PREMIUM AUTO DETAILZ IS A locally owned and operated auto detailing business based in Marathon, NY, serving Broome, Chenango, and Cortland counties along with surrounding areas. Owned and operated by Aiden Wilmott, Premium Auto Detailz is focused on providing professional, convenient, and high-quality vehicle care for customers who want their vehicles looking and feeling their best.

Our services are designed to cover everything from routine maintenance to more in depth vehicle restoration and protection. Interior detailing focuses on thoroughly cleaning and refreshing the inside of your vehicle, including carpets, seats, plastics, and other interior surfaces. Our exterior detailing services help restore the appearance of your vehicle through a careful wash and attention to the exterior surfaces, wheels, tires, and trim. Whether your vehicle needs a basic refresh or a full detail, our goal is to deliver a clean, finished result that customers can be proud of.

Premium Auto Detailz also offers ceramic coating services for customers looking for longer lasting paint protection and enhanced shine. Ceramic coatings can help protect a vehicle's exterior from everyday environmental contaminants while making the surface easier to maintain. For customers preparing their vehicles for New York winters, we also offer Fluid Film undercoating. This service provides an additional layer of protection underneath the vehicle to help combat moisture and road salt exposure during the winter months.

Based in Marathon, NY, Premium Auto Detailz serves customers throughout Broome, Chenango, and Cortland counties, along with surrounding areas. Mobile detailing services are available from April 1st through October 1st, bringing professional vehicle care directly to customers when weather and conditions allow. This mobile option provides added convenience for customers throughout the surrounding area. During the winter season, services are available at our Marathon location.

For appointments, questions, or more information about available services, go to premiumautodetailz.com or contact Aiden Wilmott at (607) 345-9480 or email me at pautodetailz24@gmail.com. ROBINSON FAMILY JEWELERS CELEBRATES GRAND REOPENING

4077 West Rd., Cortland

ROBINSON FAMILY JEWELERS IS READY to celebrate a major milestone with the Grand Reopening of its new showroom on October 10 at 4077 West Road in Cortland. The new location is nearly three times the size of the former Groton Avenue store, giving customers more space, more selection and an entirely new shopping experience.

Since opening in 2020, Robinson Family Jewelers has grown with the support of the local community while remaining proudly family-owned and operated. The new showroom allows the store to expand many of the collections and services customers already know and love.

One of the biggest highlights is the expanded bridal department. Robinson Family Jewelers is known for offering one of the area's largest selections of engagement rings and wedding bands, along with custom design options for couples who want something truly unique.

The new location also features an expanded selection of watches, gifts and specialty items, including Seiko and Glock

watches, GoatGuns collectibles, handmade pocketknife with unique inlays such as dinosaur bone, mammoth tooth and gemstones.

Customers can also continue to rely on Robinson Family Jewelers for custom jewelry design, repairs, appraisals, watch batteries and personalized service.

The Grand Reopening is more than a celebration of a new building — it is a celebration of family, growth and the community that helped make it possible.

Join Robinson Family Jewelers on October 10 and come experience the bigger showroom, expanded selection and the same friendly service customers have trusted for years.

CASKEY'S GARAGE

1990 Dryden Rd., Freeville
607-347-4170

caskeysgarage.com

Servicing Tompkins & Cortland County Since 1976

STARTING IN 1976, CASKEY'S GARAGE was a one man show consisting of just Larry Caskey and his tools. Business, however, picked up and so did the need for more mechanics, and the shop developed into a large heavy duty equipment garage as it is today. Since 1976, Caskey's Garage has added manpower and footage to the garage. We currently employ 20 people; we are a certified distributor for Volvo, Mack, as well as covering their warranties. We also offer repair service for all insurance claims too!

Caskey's Garage is your CAT on Highway Truck Engine Parts Source (TEPS) dealer. We are authorized to sell Cat fluids, filters and overhaul kits (Bronze, Silver, Gold and Platinum). We can also offer extended coverage for overhaul kits as well as components. Please visit us or contact us when looking for CAT parts for your truck, bus or RV!

In our parts room we have 31 years of experience under the capable leadership of Keith Patte and Fred Deuel. These two employees make sure we have all the parts we need for all makes of trucks including the parts that are under warranty.

Our service department has well over 100 years of experience in repairs for heavy and medium duty diesel and gas trucks including drivelines, air conditioner systems, turned flywheels, brake drums and rotors all done in-house. We have a full wheel adjustment center and NYS Certified Inspections available for your service needs as well.

Caskey's Garage is now recruiting for experienced full time diesel/auto mechanics. We are a full service truck, bus and heavy equipment repair shop that has been in business for 50 years. Our benefits package includes health and dental insurance, paid vacation and sick leave, 401(k) retirement plan and quarterly tool allowance. Salary is based on experience and is competitive for the area. We do not operate on a flat rate basis. On the job training and continuing education programs are available to employees. Must have a valid driver's license, CDL preferred. Please email resume to caskeysgarage1976@gmail.com.

CREATURE FEATURE SPLENDOR IN THE GRASS

Your pup princess just got back from the groomers, but UGH — there she goes again, rolling in the grass with unbridled enthusiasm. Why does she do this?

Although it might perplex us, rolling in the grass is a completely normal behavior for dogs, according to canine experts. First off, it just feels good, especially when they're itchy. Rolling helps gets those hard-to-reach spots satisfyingly scratched. Also, rolling in the grass (or dirt or sand...) simply brings dogs tremendous pleasure. This becomes altogether apparent, watching my dog roll and blissfully stretch out on the lawn — ahhh, splendor in the grass! I swear, she's grinning ear-to-ear!

According to the experts, some dogs may also roll when they see other dogs rolling, since they often model their behaviors off of their canine companions. In yet another scenario, dogs may roll to leave behind a calling card of sorts, using the scent glands on their bodies to communicate with other dogs that they've been there. They might also be trying to cover up the scents of other dogs that passed through beforehand. Finally, when they roll around outside, some dogs might be trying to mask the scent of their own bodies — an ancient survival strategy used by their wolf ancestors to camouflage themselves from predators, rivals, or potential prey.

So forgive your dog those smudges of dirt and grass stains — and just roll with it!

CORTLAND COUNTY HISTORICAL SOCIETY TRIVIA

DID YOU KNOW?

By Tabitha Scoville, CCHS Director

DID YOU KNOW THAT A 1951 Academy Award winning film by Paramount Pictures was based on a story that began in Cortland? A Place in the Sun was a major film production starring Elizabeth Taylor, Montgomery Clift, and Shelley Winters, and its screenplay was based on An American Tragedy, the 1925 novel by Theodore Dreiser. Dreiser’s novel immortalized the murder of Grace Brown at the hands of Chester Gillette. The paths of Brown and Gillette crossed in Cortland, where both were employed at the Gillette Skirt Factory. Chester’s uncle owned the factory, and he employed his nephew as a manager while Grace worked as an inspector on the factory floor. Romantic interactions between managers and factory workers were forbidden, but that didn’t stop Chester from pursuing a relationship with Grace. Ultimately, Grace became pregnant and was lured to her murder when Chester determined that she and his unborn child were simply obstacles in his path.

Like An American Tragedy, A Place in the Sun involved a love triangle that was an important part of the plot. The love triangle was a misleading and salacious detail that had little basis in fact, but in both stories, the ending is accurate to life—the character based on Chester Gillette is tried and executed for murder.

In 1991, A Place in the Sun was chosen for preservation in the National Film Registry by the Library of Congress as being “culturally, historically, or aesthetically significant.”

- 1 Tea towel or hand towel

Cake:

- 3/4 cup all-purpose flour (90g)
- 1/2 teaspoon baking powder
- 1/2 teaspoon baking soda
- 1 teaspoon ground cinnamon
- 1/2 teaspoon ground allspice
- 1/4 teaspoon ground ginger
- 1/4 teaspoon nutmeg
- 1/4 teaspoon cloves
- 1/4 teaspoon salt
- 3 large eggs
- 1 cup granulated sugar (200g)
- 2/3 cup pumpkin puree (160g)
- 2 teaspoons vanilla extract
- 1/4 cup powdered sugar (30g)

Filling:

- 1 package (8 ounces, 226g) cream cheese at room temperature
- 1 cup powdered sugar sifted (120g)

- 6 tablespoons butter room temperature (80g)
- 1 teaspoon vanilla extract

1. Prep the Oven and Pan

****Critical to prevent sticking, sticking will pull your cake apart****

Preheat oven to 375°F (190°C). Grease a 10x15-inch jelly roll pan, line the bottom with parchment paper, and lightly spray the top of the parchment. Lay a clean, lint-free thin kitchen towel flat on the counter and generously dust it with 1/4 cup powdered sugar.

2. Mix the Batter

In a medium bowl, whisk together the flour, baking powder, baking soda, cinnamon, pumpkin pie spice, and salt. In a separate large bowl, beat the eggs and granulated sugar with a hand mixer or stand mixer on high speed for 2–3 minutes until thick and pale yellow. Beat in the pumpkin puree and vanilla, then gently fold in the dry ingredients just until combined. Do not overmix.

3. Bake

Spread the batter evenly into the prepared pan using an offset spatula, pushing into all four corners. Bake at 375°F (190°C) for 13–15 minutes, or until the top springs back when lightly touched with a fingertip.

4. The Initial Roll

Must be done immediately while hot, as soon as the cake leaves the oven, run a thin knife around the rim of the pan. Invert the hot cake directly onto the sugar-dusted towel. Peel off the parchment paper. While still hot, fold one short edge of the towel over the short end of the cake and roll tightly, rolling the towel directly inside the cake. Transfer the rolled cake (seam-side down) to a wire rack and let cool completely to room temperature (about 1 to 1.5 hours).

5. Make the Filling

In a medium bowl, beat the softened cream cheese and softened butter together on medium-high speed until completely smooth and lump-free (about 2 minutes). Add the sifted powdered sugar, vanilla extract, and pinch of salt. Beat on low until combined, then increase to high and beat for 1 minute until fluffy.

6. Fill, Re-roll, and Chill

Gently unroll the cooled cake (the inner end will curl naturally do not force it

flat). Spread the cream cheese filling evenly across the cake, leaving a 1/2-inch border along the edges. Re-roll the cake tightly without the towel. Wrap the finished log snugly in plastic wrap and refrigerate for at least 1 hour (or overnight) to firm up before slicing. Dust with powdered sugar just before serving.

BUTTERMILK FALLS PEDIATRICS BRINGS MULTI-GENERATIONAL care to families since 1955. Shortly after WWII, the nucleus of Buttermilk Falls Pediatrics was formed when Drs. Davis and Kingsley opened a practice in Ithaca, NY. They were soon joined by Dr. Roger Perry and Dr. Anthony Speno. The core group would go on to serve families for decades, either on State Street, Buttermilk Falls Road, or Trumansburg Road. Dr. Amit Shrivastava is currently carrying on the high quality of care established by his predecessors. Seeing a need for excellent pediatric and adolescent care in Cortland, NY, and its surrounding areas, we opened an office in the Cortland Health Center in February 2026. We are currently accepting new patients. We participate with most major insurances. Please call 607-272-6880 with any questions and to get your child scheduled!

CHILLER HAUNTED HOUSE

OCTOBER 29-31

WHAT STARTED AS A MINI walk through garage haunt on Lamont Circle back in 1983 has become an annual Halloween tradition in Cortland County. The Chiller Haunted House on Madison Street in Cortland, NY will open its doors to visitors young and old for some spooky fun on Saturday, October 31st from 6:00pm - 10:00pm. Admission is free but donations are accepted at the door or through Venmo.

The haunt, now in its 44th year, is the creation of Jim Coon who started the attraction when he was a Junior in High School. He built the first haunt in his family's one car garage and then expanded into the driveway the following year.

“Each year it got a little bigger” Coon says.

“When I purchased my own home in 1996 on Madison Street the haunt moved there for a few years before moving to the Burch Building in Suggett Park.”

says Coon. The haunt moved to the Center for the Arts of Homer in 2018, but during Covid things had to change a little. “I was determined to have a haunt that year so we moved it outside and we chose a haunted hospital for the theme. All the actors were distanced from visitors or were behind plastic. The hospital theme just lent itself to what was happening at the time.”

After 4 years, the haunt returned to Madison Street. Coon was ready to go back to his roots of a small walk through with

plenty of scares. "You'll probably wait in line longer than it takes to go through it." He says "but it's worth it."

Coon has tour guides take groups through the dark maze while telling a story about the unfortunate ghosts and ghouls that hide within the corners and behind curtains waiting for just the right time to jump out at guests.

“We try to scare, but we don’t want to traumatize,” Coon says.

For those looking for a low scare no scare option, the haunt will be open on Thursday, October 29th from 7:00pm - 9:00pm for kids night and if you can't make it on Halloween the haunt will be open on Friday, October 30th also from 7:00pm - 9:00pm.

For the second year in a row the theme of the haunt will be “House of Nightmares”.

"Everyone has an anxiety about something" says Coon "whether it's clowns, spiders or the dark, everyone has a phobia and we like to tap into those uncomfortable anxieties, but we also like to offer a little humor to offset the fear."

Last year one room was titled the “Fear of Commitment Room” and was inhabited by ghostly brides and a moaning groom. What does this year’s haunt hold in store? Coon is keeping tight-lipped about it.

“You’ll just have to come and see for yourself...if you dare” He says with a wicked smile.

Effect of filing: All persons having or claiming to have an interest in the real property described in the Petition are hereby notified that the filing of the Petition constitutes the commencement by the County of Cortland (the "Tax District") of a proceeding in the court specified in the caption above to foreclose each of the tax liens therein described by a foreclosure proceeding in rem.

Nature of proceeding: This proceeding is brought against the real property only and is to foreclose the tax liens described in the Petition. No personal judgment will be entered herein for such taxes or other legal charges or any part thereof.

Persons affected: This notice is directed to all persons owning or having or claiming to have an interest in the real property described in the Petition. Such persons are hereby notified further that a duplicate of the Petition has been filed in the office of the Enforcing Officer of the Tax District and will remain open for public inspection up to and including the date specified below as the last day for redemption.

Right of redemption: Any person having or claiming to have an interest in any such real property and the legal right thereto may on or before said date redeem the same by paying the amount of all such unpaid tax liens thereon, including all interest and penalties and other legal charges which are included in the lien against such real property, computed to and including the date of redemption. Such payments shall be made to Department of Finance, County Office Building, 60 Central Avenue, Cortland, New York 13045. In the event that such taxes are paid by a person other than the record owner of such real property, the person so paying shall be entitled to have the tax liens affected thereby satisfied of record.

Last day for redemption: The last day for redemption is hereby fixed as February 19, 2027.

Service of answer: Every person having any right, title or interest in or lien upon any parcel of real property described in the Petition may serve a duly verified answer upon the attorney for the Tax District setting forth in detail the nature and amount of his or her interest and any defense or objection to the foreclosure. Such answer must be filed in the Office of the Cortland County Clerk and served upon the attorney for the Tax District on or before the date above mentioned as the last day for redemption.

Failure to redeem or answer: In the event of failure to redeem or answer by any person having the right to redeem or answer, such person shall be forever barred and foreclosed of all his or her right, title and interest and equity of redemption in and to the parcel described in the Petition and a judgment in foreclosure may be taken by default. Foreclosure will result in the loss of ownership and all rights in the parcel.
