CAPITALIZING ON STRENGTHS

EVERYONE EXPERIENCES DIFFICULTIES IN LIFE. If you have a disability, Life has dealt you an even more challenging experience to navigate. Finding basic services, advocacy, resources and especially employment can be daunting with a disability. Where do you turn for help?

As the Disability Resource Coordinator for Cortland County, It is my job and pleasure to assist you in reaching your employment goals. Do you want to keep your disability benefits and work part-time? Do you eventually want a rewarding career without being on Social Security Disability? Regardless of where you are now, I can usually help coordinate resources on your behalf and assist you along your journey.

Did you know that people receiving disability benefits most often will not be subjected to a medical review while they are in an academic or vocational program? Did you know that when and if you earn above the Substantial Gainful Activity, you still retain your disability benefits for up to a year while keeping your earned income?

I believe your realistic goals are worth fighting for! I believe many people can reach new heights of accomplishment in spite of their barriers. I believe that everyone deserves someone in their corner coordinating and advocating for them. Indeed, that is my job and personal objective.

ALLSTATE OFFERS SUMMER SAFETY TIPS AS VACATION PLANS HEAT UP

AMERICANS ARE PREPARING FOR SUMMER vacation trips around the country. Vacationing away from home though can present safety risks as well as pleasures.

"You can help make family trips more enjoyable by taking a few simple steps to reduce the possibility you will become an easy target for thieves who prey on tourists, or that your home will be robbed in your absence," says Allstate spokesperson for New York, Jaclyn Darrohn. "Following some simple precautions can make your family vacation a memorable one for all the right reasons."

To help you enjoy a safe family vacation, the following are some tips from Allstate Insurance Company:

Make sure your home is protected while you're away:

- Stop mail and newspapers, or ask a neighbor to pick them up every day.
- Put several household lights on timers so they turn on and off at appropriate times.
- Arrange to have grass mowed while you're gone.
- Ask a neighbor to park in your driveway overnight - anything that might suggest someone is home.

Make sure you don't pack unnecessary items and that your valuables are protected:

- Clean out your wallet or purse before you go; take only essential credit cards.
- Carry your purse close to your body, or wallet in an inside front pocket.

- Pack as lightly as possible. Lots of heavy, cumbersome bags will slow you down and make you more vulnerable to getting robbed.
- Keep a separate record of the contents of checked luggage. Keep anything of value such as medicine and jewelry in a carry-on that stays with you.

In unfamiliar locations, you and your family should try to blend in with the crowd and not look too much like tourists:

- Don't display expensive jewelry, cameras, bags, and other items that might draw attention.
- Check maps before you go out so you can tour confidently.
- Stick to well-lit, well-traveled streets at all times.
- Leave an itinerary of your trip with someone at home in case you need to be contacted. Carry an extra passport photo with you just in case you need to replace a stolen passport.
- Don't use your home address on your luggage tags. You don't need to let anyone know where your empty house is located. Consider using your business card instead.

For more information on this and other safety topics, you can reach out to a local Allstate agent or visit www.allstate.com.

Contact SHIRLEY EIZEMBER, Exclusive ALLSTATE AGENT at the Pinckney Insurance Agency located at 41 Port Watson St Cortland, NY 13045..Ph 607-756-8505.

The Allstate Corporation (NYSE: ALL) is the nation's largest publicly held personal lines insurer, protecting approximately 16 million households from life's uncertainties through auto, home, life and other insurance offered through its Allstate, Esurance, Encompass and Answer Financial brand names. Allstate is widely known through the slogan "You're In Good Hands With Allstate®." The Allstate brand's network of small businesses offers auto, home, life and retirement products and services to customers in the United States and Canada. In 2014, The Allstate Foundation, Allstate, its employees and agency owners gave \$34 million to support local communities. MIKE'S FISH TANK HERMIT CRABS

THIS WEEK WE WILL TALK about hermit crabs. There are 6 hints for a healthy hermit crab.

1. Provide new shells for crabs to grow into.

Hermit crabs love to switch shells and need larger shells as they grow.

The new shell should always be a little bit bigger than the one it is in at the present time. The shell opening should be the same size as the large pincher. Crabs will not always change shells. If they like the shell they are in, they may stay right there.

2. Not all shells are suitable.

Always buy shells at your pet shop, where the shells have been properly cleaned and processed.

If you use a shell you find at a beach, be sure to boil it for a few minutes to rid it of any parasite or bacteria that could be there.

3. Bathe your crabs.

Crabs will clean themselves if you provide them with fresh water in their bowls. But it is a good idea to bathe your crabs on a weekly basis.

Put a little bit of room temperature water into your sink and let the crabs move around in that for 5 to 10 minutes. After that, allow them to air dry.

4. Create a healthy social environment.

Crabs thrive on company. They are most active and entertaining when kept in pairs, or in a crab community.

As you increase the amount of crabs, be sure to increase the amount of space for them. They also need a warm and humid environment. A good day temperature would be 75 to near 78 degrees, night time temps, 65 to 70 degrees.

5. Promote exercise by creating a playground.

Crabs love to climb. Coral and choya wood will encourage activity. Again, be sure they have plenty of room.

6. Serve a balanced diet and fresh water daily, preferably in shell dishes.

Crabs need calcium and they can get this from their shell dishes. They thrive on premixed hermit crab food and treats.

You can also serve them some fresh fruits and vegetables. They sometimes try to bury their food so remove all uneaten food after their daily feeding.

The crab farms suggest putting a small amount of warm water into your sink and sprinkle some of their food around the edge of the water. This simulates the eating habits when they are on a beach near an ocean. Then take them out, rinse them off and you are all set.

This method will also keep your hermit crab tank cleaner too. We stock a big variety of hermit crab supplies and hermit crabs as well.

Pets A Plenty is located in the Blockbuster Video Plaza, Rte 281 Cortland, 753-9213. Open 7 days a week. We now have a website. WWW.PETSAPLENTY.BIZ. check it out. I post care sheets, coupons, new animal arrivals, contests and more. Any questions, email me at friskyy@hotmail.com

DEDICATED TO THREE GRANGE MEMBERS

THE 2015 DRYDEN DAIRY DAY parade is dedicated in memory of three longtime Dryden Grange members, representing over 200 years of Grange membership. These individuals are Frances Mary Schutt, Clyde Cotterill, and Sibley Stewart. All of them had strong dairy farm connections in the Dryden area over the years and have all supported Dairy Day since it's inception in 1984.

Frances Mary Schutt was a longtime member and Treasurer of the Dairy Day Committee. Her husband, Lloyd, and their family operated a dairy farm on W. Lake Rd. in Dryden. Clyde Cotterill and his brothers operated a large dairy farm on Daisy Hollow Rd. near Harford, prior to Cornell University buying the farm to build their Teaching and Research Center there in the late '60's. And Sib Stewart operated a dairy farm on Lake Rd. near the golf course for many years. In addition to being dairy farmers, they were all active and involved leaders in the Dryden community. We salute them in naming the 2015 Dairy Day in their memory.

The Dairy Day parade will begin at 9:30 on Saturday, June 13 and proceed from Empire Livestock Market down Main Street. Festivities, including craft vendors, information booths, live animal display, farm equipment, games and entertainment and a full menu of delicious foods will take place in Montgomery Park until 3:00 p.m. Come out to Dryden Dairy Day and show your support for local dairy farmers!

JENNIFER STOREY MARY KAY INDEPENDENT BEAUTY CONSULTANT

As a Mary Kay Independent Beauty Consultant since January 2005, I help women look their best by selling Mary Kay skincare and makeup items. My specialty is skin care – you are never too young or too old to take care of your gorgeous face! A range of skin care products are available to help you feel beautiful.

Check out our newest Limited Edition items from the Paradise Calling Collection – whipped eye color, lip shine, and nail lacquer in fun summer colors! In addition, try the NEW sheer True Dimension lipstick in four beautiful colors!

Did you know that Mary Kay is more than just skin care and cosmetics? Just this week, Mary Kay Inc. earned first place at the 7th annual Boston College Corporate Citizenship Film Festival. The video, "One in Four" is part of Mary Kay's Don't Look Away campaign to help prevent and end domestic violence. Videos were submitted by 58 companies, and more than 40,000 votes were cast, with half of the votes in favor of "One in Four." To watch the video, visit marykay.com/dontlookaway.

Mary Kay Ash emphasized the importance of giving back to the communities where we live and work. Her legacy of love and strong sense of social responsibility led to the inception of the Mary Kay

Foundation, committed to ending domestic violence and eliminating women's cancers. Every October, The Mary Kay Foundation observes National Domestic Violence Awareness Month by awarding grants to women's domestic violence shelters across the United States. In 2013, the Foundation awarded \$20,000 grants to more than 150 women's domestic violence shelters, totaling \$3 million. In 2014, the Foundation awarded \$1.2 million in grants to select doctors and medical scientists focusing on women's cancers. Source: <http://www.marykayfoundation.org/Pages/Home.aspx>.

Mary Kay Ash founded the company in 1963 with a mission to help women achieve personal growth and financial success. For over 50 years, the Golden Rule and recognizing the accomplishments of others has continued to be a guiding philosophy. Integrity, honesty, and a genuine interest in building relationships has been fundamental in the continued success of Mary Kay. Sharing in the Mary Kay opportunity empowers women from all walks of life to realize their potential. Worldwide, there are over 3 million Independent Beauty Consultants, over 39,000 sales directors, and over 600 National Sales Directors (the highest status of the Mary Kay sales force). Source: <http://www.marykay.com/en-US/About-Mary-Kay/Pages/default.aspx>

For any Mary Kay users needing a consultant, or for anyone who has never experienced Mary Kay, let me show you what you've been missing! We can do a one on one consultation, a party with friends, or a virtual party. My commitment to my customers is to not only meet, but consistently exceed, your expectations. As Mary Kay Ash said, "I truly believe that serving customers is one of the great factors that sets us apart from every other company." I can also help other women who are interested in starting their own Mary Kay business.

**NOW THRU JUNE 13,
"ALWAYS A BRIDESMAID"**

CORTLAND REPERTORY THEATRE, LITTLE YORK Pavilion. In this hysterical comedy, four high school friends made a vow to be in each other's weddings... no matter what. More than thirty years later, these friends-for-life are still making "the long walk" for each other, determined to honor that vow. Hop on this marriage-go-round for the laugh-out-loud journey of Libby Ruth, Charlie, Deedra and Monette as they commit to the notion that while careers, waistslines and marriages may disappear, real friendships last a lifetime. Tickets now on sale. For more information call 800-427-6160 or visit cortlandrep.org.

JUNE 17 THRU JULY 4, "1776"

CORTLAND REPERTORY THEATRE, LITTLE YORK Pavilion. The birth of our nation blazes to vivid life in this Tony Award winning musical about the creation of the Declaration of Independence. This one-of-a-kind musical puts a human face on our Founding Fathers: proud, uncertain, irritable, and ultimately noble figures who are determined to do the right thing for a fledgling nation. Follow John Adams, Benjamin Franklin and Thomas Jefferson as they attempt to convince the Continental Congress to vote for independence. Funny, insightful, and stirring, it's an exciting way for the entire family to celebrate our country's birth. Tickets now on sale. For more information call 800-427-6160 or visit cortlandrep.org.

**PAINTBALL TARGET
SHOOTING IS PURE FUN!
SPLATZ PAINTBALL
AT SHIPWRECK
AMUSEMENT CENTER**

KIDS AND ADULTS LOVE TO SHOOT at SPLATZ PAINTBALL. What they don't love is having to get 5-10 people together to play paintball. At Splatzz paintball arcade this is not an issue. You only need 1 shooter to totally splat our zombies, cowboys, animals and other themed targets.

Any age can take part in this activity, and yes Mom, that includes you. Kids as young as 6 pull the trigger and hear the smack as the paintball hits one of our 150 targets and watch it splatter!

There is no kick back with paintball guns and we are of course big on safety. Each shooter is provided with a certified Tippman gun, goggles and training. No pain, no mess, no clean up. Just 8 shooting stations and plenty of family fun.

Whether you are passionate about paintball or have never held a paintball gun in your hand, you will love the fun you have shooting at our targets. Just be careful, our customers find this activity very addicting.

Come on down to Splatzz Paintball located at Shipwreck amusement center and give it a try. Visit shipwreckgolf.com for more details. Or call (607) 758-8585. Open daily.
