SHUTE'S WATER SYSTEMS

By Jaxyn Boyce

SHUTE'S WATER SYSTEM AND WELL Drilling has been a family-operated business since 1963, when Howard Shute and his brother-in-law, Warren Shetler, first opened the business. Originally named Lafayette Well Drilling, Howard Shute carried the business alongside his sons; Mark, Neil, and Scott, and its reputation for many years until Howard Shute officially retired at almost 80 years. Scott Shute and Matt Farkas continue the effort of providing safe and clean water. The office is run by Scott's wife, Becky, and Mark Shute's daughter, Jill. Satisfied customer recommendations and glowing reviews are attributed to Shute's Water Systems and Well Drilling's success.

Now serving the CNY's areas, including Syracuse, Baldwinsville, Cortland, Cazenovia, Chittenango, Canastota, Fayetteville, Auburn, Tully, Lafayette, Marcellus, Manilus, Camillus, and Skaneateles. Scott Shutes mentions, "With years of experience, our team will assess your needs and create a custom water system plan or repair that's right for you." There are tests to determine the specific needs of a customer, and the basic water analysis of hard metals is free. For a more detailed survey, called the Water quality indicators (WQI), there is the option to test for microorganisms and bacteria. Shute's Water Systems conducts the test, and the results are then sent to a lab. They stress the importance of well-testing as the lasting effects can lead to health problems.

There are a few things to keep in mind when determining the quality or purity of the water. Examples are; recent construction, location, maintenance, the water source, and any septic floods that could cause leakage into the well. These area contaminants vary upon location as well. Shute's Water systems have Ultraviolet filters, Chlorination and Filtration setup, and Carbon and Sediment filters. If water is determined to be hard, there are also conditioning treatments available, like; reverse osmosis, salt-based or salt-free, dual water tank softener, or a magnetic water descaler.

Shute's Water Systems can provide installation and maintenance on water pumps and storage systems. Any brand is available and can be maintained. However, a brand manufactured in the Auburn and Seneca area, Goulds, is a popular choice. In addition, Shute's Well Drilling is a four-generation business, with Mark and his son Jeff overseeing. Both experienced and reliable, the benefits of private well water can provide financial benefits, as well as cleaner water overall. Free from water bills, and the toxins public water can carry, Shute's Well Drilling installs quality wells for its customers. Their slogan is, "Quality Water From Your Well To Your Faucet!" Shute's Well Drilling is located on Highway 20, in Lafayette. They can be reached at (315) 952-4113. Shute's Water System is also located in Lafayette on 5684 Route 20. To schedule an appointment, they can be reached at (315) 677-5552.

FAVORITE HOLIDAY GIFTS FROM NIGHTINGALE’S TULLY LAKES ACE HARDWARE

NIGHTINGALE’S TULLY LAKES ACE HARDWARE store in the Village of Tully has more than just hardware! Here are some of our customer’s favorite gifts during the holiday season!

#1 DryShod Boot. Dryshod boots are 100% waterproof and come in winter and year-round styles for Men, Women, and kids. With lots of colors and temperature ratings to choose from- they are one of the most popular gift items we sell going into the cold season. Perfect for outdoorsmen & women, hunters, ice fisherman, and anyone who spends time working or playing outside in CNY winters!

#2 Grills and Grilling Accessories. The holidays are a big time of year for gifting new grills or special accessories for the BBQ cook in your life. The holidays bring some really great deals on upgrading to a new Weber gas grill, Traeger pellet smoker or the increasingly popular flat-top griddle made by Weber and Blackstone. And there is an endless supply of accessories for the cook that already has a grill- Gift them cooking utensils, special insert grates like pizza stones, sear grates, and griddle inserts, or new wi-fi temperature probes. Seasonings, sauces, and hot sauces are always a favorite too - and make a perfect stocking stuffer!

#3 Milwaukee Heated Apparel. Every winter we see more and more customers choosing heated clothing as the go-to choice

for staying warm without overly bulky jackets. Milwaukee offers a variety of jackets, camo, vests, and hoodies that are heated with rechargeable batteries. They are a favorite of anyone working or playing outside in winter- warm without being bulky- and they fly off the shelves around the holiday season!

#4 Wild Bird Feeding. Backyard bird feeding peaks during winter months and the holidays are the perfect time to give the gift of an extra special bird feeder that someone may not necessarily buy for themselves. Our assortment of top-end wooden bird feeders and specialty glass and decorative hummingbird feeders are very popular items before Christmas. We also have some limited time seasonal items such as wreath shaped suet handers and novelty feeders and bird houses.

#5 Ooni Pizza Ovens. Backyard pizza night became popular during the pandemic and the trend stuck. Ooni's pizza ovens are a high-temperature backyard pizza oven that reach temperatures of 750 degrees using propane, charcoal, firewood, or cooking pellets (depending on the model). They come in various sizes and are portable enough to pop up on a picnic table. The high temperature heats the pizza stone fast and makes cooking a homemade pizza better than takeout! The popularity of Ooni is soaring and is a unique gift for the pizza lover and backyard party host on your list!

#6. Battery Powered Power Tools. Battery power is the new trend and it is in every category from power tools to lawn equipment. Every major brand - including Ego, Milwaukee, Dewalt and Craftsman are continuing to up the game in battery powered performance. We see an increasing number of homeowners and professionals upgrading to battery powered string trimmers, leaf blowers, chainsaws, push trimmers, and even riding mowers and snow blowers that are

battery operated. The Ego Battery Powered Snowthrowers are available in store and also by online order this winter season! Ace has Black Friday and December sales and deals that are sure to make picking out new tools and power equipment something you can do for multiple people on your shopping list!

#7 John Deere Toys. Customers love our selection of John Deere toys. There are unique toys for all ages!

#8 Treats for four-legged friends. The holiday season is a popular time for a new dog bed, special treats and bones, and fun cat toys & treats for the fur babies on your list!

#9 Gifts for Greenthumbs. We all have someone on our list that loves their garden or houseplants. The holiday season is a great time to put together a gift set that every greenthumb will love: A beautiful new flower pot, a new set of hand tools, and a Nightingale gift card that will let them pick out flowers, hanging baskets or vegetable seedlings from the plant tent next spring! Or surprise them with some winter-blooming plants like a Christmas Amaryllis or one of the unique houseplants from our new rack of indoor succulents and cacti!

#10 Nightingale Gift Cards. One size does fit all! Can't decide what to get that hard-to-shop-for person on your list? November and December are prime months for gift cards because they can be used on anything in the store from gloves, to hand warmers, fishing gear, tools—everything!

CORTLAND COUNTY TRIVIA FROM THE CORTLAND COUNTY HISTORICAL SOCIETY

DID YOU KNOW THAT THERE was a local coaching club that used a stagecoach for recreational day trips throughout central and upstate New York in the 1890s through the early 1900s? After travel by train came into vogue, the need for stagecoaches became obsolete, however nostalgia for bygone times gave rise to a trend of coaching clubs for recreational travel. The Truxton Coaching Club was organized in 1891 with these charter members: Dr. Judson C. Nelson, Albert C. Stevens, Peter D. Muller, Frank L. Hilton, Otis D. Patrick, Alfred R. Bryant, and Fred I. Woodward. Later they were joined by Alvah R. Muller. These gentlemen, along with their wives, driver Perry Chapel, and occasional guests traveled throughout the region in grand style in a refurbished stagecoach.

The stagecoach used by the Truxton Coaching Club was acquired at Schoharie, and the vehicle was an authentic coach that had traveled from Middleburg to Schoharie for more than 100 years before it found additional use as a recreational vehicle for the Truxton Coaching Club. The old stagecoach was shipped to Cortland where it was completely overhauled and given new life. The coach was painted red with black trim, and it comfortably carried 20, plus the "whip," a term used for the coach driver.

The travels of the coaching club included trips to the Thousand Islands and Watkins Glen. The sight of a stagecoach as a means of travel was a novel sight, and the coaching club enjoyed convivial receptions throughout their travels.

JOIN US FOR OUR 28TH annual Live Nativity Benefit, to share a gift with the community and our dear friend Julie Ryan fighting Lymphoma. Every twenty minutes a new group of folks, young and old exchange provided robes, wings, Shepard staffs and baby Jesus. We so appreciate the folks that have done this for years, but there is always room for anyone or any group that would like to join a setting (no lines spoken)

Just give us a call ask for Kay at 607-842-6322, to sign up for a time in our casual nativity scene. It's a fun memory to make with family and friends. We hope you can take the time for the road less traveled and stop in at our farm market open Thurs and Fridays 9-6, Saturdays 9-4, and Sundays 11-3. You might be surprised to find a treasure here on the front porch, produce, gift or antique shop. We appreciate those who still shop Small Town USA.
