ROBINSON FAMILY JEWELERS, WHERE FOREVER BEGINS THE AREA'S PREMIER BRIDAL DESTINATION

3 Groton Ave., Cortland
robinsonfamilyjewelers.com
(607) 543-4044

CHOOSING AN ENGAGEMENT RING OR wedding band is one of the most meaningful purchases a couple will ever make. It's a symbol of love, commitment, and a future built together. For generations of couples in our community, that journey has begun at Robinson Family Jewelers.

Family owned and operated; Robinson Family Jewelers has become a cornerstone of the local bridal experience by combining an unmatched selection with personal service you simply can't find at big-box stores or online retailers. With the largest bridal jewelry selection in the area, the store offers something for every style, story, and budget.

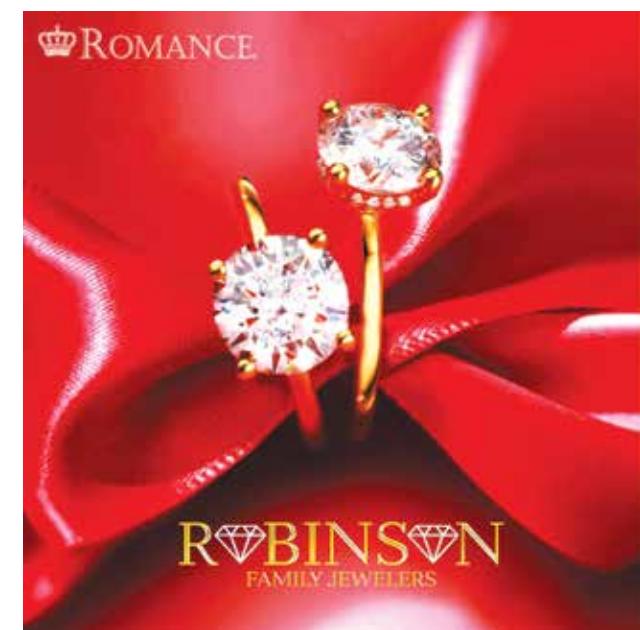

From timeless solitaires to intricate halo designs, vintage-inspired settings to modern minimalist bands, Robinson

Family Jewelers showcases an extensive collection of engagement rings and wedding bands. Couples can explore a wide range of diamond shapes, precious metals, and design aesthetics all in one place, making it easy to compare styles and discover what truly speaks to them.

But what truly sets Robinson Family Jewelers apart is their ability to create custom designs. For couples who want something completely unique, the store offers custom engagement rings and wedding bands designed from the ground up. Whether it's incorporating a family heirloom diamond, redesigning an existing ring, or creating a one-of-a-kind piece inspired by a personal love story, their experienced family works closely with each couple to bring their vision to life.

The custom design process is collaborative and stress-free. Clients are guided through each step, from initial concept and stone selection to final details and finishing touches. The result is a piece that is not only beautiful, but deeply personal—an heirloom meant to be cherished for generations.

As a family-run business, Robinson Family Jewelers understands the importance of trust, relationships, and community. Their reputation has been built on honesty,

craftsmanship, and treating every customer like family. Many couples who purchase an engagement ring return years later for wedding bands, anniversary gifts, and milestone celebrations, creating lasting relationships that span generations.

Shopping locally also means supporting a business that gives back to the community it serves. Robinson Family Jewelers takes pride in being part of life's most important moments while remaining deeply rooted in the area they call home.

For newly engaged couples, soon-to-be brides and grooms, or anyone beginning the search for the perfect ring, Robinson Family Jewelers offers more than jewelry—they offer guidance, expertise, and a heartfelt commitment to helping couples start their forever with confidence.

When it comes to celebrating love, tradition, and new beginnings, Robinson Family Jewelers continues to be where forever begins!

SHUTE'S
WATER SYSTEMS

**WATER TREATMENT
PUMPS • WELLS**

LaFayette, N.Y.
Phone (315) 677-5552

By Jaxyn Boyce

SHUTE'S WATER SYSTEM AND WELL Drilling has been a family-operated business since 1963, when Howard Shute and his brother-in-law, Warren Shetler, first opened the business. Originally named Lafayette Well Drilling, Howard Shute carried the business alongside his sons; Mark, Neil, and Scott, and its reputation for many years until Howard Shute officially retired at almost 80 years. Scott Shute and Matt Farkas continue the effort of providing safe and clean water. The office is run by Scott's wife, Becky, and Mark Shute's daughter, Jill. Satisfied customer recommendations and glowing reviews are attributed to Shute's Water Systems and Well Drilling's success.

Now serving the CNY's areas, including Syracuse, Baldwinsville, Cortland, Cazenovia, Chittenango, Canastota, Fayetteville, Auburn, Tully, Lafayette, Marcellus, Manlius, Camillus, and Skaneateles. Scott Shutes mentions, "With years of experience, our team will assess your needs and create a custom water system plan or repair that's right for you." There are tests to determine the specific needs of a customer, and the basic water analysis of hard metals is free. For a more detailed survey, called the Water quality indicators (WQI), there is the option to test for microorganisms and bacteria. Shute's Water Systems conducts the test, and the results are then sent to a lab. They stress the importance of well-testing as the lasting effects can lead to health problems.

There are a few things to keep in mind when determining the quality or purity of the water. Examples are; recent

construction, location, maintenance, the water source, and any septic floods that could cause leakage into the well. These area contaminants vary upon location as well. Shute's Water systems have Ultraviolet filters, Chlorination and Filtration setup, and Carbon and Sediment filters. If water is determined to be hard, there are also conditioning treatments available, like; reverse osmosis, salt-based or salt-free, dual water tank softener, or a magnetic water descaler.

Shute's Water Systems can provide installation and maintenance on water pumps and storage systems. Any brand is available and can be maintained. However, a brand manufactured in the Auburn and Seneca area, Goulds, is a popular choice. In addition, Shute's Well Drilling is a four-generation business, with Mark and his son Jeff overseeing. Both experienced and reliable, the benefits of private well water can provide financial benefits, as well as cleaner water overall. Free from water bills, and the toxins public water can carry, Shute's Well Drilling installs quality wells for its customers. Their slogan is, "Quality Water From Your Well To Your Faucet!" Shute's Well Drilling is located on Highway 20, in Lafayette. They can be reached at (315) 952-4113. Shute's Water System is also located in Lafayette on 5684 Route 20. To schedule an appointment, they can be reached at (315) 677-5552.

CREATURE FEATURE GALLOPING INTO THE NEW YEAR

BASED ON THE CHINESE ZODIAC, 2026 is the **Year of the Fire Horse**, beginning with the Lunar New Year on February 17th. Some key themes associated with the Fire Horse are passion, freedom, and an ambitious drive in the year ahead, the main focus being pursuing goals with intensity, confidence, and courage. These admirable traits reflect the fiery spirit and powerful drive found in our equine friends.

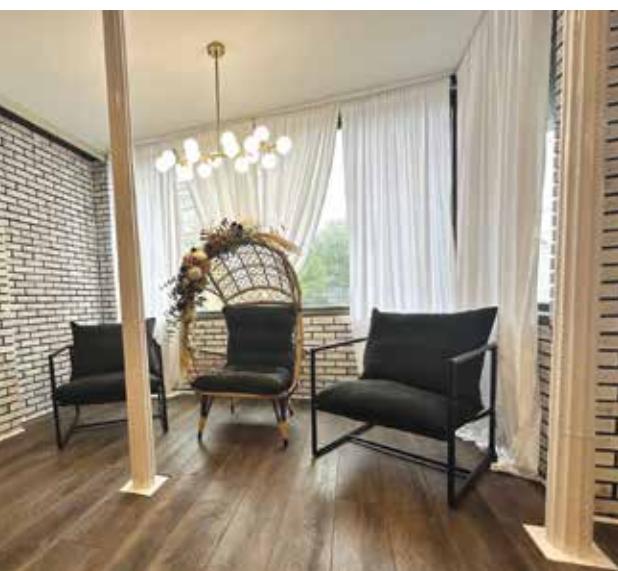

The horse is the seventh animal in the Chinese Zodiac; and while there are different stories associated with its placement, the following legend sparks the imagination.

Long ago, the Jade Emperor, ruler of the cosmos, declared a race to determine which animals would be chosen for the Chinese Zodiac; the first twelve finishers who arrived at the Heavenly Palace would earn a year named in their honor, in the order they placed. The horse was swift, powerful, and confident and quickly took the lead along with the dragon and rabbit.

When they reached a wide celestial river, the dragon flew across easily, and the rabbit hopped on a floating log to reach the distant shore. The horse was a brave and strong swimmer, but as it entered the river, it heard distressed cries for help from the goat, rooster, and pig who were too frightened to enter the water. Rather than race onwards, the horse turned back and carried each of its friends safely across the river. This noble act of kindness delayed the horse, however, and by the time it reached the palace, several other animals had already arrived; and so the horse finished in seventh place.

According to Chinese culture, people born under the sign of the Horse are said to be spirited, hardworking, courageous, kind, quick-witted, and enthusiastic -- but their generosity and desire to help others can sometimes slow them down.

AS TAXPAYERS ORGANIZE TAX DOCUMENTS for the 2025 tax year, significant changes in place for both individuals and businesses. These changes stem from inflation adjustments and new provisions under the One Big Beautiful Bill Act (OBBA) that was signed into law on July 4th. Here are a few highlights:

For Individuals:

- Higher Standard Deductions:** Singles can claim \$15,750, Heads of Household \$23,625, and Married Filing Jointly \$31,500.
- Tax Brackets Adjusted:** Taxable income within each of the federal 10%, 12%, 22%, 24%, 32%, 35% and 37% tax brackets have been expanded.
- New Deductions:** Workers can deduct up to \$25,000 in

tips, \$12,500 in overtime pay (or \$25,000 for joint filers), and \$10,000 in car loan interest for qualifying vehicles. Seniors 65+ receive an extra \$6,000 deduction. These deductions phaseout at certain income limits.

- Expanded SALT Cap:** State and local tax (SALT) deductions increase to \$40,000 for joint filers, with income-based phase-outs.
- Credits Updated:** Child Tax Credit rises to \$2,200 per child under 17. Adoption credit jumps to \$17,280. Clean energy credits for EVs and home improvements expired after September 2025.

For Businesses:

- Section 179 Deduction:** Increased to \$2.5 million, with phase-outs starting at \$4 million.
- Bonus Depreciation:** 100% deduction reinstated permanently for qualifying property. Just be aware that New York State does not allow bonus depreciation.
- QBI Deduction:** The up to 20% pass-through deduction remains in place.
- Interest Expense Rules:** Adjusted to allow more flexibility for larger businesses.

These are just a few of the changes in tax law that create opportunities for many individuals and small businesses to save on their income taxes. The OBBA Tax Act has even more changes for 2026 through 2028 tax years. Check our website at EquusCPA.com for more information.

GORGERS

ESTABLISHED IN 2012 IN ITHACA, with an expansion to Cortland in 2018, Gorgers focuses on creating globally influenced food, with an emphasis on freshness, creativity, and value. Brothers Barton and Matthew Diamond felt there was a disconnect in the food world; there weren't a lot of restaurants where you could experience fine dining flavors at affordable prices. The majority of eateries were either using freezer to fryer products and store bought sauces, or operating at a price point where a lot of the local demographic was priced out of routinely enjoying them. Gorgers sought out to bring the types of flavors diners would experience at a high end restaurant, while keeping the price point at a level where everyone can enjoy unique cuisine.

"We employ a lot of modern cooking techniques to increase the quality of our offerings. We've used maltodextrin and bacon grease to create a bacon powder to dust different plates, and often sous vide meats before searing or frying them to ensure they're cooked to perfect temperatures to optimize the quality of the finished product" says Matthew. Gorgers also places an emphasis on efficiency, making it an ideal Main Street lunch spot. The majority of the time, food is delivered to the tables within 5 to 7 minutes of ordering, even during busy lunches.

In addition to dine in and take out, Gorgers is available for catering for events as diverse as weddings, or small company lunches. Matthew creates every catering order based on the needs of the customer, "we don't have a set menu. I like to sit down with each customer to customize the menu to their specific tastes. We've done events as diverse as Taco Bars with a plethora of fresh salsas, sauces, and marinated meats, to Southeast Asian Curries. As a chef, doing something special and unique each time is what keeps me motivated and inspired."

Gorgers is located at 101 Main Street in Cortland, and is open from 11-6, Monday through Friday. Call in orders can be placed by calling 607-344-3229.

STARTING THE NEW YEAR WITH SKIN SUCCESS BACK TO THE BASICS

THE START OF A NEW year often comes with big goals, packed calendars, and pressure to do more. When it comes to your skin, true success does not come from complicated routines or chasing trends. It comes from slowing down, regulating your nervous system, and returning to the basics.

After the holidays, many of us are functioning in a heightened state. Late nights, sugar, alcohol, travel, and stress all leave their mark. The skin often responds with dryness, breakouts, sensitivity, or dullness. These are signs that your nervous system needs support just as much as your skin barrier does. January is the perfect time to decompress and reconnect with simple, supportive rituals.

Think of skincare as a form of self care rather than a task to check off. Cleansing, applying serums, and moisturizing can become grounding moments in your day. Slow your breathing, massage products into the skin, and allow your body to settle. When the nervous system calms, the skin often follows.

No matter the season, hydration and sun protection remain non-negotiable. Winter air is dry, heaters pull moisture from the skin, and dehydration shows up quickly. A nourishing moisturizer and hydrating serum help maintain balance and comfort. Sunscreen is just as important in colder months. UV rays do not take the winter off and they can reflect off snow, increasing exposure even on cloudy days.

This year, let success look simple. Consistency, hydration, protection, and presence will always outperform perfection.

CORTLAND COUNTY HISTORICAL SOCIETY TRIVIA DID YOU KNOW?

By Tabitha Scoville, CCHS Director

DID YOU KNOW THAT THERE is a monument in Cincinnatus that is dedicated to a building? It looks like a gravestone and is situated where the iconic Cincinnatus Alhambra once stood before it was destroyed by a fire on July 19, 1988.

The Alhambra was built in 1912 for Cincinnatus businessmen Charles Gardner and Henry Taft. Its original purpose was threefold. The first floor was a feed store for Gardner and Taft, the second floor held two apartments, and the third floor was a public hall with an auditorium and stage. The latter was used by the community for everything from basketball games to graduation ceremonies, plays, music programs, and moving pictures. Over the years, the first floor held a variety of businesses after the feed store, including a laundromat, liquor store, bar, restaurant, and dance hall. It was a true community landmark, giving the citizens of Cincinnatus a place to gather for all manner of community and personal milestones.

The Alhambra was witness to nearly a century of town celebrations as well as tragedies, and it seems only fitting that the building was memorialized by a monument to document its importance to the Cincinnatus community.

EACH YEAR, DOZENS OF DEPARTMENTS and hundreds of volunteer firefighters from across the State come together for a little competition and camaraderie during the FASNY Winter Games. Hosted by the Greek Peak Mountain Resort in Cortland, these games include tubing, tug-of-war, and broomball. This year, we will also have a western-themed chili cookoff and tailgating challenge! The overall winner is crowned on Sunday of this busy weekend that has become a bona fide FASNY tradition.

FEBRUARY 21

10am
Cortland County Historical Society
25 Homer Ave., Cortland
(607) 756-6071
info@cortlandhistory.org
cortlandhistory.org

THE PAST PAGES Book Club meets monthly at the Cortland County Historical Society, and we usually read local and regional history. Because of the approaching 250th anniversary of the United States, this year, we are using the American Revolution to guide our book selections. To refresh our collective memory about Revolutionary War history, we will be reading a mix of national and state history as well as historical fiction. For February, we thought it might be helpful to learn more about the role of the Haudenosaunee during this time and you can choose one of the following books or locate another relevant title. In February, we'll discuss what we've learned from the titles we chose. Some of our best discussions occur when we come at a topic through the lens of several books!

Choose one:

The Iroquois in the American Revolution by Barbara Graymont (6 copies available in the Finger Lakes Library System)

Forgotten Allies: The Oneida Indians and the American Revolution by Joseph T. Glatthaar and James Kirby Martin (1 copy available through FLLS, more available if you check WorldCat)

We will meet on Saturday, February 21st at 10am at 25 Homer Avenue. Hope to see you there!
