CJ MORSE PAINTING & CONSTRUCTION

By Jaxyn Boyce

Established in 1978, at the age of 18 as CJ Morse Painting until it expanded in 1985 into CJ Morse Painting and Construction, now operating for over 45 years. The owner, Carl Morse, gained his inspiration from his childhood, where he gained experience painting his family's historic Victorian, both exterior and interior. News of his work eventually spread to his neighbors, and from age 14, he painted an average of four to five houses annually.

Now, CJ Morse Painting and Construction can service all types of painting and staining needs, as well as light plumbing and electric work. In addition, they can help with carpentry and masonry needs or repairs. "No job is too big or too small", CJ Morse explains. CJ Morse Painting and Construction are proud of what they do and are dedicated to their customers, stating, "We stand by what we do." They offer senior and scheduling discounts with free estimates and highly recommend visiting their Facebook page, facebook.com/CJMorsePaintingAndConstruction, where weekly projects are uploaded. CJ Morse Painting and Construction is located at 411 Butternut Drive in Newfield. They can be reached by phone at (607) 564-0620, or at their office number (607) 342-4516, and email at cjmorsepainting@gmail.com.

SHUTE'S WATER SYSTEM AND WELL Drilling has been a family-operated business since 1963, when Howard Shute and his brother-in-law, Warren Shetler, first opened the business. Originally named Lafayette Well Drilling, Howard Shute carried the business alongside his sons; Mark, Neil, and Scott, and its reputation for many years until Howard Shute officially retired at almost 80 years. Scott Shute and Matt Farkas continue the effort of providing safe and clean water. The office is run by Scott's wife, Becky, and Mark Shute's daughter, Jill. Satisfied customer recommendations and glowing reviews are attributed to Shute's Water Systems and Well Drilling's success.

Now serving the CNY's areas, including Syracuse, Baldwinsville, Cortland, Cazenovia, Chittenango, Canastota, Fayetteville, Auburn, Tully, Lafayette, Marcellus, Manilus, Camillus, and Skaneateles. Scott Shutes mentions, "With years of experience, our team will assess your needs and create a custom water system plan or repair that's right for you."There are tests to determine the specific needs of a customer, and the basic water analysis of hard metals is free. For a more detailed survey, called the Water quality indicators (WQI), there is the option to test for microorganisms and bacteria. Shute's Water Systems conducts the test, and the results are then sent to a lab. They stress the importance of well-testing as the lasting effects can lead to health problems.

There are a few things to keep in mind when determining the quality or purity of the water. Examples are; recent

construction, location, maintenance, the water source, and any septic floods that could cause leakage into the well. These area contaminants vary upon location as well. Shute's Water systems have Ultraviolet filters, Chlorination and Filtration setup, and Carbon and Sediment filters. If water is determined to be hard, there are also conditioning treatments available, like; reverse osmosis, salt-based or salt-free, dual water tank softener, or a magnetic water descaler.

Shute's Water Systems can provide installation and maintenance on water pumps and storage systems. Any brand is available and can be maintained. However, a brand manufactured in the Auburn and Seneca area, Goulds, is a popular choice. In addition, Shute's Well Drilling is a fourgeneration business, with Mark and his son Jeff overseeing. Both experienced and reliable, the benefits of private well water can provide financial benefits, as well as cleaner water overall. Free from water bills, and the toxins public water can carry, Shute's Well Drilling installs quality wells for its customers. Their slogan is, "Quality Water From Your Well To Your Faucet!" Shute's Well Drilling is located on Highway 20, in Lafayette. They can be reached at (315) 952-4113. Shute's Water System is also located in Lafayette on 5684 Route 20. To schedule an appointment, they can be reached at (315) 677-5552.

CREATURE FEATURE LATE SUMMER SOUNDTRACK

TAKING THEIR CUES FROM THE shortening daylight, most songbirds have ceased singing. The quiet of late summer can be unsettling in the wake of the near-constant hullabaloo earlier in the season. The other day as dusk was falling, the deep stillness was almost palpable. Soon, however, the crickets and katydids began their evening chorus, reminding me that summer's music hadn't died-Mother Nature was simply composing a new medley.

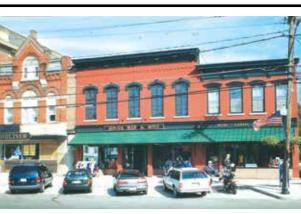

The two- or three-beat song of the katydid is a quintessential sound of late summer. Occasionally, the isolated notes of a solitary katydid reaches our ears, "Cha-cha! Cha-Cha!" Often though, the symphony from an orchestra-full of the thumb-sized, lime-green insects produces an overlapping barrage of repetitive, pulsating beats that sound more like, "Katy-did, Katy-didn't..."

No voice box needed—the male katydid "sings" with wings to attract a mate! A serrated ridge, called a file, runs across the base of the left wing, just behind the head. A nub on the right wing lines up opposite the file. Like a fiddler wielding a bow, the katydid draws the wing bases together, passing the nub over the file to create a percussive scratchy buzz. His iconic song gets amplified by a wing patch similar to the skin on a banjo. Incredibly, some katydid species can strum over one hundred times per second! Also amazing is that female katydids hear these love songs through specialized nerves in

As you enjoy the rest of your summer, be sure to tune in to the late season soundtrack!

CORTLAND COUNTY HISTORICAL SOCIETY TRIVIA DID YOU KNOW?

By Tabitha Scoville, CCHS Director

 ${f D}^{ ext{ iny TOU}}$ KNOW THAT THE Homer Men and Boys Store in Homer was started as an Army surplus store? Founder Roland "Frog" Fragnoli immigrated to the United States from Castleforte, Italy in 1941, along with his mother and brother. They moved to Commando Avenue in Cortland, joining extended family who had already settled in Cortland's East End. Frog was enrolled in school but since he could only speak Italian, he struggled in his classes and decided to quit to join the military. After eight years of military service, he returned to New York. His brother had an Army/Navy store in Geneva, and Frog worked with him there, but he wanted his own business, so he sought out a location in Homer. He secured a storefront at the corner of Pine and Main Streets and opened his own Army/Navy

> Over the ensuing decades, the store morphed from an army surplus store into a family clothing and footwear store as army surplus goods became more difficult to stock. Frog's business acumen was always spot on; from his decision to carry clothing for the whole family, to expansions to increase square footage and inventory, and to developing an internet storefront as early as 2001, he created an extraordinarily successful business that transcends its brick and mortar storefront to serve customers all over the world.

Brothers **Charlie (Calogero)** and **Vinny (Vincenzo)** have stayed true to their roots, offering the same family hospitality and commitment to excellence that inspired them in **Mama's kitchen**.

At Aiello's, the difference is in the ingredients:

- Grade A Black Angus Steaks
- Fresh herbs and spices
- Top-quality mozzarella

• 100% imported extra virgin olive oil

From their acclaimed entrees to their now-famous pizzas, everything is made in-house with care and passion. They continue to innovate, always experimenting with new recipes, cocktails, and experiences for their loyal guests.

Aiello's is proud to offer **takeout and catering services** for events both large and small. In 2020, they became the **first local restaurant** in Whitney Point to launch **online ordering** through <u>aiellosrestaurant.com</u>, making it easier than ever to order for pickup or dine-in.

Not comfortable ordering online? No problem — just call $\bf 607$ - $\bf 692$ - $\bf 4114$ to place an order, make a reservation, or schedule your next event.

And don't leave without picking up a **jar of Aiello's own tomato sauce** — made with only the **finest California tomatoes**. The color is incredible, and the taste is even better!

Aiello's is open **7 days a week** from **11:00 AM to 9:30 PM**. Come see why generations have made Aiello's their go-to for exceptional Italian cuisine.
