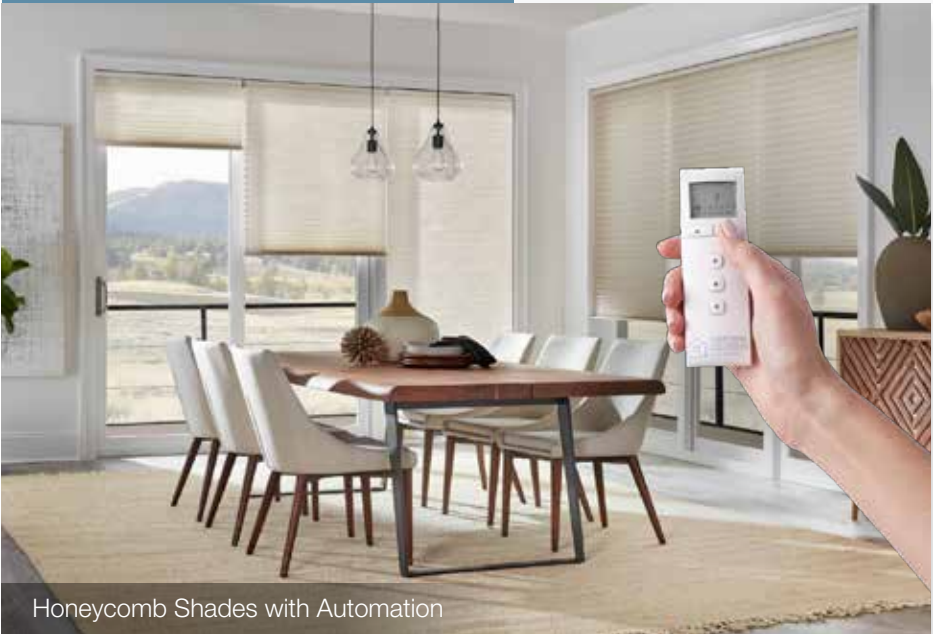

are always looking for ways to up their game. Whether it is a new recipe, or a fine cocktail there is always something in store. Aiello's Restaurant has always been a family affair. Their father Vito Aiello helped Calogero (Charlie) and Vincenzo (Vinny) open a small pizzeria in the community. Inspired by Mama's busy kitchen and being around restaurants they grew Aiello's from a small pizzeria it was to the premier fine dining establishment it is today. Through the support and friendliness of the people of Whitney Point they have been able to grow their reputation and reach far beyond the area. Now people come from all over Central New York and beyond to enjoy the Aiello's experience. As the years have passed and the Aiello's has grown, they have

embraced ways to improve the entire customer experience. In March of 2020, they updated their website aiellosrestaurant.com and were the first local restaurant in Whitney Point to offer their own online ordering dine in or pickup. In 2023 they added outside dining tables and music on Friday and Saturday during the spring/summer (Follow them on Facebook for music updates). Additionally, they specialize in catering events large and small. You can see both their regular menu and catering menu on their website. Don't worry if you aren't tech savvy, you can still give Aiello's a call at 607-692-4114 to order to go, make a reservation or set up your next catering event. Stop in and pick up a jar of Aiello's Sauce! They are open 7 Days a week from 11 am to 9 pm (10 pm on Friday, Saturday and Sunday). To commemorate their 40th Anniversary in 2022 - June 4th is now "Aiello's Day" in Broome County!

The 1890 House Museum, known for its Belcher Mosaic Windows, its intricate parquet flooring (which has just been refurbished), and the fact that you can explore 4 floors and the turret while learning about the Wickwire family, life in Victorian times and beyond. The 1890 House also hosts paranormal tours and allows paranormal groups to book the House for their own investigations.

The 1890 House Museum and Carriage House is also a great place to host your family parties as well as small-medium events. New this year we have a new parlor space on the 3rd floor that may be used for book clubs, tarot readings, and

even use for the healing arts. The space can be rented out on its own or as part of a rental of the downstairs Fernery/Sunroom.

So this summer when you are thinking of a great day trip remember the 1890 House Museum. Cortland has some great places to eat, shop and additional museums like the CNY Living History Museum and Suggett House Museum.

For more information about House tours or upcoming events: check out our website: the1890House.org. We are also on Facebook. For information about hosting an event at the House please contact us by email, info@the1890house.org, or phone, (607) 756-7551. We hope to see you soon!

CP FOODS SPECIALTY MARKET

32 Owego Street • 607-753-6900

OUR FAMILY-OWNED COMPANY, CP FOODS (formerly known as Cortland Produce) has been providing quality food and all kinds

of restaurant supplies to Cortland-Area restaurants since 1929. Which is why we're excited to be a sponsor for the first ever Cortland County Restaurant Week from March 18th – March 24th! Twenty-three restaurants are participating and we could not be any prouder to support them. Many of these same restaurants shop our retail store, CP Foods Specialty Market, located at 32 Owego Street. We have a large selection of wholesale restaurant size items like beef tenderloins, pork loins, seafood of all kinds, paper products, dried and canned goods. For large families, this means cost savings as well. We also have restaurant-quality desserts including our new line of Imported Italian Desserts from Bindi®. We've sampled them and wow are the

good! They literally taste like Nonna baked them at home. They're exceptional quality with delicious options like Tiramisu, Profiteroles, Ricotta Pistachio, Limoncello Mascarpone and assorted Sorbetto. Our staff is passionate about food and the legacy of CP Foods and are always available to help you shop our store. The meat department is of superior quality offering superior beef like Creekstone Farms® and Duroc Pork. A line of meat you cannot buy anywhere else in Cortland. And our Chef-Trained Butchers are always available to guide you in purchasing just the right kind of meat for your family and your budget. They even can trim and tie roasts and offer recipe suggestions. This may be why we were voted 2023 Finger Lakes Best Place to Buy Meat. And as we gear up for Easter, Passover and our famous, annual Thrill of the Grill, we invite you to stop in and shop where your favorite restaurant shops, 32 Owego Street. Store hours are Monday-Saturday 9am-6pm and Sunday 9am-4pm. Call to order your holiday roasts 607-753-6900.

CREATURE FEATURE I SPY WITH MY LITTLE EYE...

THIS REGION OF NEW YORK boasts an impressive natural diversity. Whether you're fortunate enough to live here year round or are just visiting, there are many interesting animals and plants to see in the southern hills. Playing an outdoors form of "I spy" with young children can set the stage for a fun and educational family outing, as well as engage nature loving grown-ups. This

spring and summer, as you explore a shady forest trail, wander around a wetland, stroll through a sun-soaked meadow, or paddle along a lake or stream, see how many of these wild wonders you can "spy with your little eye!"

Early spring coaxes ephemeral flowers to bloom, including hepatica, bloodroot, trout lily, and spring beauty. Knowing their delicate purple, white, yellow, and pink blossoms are short lived makes them all the more lovely to behold. Look for these flowers alongside woodland trails.

One of the first dragonflies to take wing each spring is the chalk-fronted corporal, which (as an adult) has a mostly dark body with a pair of pale shoulder stripes. This handsome dragonfly can be found near open and wooded lakes, ponds and wetlands where it catches mosquitoes and other pests in mid-air.

Perhaps this spring or summer you'll "spot" a white-tailed deer fawn, which bears around 300 spots on its back and flanks! Please remember, mother deer intentionally leave young fawns

alone to keep them hidden from predators. If you spy a wee fawn curled up in the forest or field, resist approaching; instead, quietly leave the area without disturbing it and count yourself fortunate to have seen this magical sight.

Since the ban of DDT in 1972, bald eagles continue to make a comeback and it's no longer a rare event to see our majestic national bird soaring overhead. As fish are its primary prey, especially in spring and summer, the best place to spy an eagle is near a lake or river.

Keep your eyes open for these other plants and wildlife in your travels. In spring: wood violet, trillium, wild leek, eastern bluebird, chipping sparrow, mourning cloak butterfly, green frog, and red fox. In summer: oxeye daisy, wood fern, water lily, great blue heron, scarlet tanager, eastern swallowtail butterfly, leopard frog, and little brown bat.

What will YOU spy with your little eye?

CORTLAND REPERTORY THEATRE READIES 52ND SUMMER SEASON AT LITTLE YORK PAVILION

CORTLAND REPERTORY THEATRE IS GEARING up to kick off their 52nd annual summer season, to be held at the Little York Pavilion in Preble, NY. The season will run from June 5 – August 17 and will contain three musicals and two plays.

Starting the season, from June 5-14 is a show that has been called “one of the greatest musicals of all time”: MY FAIR LADY, with book and lyrics by Alan Jay Lerner and music by Frederick Loewe. This musical was adapted from George Bernard Shaw’s play and Gabriel Pascal’s movie “Pygmalion” and was originally directed and staged by Moss Hart. In this story, Eliza Doolittle is a young flower seller with an unmistakable

Cockney accent which seemingly keeps her in the lower rungs of Edwardian society. When Professor Henry Higgins tries to teach her how to speak like “a proper lady”, an unlikely friendship begins to flourish. The musical’s score is loaded with familiar songs, including The Rain in Spain, I Could Have Danced All Night, On the Street Where You Live, and many others. Bill Kincaid, who directed CRT’s award-winning production of “Chicago” directs.

From June 19 – 28 is the CRT debut of the heartwarming comedy THE LAST ROMANCE, by Joe DePietro, the playwright who created a CRT favorite, “Over the River and Through the Woods”. This play explores the transformative power of love, no matter what age one may be. On an ordinary day in a routine life, widower Ralph takes a different path on his daily walk and meets Carol, who is sitting on a bench at a dog park. Ralph woos Carol, and they embark on a hilarious and touching journey that proves it’s never too late for romance. Mark Reynolds, who directed CRT’s award-winning “Newsies”, directs.

A recent Broadway musical, and the regional premiere is up next from July 3 – 12 with Jimmy Buffet’s ESCAPE TO MARGARITAVILLE, with a book by Emmy Award winner Greg Garcia and Emmy nominee Mike O’Malley, and music and lyrics by Jimmy Buffett. The story centers

around Tully, the “mayor” of Margaritaville, a part-time bartender, part-time singer, and full-time charmer who’s got life all figured out until a beautiful tourist steals his heart and makes him question everything he knows. This energetic score features Jimmy Buffett’s classics, including Cheeseburger in Paradise, Volcano, It’s Five o’clock Somewhere and many more. CRT’s Producing Artistic Director Kerby Thompson directs.

Running from July 17 – 26 is a thrilling new adaptation of the Broadway classic that inspired the 1967 film starring Audrey Hepburn, WAIT UNTIL DARK originally written by Frederick Knott and recently adapted by Jeffrey Hatcher. Murder, secret identities, and a switchblade set the stage for this white-knuckle thriller that takes place in the quaint 1944 Greenwich Village basement apartment of Susan, a blind yet capable woman and her husband Sam. While Sam is

away on business, Susan finds herself threatened by a trio of men who will stop at nothing to get a stolen item hidden in the apartment. Susan discovers that her blindness just might be the key to her escape, but she must wait until dark to reach the shattering conclusion. Deena Conley, Chair of the SUNY Cortland Theatre Department, directs.

Wrapping up the summer, from July 31 – August 17, CRT presents their debut production of Disney's BEAUTY AND THE BEAST, with music by Alan Menken, lyrics by Howard Ashman and Tim Rice and a book by Linda Woolverton. This "tale as old as time" was originally directed on Broadway by Robert Jess Roth, and originally produced by Disney Theatrical Productions. Original music supervision and new arrangements are by Michael Kosarin with dance music arrangements by Glen Kelly and orchestrations by Danny Troob. Based on the Academy Award-winning animated film, the story of Belle, a young woman in a provincial town, and the Beast, who is really a young prince trapped under the spell of an enchantress, comes to life before your eyes! Barbara Hartwig, who directed/ choreographed CRT's spectacular production of "Cats" returns to take the helm.

Also on the summer agenda is STORYBOOK TALES, performed by the Bright Star Touring

Company, on July 31 at 11AM and July 1 at 11AM and 1 PM. Tickets at \$8.00 for ages 11 and up, Free for ages 10 and under. Whether it's dashing through the streets of Geppetto's Italian village, or hiking through the Sherwood Forest in Nottingham England, comic duo Lenny and Mabel, "The Greatest Actors In The World" are sure to delight in this fun collection of stories. Join Lenny and Mabel as they bring their traveling show featuring Geppetto and his little wooden boy Pinocchio. Learn lessons of responsibility and parental love as Pinocchio struggles to become real. Then travel to England with Maid Marian and the Sheriff of Nottingham as they encounter great capers with the outlaw, Robin Hood! These tales are sure to delight any young audience, or anyone who is young at heart.

The CRT Box Office opens on May 20 for all sales. Adult Tickets for \$42.00 (center seats) and \$40.00 (side seats). A \$2.00 discount is available on individual tickets for seniors 62 and up, active military and veterans, first responders and groups of 10 or more. PLANS UNDERWAY FOR ST. ANTHONY'S ITALIAN FESTIVAL

WHILE ST. PATRICK'S DAY is noted for ushering in spring, St. Anthony's Day Italian Festival in Cortland marks the onset of summer. The decades old festival honors the patron saint of St. Anthony's Church and celebrates the Italian heritage of those that built the parish in 1917.

This year's Festival, slated for the weekend of June 8 and 9, actually kicks off on Saturday, June 1 with a spaghetti and meatball dinner from 4-7pm in the church hall on 50 Pomeroy Street. There will be eat-in or take-out options.

On Wednesday, June 5 from 7-8pm an evening prayer service, Benediction, and Adoration is planned. Deacon Tim Stedman will lead the Service.

The festivities, on the church grounds, begin Saturday, June 8 from 4-10pm and continue Sunday June 9 12:30-6pm. Plans are underway for live music, Italian food favorites, games, raffles, prize/cake wheel, Italian novelties, gift baskets, and Saturday evening fireworks.

Mark your calendars and plan to attend Cortland's official kickoff of summer where everyone is Italian for the weekend.

 FROM THE CORTLAND
 COUNTY HISTORICAL SOCIETY**

SOLON NATIVE MAUD BINGHAM WADSWORTH was born in 1875 and died in 1968, and she was witness to a tremendous amount of change in her lifetime. In the following poem, she laments the rise of the automobile.

Memories, by Maud Wadsworth

*The sleigh, the cutter, the bobsled, too
 Were often seen in the days I knew,
 And maybe a pung would come in sight—
 And pitch holes bothered both day and night.
 With spring, all sleighs were stored away
 And wheels were tuning on our big highway.
 Out came buckboards and sulkies too,
 With platform wagons and buggies new.
 There were easy phaetons, surreys gay,
 With prancing horses—black, white, or bay.
 But now, alas and alack, is me!
 Some form of auto is all we see.
 We love the auto for speed and ease,
 Go fast—go slow—just as you please.
 Summer and winter, on they go—
 For snowplows clear the road, you know.
 "Life is cheap," so some folks say,
 And many die on our highway.
 Let us pause a bit this busy day,
 And count the blessings that come our way.
 No time to worry, no time to fret,
 For "flying saucers" aren't with us yet.*

What changes have you experienced in your life that you think are substantial? Do you like changes, or do you wish things never changed?

You can visit Cortland County Historical Society at 25 Homer Avenue in Cortland to learn more about life in the past lane! Enjoy our museum, learn more about local history in our research center, or bring the kids to explore our Then & Now Children's Room. It will be a day well spent.

FINGER LAKES MICROD CLUB A GREAT PLACE TO START YOUR RACING CAREER

THE FINGER LAKES MICROD CLUB has been around since 1983 and has given 803 children a chance to learn how to race a Microd during their 42 years of existence. There was a time in their history they were known as “The Finger Lakes Driving School” because most children that go there had no driving experience when they started. A second advantage for families was “You didn’t have to Own a Microd” to participate in the program, families could rent one for the summer.

First is cost—it’s affordable, it only costs \$545.00 for a full season that includes the Microd car & motor rental, insurance, and other club expenses.

Second, flaggers that are willing to explain mistakes to drivers, because how do you get better if you don’t know what you did wrong.

Third, atmosphere, a parent doesn’t have to have a great working knowledge of mechanics in order to compete, because members help each other when there’s problems. Families help each other working on Microds.

Fourth, the club offers a chance to Try-out. Where a parent can bring their child and let them try driving a Microd for 10 laps or so, at no charge, before deciding to join the club or not.

Fifth, all cars must weigh-up to the heaviest car – driver combination in their class, and drivers draw chips each week to see which motors they

will get. These last two principles are designed to keep the playing field as level as possible and allow drivers to concentrate on developing their confidence and driving skills.

The Finger Lakes Microd Club Track is located just off the corners of Routes 38 and 34B, and is the sport of Microding’s Premiere Facility. The club track offers a picturesque setting with all of its beautiful shade trees, lush landscaped lawn, and well kept buildings. A fine setting for you to spend time with your family and friends. Another nice feature of the club is that they are inclusive, meaning they have Microds with hand controls, to accommodate children with disabilities. Read more about our Club Goals and program for special needs kids on our web pages

www.littlewheels.org. Racing is for both Boys & Girls ages 5-17. If you would like to schedule a try-out call (A.J.) at 607-898-3313. For more information see our Website: www.littlewheels.org. The emphasis is on parents spending time with their children, interacting and helping other families, in a nice atmosphere doing an activity everyone enjoys!
